FORM BUSINESS ASSOCIATION

South Omaha Men Incorporate in Sum of Five Thousand.

NEW STATUTES READY TO SELL

Thousand Copies Prepared to Be Sold by Secretary of State—Reading Circle is Reorganized.

(From a Staff Correspondent.) LINCOLN, Jan. 16.—(Special.)—The South Omaha Business Men's association is a new corporation from the packer city filing articles of incorporation with the secretary of state today.

The capital stock of the corporation is made \$500 and the men behind the corporation are John P. Ryan, John J. Hinchey, Joseph Koutsky, J. J. Markey, J. Koppitz, M. Calkin, H. W. McNeil, F. Penfield, A. Kalske, E. O. Furen, John Kresl, G. F. Gibbs, John W. Gibbs, C. A. Melcher, Richard Novak, Henry Rotholz and Harry Ortkop.

New Statutes Ready. The first consignment of 1,000 copies of the new statutes has been received by the secretary of state from the publishers, 500 copies being of the common binding and the other 500 of the flexible cover with blue paper, called the bible edition, printed especially for lawyers who cannot afford both a Bible and a copy of the statutes.

The common binding sells for \$5, cash in advance, while the bible edition brings \$1 more, the charge made extra to cover cost of getting out the special edition. Each copy contains two facsimile copies of Secretary of State Bryan's signature in which he certifies that the copy of the Declaration of Independence, the constitution and amendments to the federal constitution are correct transcripts from the original.

Reorganized Circle. The Nebraska Reading circle was reorganized at a meeting held in the state superintendent's office yesterday. J. M. Matzen of Fremont was elected president; P. A. Stech, David City, vice president; E. W. Marcellas, Crete, secretary, and J. H. Welch, Stanton, treasurer. State Superintendent Delsell is manager ex officio of the organization. Books to be considered will be Rural Schools, Sports at Play, Industrial Education and School Methods as the course for 1914-15. Another meeting will be held March 23. By some peculiar condition only four of the above five officers belong to the Schoolmasters' club.

More Funds Deposited. The Guaranty Fund Life association of Omaha has deposited with the state insurance board an additional \$100,000 as company for the \$100,000 they already have on deposit in order to comply with the law, which requires all insurance companies which desire to do business outside of the state to deposit an additional \$100,000 with the state board. The company desires to solicit outside of Nebraska and thus makes the deposit.

Drawing Appropriation. Senator J. A. Olla, president of the Live Stock Breeders' association, held a conference with the state auditor this morning as to the best methods to draw the state appropriation of \$2,000, which is voted by the legislature. The association has been in the habit of sending in their vouchers on the fund in small amounts as it was used, but other associations draw it out in larger amounts and pay it out from the amount drawn which saves the state considerable work in keeping track of the different amounts which many times are very small. The matter was referred to the attorney general, who instructed the auditor this afternoon that the Live Stock association could draw on the appropriation for any amount it desired, even to the total appropriation at one time.

Beatrice Hunters Kill Two Coyotes and Wound a Man

BEATRICE, Neb., Jan. 16.—(Special.)—Three hundred farmers and residents of Beatrice participated in a big circle hunt a few miles southeast of the city Thursday, with the result that two coyotes were rounded up and shot. There were six coyotes in the circle, but when the lines closed up in Cook's pasture four of them found an opening in the north line and escaped. Just before the roundup was made Joseph Cooper, a young farmer, was struck in the eye by a stray bullet. The ball penetrated the eyelid, but it is thought the sight will not be destroyed. Rev. A. R. Hoagitz, for the last four years pastor of the German Lutheran Zion church west of the city, died Thursday evening of Bright's disease. Mr. Hoagitz came from Topeka, Kan., and was well liked by his congregation. He was 28 years of age and leaves his wife and four children. Funeral services will be held from the church Sunday afternoon at 1 o'clock.

A charity organization was formed here Wednesday evening, and the object of the society is to act as a sort of a clearing house for the charity work of the city. Rooms for the association have been secured in the Young Men's Christian association building, and Miss Helen Van Horne has been placed in charge. The following officers have been elected: Presidenta, Rev. L. D. Young; secretary-treasurer, G. L. Rathbun; office secretary, Miss Helen Van Horne.

Mrs. Sarah Vanmeter, who came here New Year's day from Omaha to visit with her daughter, Mrs. L. L. Chapman, died Thursday evening of paralysis, aged 80 years. She celebrated her eightieth birthday on New Year's day. She is survived by three daughters and one son.

