Effective in Two Years. The bill would not become effective until two years after passage, in order to allow adjustment of business arrangements. The other measures would take effect imdo not know Hugh Williams, ex- ness. The people of New York City mediately upon passing. The bill designed to stop agreements for regulation of prices is designed to effectually stop the fixing by wholesslers of the prices at which the manufactured article shall be sold to the public and to prevent big business from entering into contracts to contret prices of any commodity.

It has been drawn with a view to stopping secret agreements and 'gentlemen's understandings," so far as that can

suits would give individuals as well as the government the right to start injunction proceedings for any attempt at injury. In any civil proceedings, begun under the Sherman law by the federal government in which a judgment or final or interlocutory decree has been entered, holdling the defendants guilty of conduct prohibited by the act, it would permit individuals claiming to be injured by such
conduct to be admitted as a party to the
suit with the same relief as if they had
brought an independent suit. This would
give the individual the benefit of the resuit of a proceeding by the government.

Members of the judiciary committee
active in framing these bills believe that
the measures would strengthen the Sherman law without injustice to the rights of
