**PRESSURE ON WEAK CLUBS**  
Directors of Western Raise Each City's Guarantee to \$125.  
**FRANCHISE FOR KANSAS CITY**  
One Hundred Sixty-Eight-Game Schedule Adopted as Part of Plan to Force Out the Smaller Teams.

ST. JOSEPH, Mo., Jan. 18.—(Special Telegram.)—Frank Isbell, William Rourke and John Holland, comprising the board of directors of the Western league in session here this afternoon, determined upon a course of action which if it is followed by definite action will entirely change the standing of the Western league. It was decided tentatively to maintain a schedule of 168 games next season, and the moguls were unanimously in favor of raising the guarantee in each city to a flat price of \$125, one of the most drastic rulings in recent years.  
The determination to keep on with the long schedule is the result of agitation starting in St. Joseph, and is part of a well laid scheme to force the weak clubs out of the league. The moguls declare that in view of the activities of the Federal league they must look to their fences, giving the player a longer season and consequently a chance to earn more money.  
The raise in the guarantee is calculated to make things harder for the underables. The stronger club owners have reached the point where they can no longer see their way clear to paying the expenses of losing teams according to the directors.  
It also developed during the meeting that Kansas City, Kan., instead of Kansas City, Mo., will likely get the Wichita franchise in case a transfer is made. The five-mile limit contained in the National agreement of course would cause trouble from the American association, but the Western leaguers are of the opinion that the courts would force compliance with the scheme on the part of the American association.  
The directors are of the opinion that to attempt to keep the Western out of the new field would be classified by a court of law as a monopoly in restraint of trade. Leavenworth, Kan., is also asking a Western franchise.

**Hussane Will Meet La Tresse at Krug On Monday Evening**  
Armand La Tresse and Yousiff Hussane, through their managers, yesterday deposited with Charlie Franko, manager of the Krug theater, \$100 each as guarantee for their appearance at the Krug theater Monday night, when they will engage in a finish wrestling match. The money is also to be left as a side bet between the participants.  
Both of the big fellows are reported to be in the best of condition. La Tresse now weighs about 250 pounds, but has worked off every ounce of superfluous fat and is trained to the minute. La Tresse is one of the foreigners who has come to this country in hope of inducing Frank Gotch to return to the mat game long enough for them to get a chance to throw him.  
Two preliminaries were carded yesterday afternoon and Franko hopes to arrange for another one before the match is pulled off. Ray M. Stainon of Arkansas will attempt to put the shoulders of Raymond Burns to the mat, while Jap Tamsien, former foot ball artist at Creighton, is scheduled to fight it out with Frank Coleman.

**HARMONY IN FEDERAL CAMP**  
Outlaw League Will Remain Intact as Recently Organized.  
**CLUB OWNERS MEET IN CHICAGO**  
Rumor Had Started Weighman Considered Withdrawing Because Other Magnates Not Energetic Enough.

CHICAGO, Jan. 18.—The Federal league of base ball clubs will remain intact as recently organized, it was said tonight, as a result of a long secret meeting of the club owners. During the day many rumors were afloat that the new league was about to break up in dissension, but harmony eventually prevailed.  
The rumor that caused most discussion was that Charles Weighman of Chicago had announced his intention to withdraw from the Federal league and buy the St. Louis club of the American league. This threat was due to the reports that other club owners in the Federal league had not made sufficiently energetic efforts to place their teams on a par with major league base ball teams.  
Stan Johnson, president of the American league, Charles Ebbets of Brooklyn and August Herrmann of Cincinnati were in the city all day attempting, it is said, to induce Joseph Tinker to sign with Brooklyn, despite his contract already made with the Chicago Federals.  
The meeting of the Federal league club owners extended far into the night. After all the kinks had been smoothed out, according to reports that reached the outside, the owners of the Federal league clubs discussed ways and means for insuring success in the struggle to gain a standing in the base ball world.  
Mowrey Signs with Pirates.  
HARRISBURG, Pa., Jan. 18.—Henry Mowrey, the third baseman secured by the Pittsburgh club from St. Louis in the deal consummated at the December meeting of the National league, signed a Pittsburgh contract for 1914 here today. Mowrey said that despite the repeated reports that he had signed to play with the Baltimore Federal league club, he did nothing beyond holding several conferences with Edward Hanlon, who had made him a tempting offer.  
Rasin Not Surprised.  
BALTIMORE, Md., Jan. 18.—When informed that Henry Mowrey had signed with the Pittsburgh Nationals, Carroll W. Rasin, president of the Baltimore Federal league, said he was not surprised, as the third baseman had called off negotiations with the Baltimore Federals yesterday.

**CHURCH TEAMS DRAW WELL**  
Prove Good Features for Various Religious Organizations.  
**INCREASE CHURCH ATTENDANCE**  
Little Change in Relative Positions of Teams by Games During the Week, but Play Shows Improvement.