Topping Abandons Fight for Mayoralty of Nebraska City

NEBRASKA CITY, Jan. 16.—(Special.)—Paul S. Topping, who was elected city commissioner to succeed Mayor J. D. Houston, who has been posing as mayor despite the fact the other two commissioners elected Commissioner J. A. Richardson as mayor, has decided to give up the fight and has announced in a card to the public. He will serve out his term as commissioner, but intimates he will take up the fight again at the polls at the spring election and get an expression from the voters by being a candidate again. This leaves Nebraska City with but one mayor. The contention of Dr. M. L. Koser that he is still secretary of the Board of Health and entitled to a salary of \$50 per month is still unsettled.

The thirteen saloon keepers of this city are receiving letters daily from a woman in this city asking for money, and she threatens if they do not pay the money over she is going to prosecute them for selling her husband intoxicants. She started in demanding \$15, and as only one saloon keeper responded and paid the money she reduced her demand to \$10, and then to \$5. The letters are all delivered by her son, a small boy, and the saloon keepers are trying to induce her to use the mail so they can place a charge of blackmail against her. The saloon keepers have had lawsuits and other things, but this is the first time they have been threatened with systematic blackmail.

Hastings Interests to Fight New Rates

HASTINGS, Neb., Jan. 16.—(Special Telegram.)—Realizing that it means life or death to the jobbing interests of Hastings and other interior Nebraska towns the Hastings Chamber of Commerce has appointed a committee with authority to employ counsel in an effort to prevent the operation of the Iowa freight rates recently ordered by the Interstate Commerce commission. Unless the order can be revoked or parity rates established in Nebraska, the Iowa and Missouri Valley shippers will have an advantage over interior points in shipments to western places. The discrimination comes from the fixing of zone rates on fourth-class freight by which eastern shippers can make deliveries to western points at lower rates than those in the west can. As viewed here the shippers of the interior towns will either have to move farther east or go out of business if the new rates are allowed to go into effect.

SCHUYLER ACCIDENT VICTIM LEAVES LARGE FAMILY

SCHUYLER, Neb., Jan. 16.—(Special.)—John W. Way, assistant engineer of the city power house, who was killed yesterday morning, was 40 years of age. He was discovered about 9 o'clock lying beside one of the dynamos with his right arm broken at the elbow and only hanging by the skin and his neck broken. He had been dead about three-quarters of an hour apparently. Coroner Woodward impaneled a jury that rendered a verdict that the deceased came to his death by his clothing catching in the machinery, resulting in the breaking of his neck. He leaves a widow and six children, the eldest 14 years and the youngest only 15 days old. He carried \$2,000 life insurance.

WAIT SERVED WITH NOTICE IN THE M'KELVIE SUIT

(From a Staff Correspondent.) LINCOLN, Jan. 16.—(Special.)—Notice was served today on Secretary of State Wait that he must appear before the district court on Monday morning at 9 o'clock, and show cause why he should not accept a \$10 filing fee from Lieutenant Governor McKelvie, and place his name upon the primary ballot as a candidate for the republican nomination for governor of Nebraska. Secretary of State Wait refused yesterday to receive the filing, claiming that the constitution denied the right of any state officer to aspire to be governor and Mr. McKelvie straightway called upon the courts and received an order from the court as shown above. In the event that the court rules that the secretary of state must receive the fee and place the name upon the ballot, Mr. Wait will appeal to the supreme court. In the case the district court upholds the secretary of state, then Mr. McKelvie will appeal and it is understood the case will be heard at once by the supreme court in order that the case may be settled.

CLARY OF GRAND ISLAND CANDIDATE FOR CONGRESS

(From a Staff Correspondent.) LINCOLN, Jan. 16.—(Special.)—Leo Clary of Grand Island will be a candidate for congress in the 16th district, providing he can get the endorsement of sufficient democrats at the primary this fall. Such is the word brought to Lincoln by Fire Commissioner Ridgell today. He attaches a proviso that if Judge Dungan of Hastings is not a candidate, he will shy his hat in the ring. While Dungan, Corey, Harman, Sutherland, Schallenberger and Clary are trying to appear harmonious on the proposition and making a lot of noise to keep up their courage, it is apparent that in their efforts to get out of the way so one of the others can make the try they do not feel very sanguine of the outcome.

GILCHRIST WILL RECEIVE MONEY FOR HIS LABORS

(From a Staff Correspondent.) LINCOLN, Jan. 16.—(Special.)—The claim of John Gilchrist for examination of the Western Savings institution, the company which ex-Governor Aldrich was interested in, which has been held up for some time by the banking board, was this afternoon ordered paid. When the proposition first came up the board decided that an expert should investigate the company and Secretary Royce was instructed to employ someone and he engaged Mr. Gilchrist. Later it was decided to have Mr. Gilchrist prepare the plan for the board, which was done, and a fee of \$136 charged. About
