A few days ago we cleaned a Fancy Dress for one of our old mers who had been away for some time. When the garment eturned nicely draped over a hanger, without a wrinkle, and ed in a dustproof bag, she made this remark to our driver:

"Two been saving this dress for the Pantorium, as the last time it was cleaned I had it done in Boston and got a very poor job, but had to pay \$5.00 nevertheless. I find I get better work at home from the Pantorium, and it only costs about half as much."

Our regular price for cleaning the dress is \$2.50, and that is what she paid us. Everybody pays the same, we have one price for all, and only one class of work-THE BEST IN OMAHA. If you are particular about the kind of work and the service

you get, we would be pleased to have your business. We call for and deliver to all parts of the city, Dundee, Fair