Standing of the Teams.  
First Christian church... 5 3 1,000  
First Methodist Baracas... 4 3 1,700  
Westminster Presbyterian... 3 3 3,400  
Hanscom Park Methodist... 1 1 2,300  
First Baptist church... 1 0 5,000  
The church league is proving a boon to the various churches in securing new members. Every captain and manager in the organization states that boy classes at their churches have greatly increased in attendance since the opening of the league. Churches are enforcing the rules of the league whereby each player has to attend at least twice each month. The result has been better attended classes and more interest taken in religious work.  
Several of the teams have greatly strengthened themselves during the last few weeks. Not only have they been from some of the amateur teams in the city. For games with any of them, call the following: Westminster Presbyterian, Carl Fleming, Harney 429; First Christians, Carl Weigle, Douglas 106; Hanscom Park Methodists, John Reel, Douglas 604; First Baptists, V. Largent, Douglas 100; First Methodist Baracas, V. Moore, Douglas 424.  
Tables Turned in Game.  
The First Methodist Baracas defeated the Hanscom Park Methodists last evening at the Young Men's Christian association gymnasium by the decisive score of 19 to 7. At no time in the game did the Hanscom Parks have much of a chance against their stronger opponents. Superior team work and more accuracy in shooting baskets was the direct cause of the Hanscom Parks' defeat.  
Charlesworth and Bauman played the best game for the Hanscom Parks, making two field goals each. Bauman also played a strong, aggressive game, breaking up a number of the First Methodists' plays. Lineup:  
FIRST M. E. HANSCOM PARKS  
Miles... L. F. L. F. Dodds...  
Richardson... C. C. C. C. J. Reel...  
Beckwith... L. G. L. G. Charlesworth...  
Fitzpatrick... R. G. R. G. Sommerville...  
Field goals: Miles, 3; Robinson, 1; Beckwith, 1; Dodds, 2; Bauman, 1; Sommerville, 1; Charlesworth, 1. Foul goals thrown: Miles, 5; Dodds, 3; Bauman, 1.

**CREIGHTON ATHLETIC BOARD TO HAVE MEETING THIS WEEK**  
The freshman rule and selection of the coach of the Creighton university foot ball team for next year will be the issues considered by the athletic board of Creighton university at a session this week. It probably will depend upon Coach Harry Miller's wishes whether he stays at Creighton.  
Negotiations are now on for a foot ball game with Colorado university to be played in Denver. Numerous offers for basket ball games are being received by the Creighton management, but Creighton will not endeavor to put a team into the field.

**SOUTH OMAHA FLOOR TEAM WINS OVER LOCAL TOSSERS**  
In a fast and close contest, the South Omaha Baptists, a church team, defeated the Young Men's Christian association club last Friday evening, by a score of 22 to 20. The game was hard fought from start to finish, but eight field goals by Jose, the star of the South Omaha squad, was too much for the locals and they were forced to acknowledge defeat.

**SIDNEY HIGH TRIMS THE ALLIANCE TEAM**  
The Sidney High school basketball squad defeated the Alliance High school team here last night, 29 to 19.  
The teams were evenly matched and the score was tied at the close of the first half. In the last half the fighting spirit of the Sidney team manifested itself by its excellent team work and forged into the lead.  
Cloeman and Willis were the stars for Sidney. Captain Shafer did the stellar work for Alliance.  
Sidney has won every game in the Western league and chances are good of winning the championship of western Nebraska. Sidney this season defeated the strongest teams in Wyoming, including Cheyenne, Laramie and Rawlins.  
In a preliminary game the Sidney second team defeated Alliance's second team, score 20 to 8.

**CRAIG OUTPLAYS BLAIR IN BASKET BALL GAME**  
CRAIG, Neb., Jan. 18.—(Special Telegram.)—Last night the Craig High school basketball team defeated the Blair High school team, 25 to 17. The local team was handicapped by the absence of two of the regular players and substituted two from the second team.  
Craig claims the best basket ball team in northeast Nebraska, considering size of town and school attendance. Coach Bo Bonderson, well known in state athletics, having been a star on the Bellevue eleven and selected in the all-state team, has demonstrated his ability as a basket ball expert.  
Craig has lost but one game this season, with the Tekamah team. The Tekamah team has refused to play a return game. Following is the record to date:  
Craig, 15; Tekamah, 15.

Aside from gratifying the curiosity of those who have never seen him, his street corner oratory accomplishes little in the way of convincing voters of his qualifications for office. Campaigning today is an illustration of the power of persuasion in public print. While Candidate Jones is wearing out his lungs haranguing the crowd on the street corner, Candidate Brown, who is running for the same office, is speaking to ten, twenty or fifty thousand persons every morning and every evening in the local newspaper in good, large space. He is presenting his appeal to voters in a sane, dignified, convincing manner over his own signature. Every reader knows that it is an advertisement. There is no concealment about it. At first it has a commercial look that repels certain people, but as the announcement is read from day to day its candor inspires respect. The reader soon says to himself, "Candidate Brown is talking to the voters in man-fashion, doing it over his own signature and

And so while Candidate Jones is getting a great reputation as a spell-binder, reaching a hundred or more persons every night, many of whom are not voters, Candidate Brown is gathering in the votes. Those who read his announcements indifferently at first will find themselves being gradually attracted to his logical presentation of his own qualifications for the office, and by the time Election Day approaches a favorable impression has been made—for advertising is nothing but reiteration. Constant repetition wears away Doubt, conquers Indifference and finally makes a definite impression.  
If the candidate who is running for office and has nothing tangible to sell can make a convincing appeal to the electorate in the newspaper, is there any reason why the manufacturer or merchant cannot make an effective and convincing appeal in the same candid, dignified way through the same medium?
