Ad Club Meets Thursday—"Can You Trace Actual Business from Advertising Specialties?" will be the topic of discussion at the meeting of the Omaha Ad club this evening. The dinner, which will start at 6:30 o'clock, will be given at the Loyal hotel.

Judge Baker's Nephew Here—Carl Riddle, nephew of Judge Ben S. Baker, visiting here on his return from the east, is a rancher at Carstairs, Alta., Can. He declares Canadian cattle, fed on grasses in the winter, are fattened and sold as readily as the grain fattened cattle of the middle west.

Omaha Not Represented—Omaha for once will not be represented at the annual convention of the Western Association of Electrical Inspectors which meets in Cincinnati the latter part of this month. Although City Electrician M. J. Curran has received an urgent invitation to attend he will not do so, because he feels he cannot stand the expense of the trip. Inspector F. P. McGough was to have read a paper before the association on "Window Displays," but he also will not attend.

LEE BRIDGES STARTS SUIT AGAINST BUILDING OWNER

Lee Bridges, recently appointed city building inspector, has sworn to his first complaint in police court in connection with his new duties. In the complaint William Weber, 305 Chicago street, is charged with refusing to tear down an old building which has been condemned as unsafe by the inspector.

PERSONAL PARAGRAPHS.

Al King, manager of the grocery department at Hayden Bros., has gone to Excelsior Springs on a short trip. M. C. Hoffman, A. D. Simmons and R. W. Smith, business men of Murray, Ia., are in Omaha visiting the jobbing houses and discussing conditions with Omaha merchants.

Take Salts to Flush Kidneys

Eat less meat if you feel Back-ache or have Bladder trouble.

Meat forms uric acid which collects and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night. To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.—Advertisement.

AFFAIRS AT SOUTH OMAHA

Pupils of Lincoln School All Subjected to Vaccination.

ORDER OF CITY PHYSICIAN

President Leigh of Board of Education Declares Health of Scholars is Placed in Hands of City Health Department.

Following the discovery of a smallpox subject among the children of the Lincoln school, City Physician E. J. Shanahan promptly closed the school and ordered all the children vaccinated. The school house was also fumigated and may be quarantined. City Physician Shanahan and a number of local physicians whom he called to his assistance at once went to work upon a program of vaccination and by evening had injected the antitoxin into 125 pupils of Lincoln school. The remainder will be vaccinated today. Superintendent of Schools N. M. Graham was at once notified and sent out warnings to all teachers to be on the lookout for the contagion.

To some of the people of the city the vaccination program was promptly condemned as the order of the Board of Education and a number remonstrated with President Leigh over the matter.

"The vaccination order did not emanate from the Board of Education or any of its members. City Physician E. J. Shanahan has charge of the public health and if he orders the children to be vaccinated the board has nothing to say in the matter because they can be vaccinated at school or not if he deems such treatment necessary to the maintenance of the public health."

"President Leigh said the school authorities were on the alert for any sign of the contagion and precautions were being taken against the spread of the disease. City Physician Shanahan has asked all the doctors of the city to aid in stamping out the first sign of the contagion. He has made a fight of many months against sporadic cases of scarlet fever and diphtheria which for a time threatened the children of the city."

Radiation Lessons. The following radiation lesson will be given at Jungmann school, Twentieth and O streets, Wednesday at 1 p. m.: Abraham Lincoln, Fifth grade; Henry W. Longfellow, Seventh grade; Mother Goose Rhymes, First A; The Story of Nixie Bunny, Second A; music, Edison machine, Thursday at 1 p. m.: Birds, Third grade; Lumbering, Sixth grade; Story of Peter Rabbit, First B; Hiawatha, Second B; Paul Revere's Ride, Fourth grade. The public is invited to attend.

Mercell Candidate. Deputy City Clerk John Mercell has announced his candidacy for deputy United States marshal. Mercell is a leader among the democrats of the city, and has the united backing of all factions for the place. Besides the names of democrats who are signing the petitions of the deputy clerk there are many republicans, who regardless of party lines, are supporting Mercell on general principles. Mercell is looked upon both here and in Omaha as the coming leader among the local democrats with whom he has always stood high. His petitions are being circulated by a number of leading democrats. He has received endorsements on all sides, and it is said that City Clerk Flynn of Omaha has let it be understood that he looks with favor upon the candidacy of Mercell for the marshal's baton.

Association Elects. The annual meeting of the Polish Home association was held on January 5, 1914, at which time election of new officials took place. Those elected were: John Herdzina, president; Andrew Paprocki, secretary; Joseph Wozniak, treasurer; Thomas Kozol, Joseph Vzdowowski and Joseph Madziar, directors. Shares were sold at \$20 per share. The selling of stock in the Polish Home association was brisk, and the officials believe that building operations will possibly begin this summer.

Meyers-De Lashmatt. At the home of the bride last night Miss Esther De Lashmatt of Burwell, was wedded to Arthur Meyers, a prominent stockman of that place. The bride was attended by her immediate relatives. Following a supper at the home of the bride's parents, the couple left for a wedding trip. They will arrive in South Omaha today and will spend some time at the home of Mr. and Mrs. J. V. Chizek, who are relatives of the bride.

Magic City Gossip. The Ladies of the Leifer Memorial church will serve hot dinner Thursday at the church. Miss Anna Smith entertained the Emanuel club last night at her home, 211 A street. The Keno Klub will give a dancing party Thursday evening at Rushing's hall, Twenty-fourth and J streets. Office space for rent in Bee office, 2218 N street. Terms reasonable. Well known location. Tel. 3013. Dr. and Mrs. H. W. Pultitz, on the Fort Crook boulevard, entertained a party of friends at cards Monday evening. Magic City tent No. 50, Mechanics of the World, will hold a meeting at the Cassidy hall, 49 E street, to elect officers for the coming year, Thursday, January 29.

The first debating team of Lincoln and the second debating team of South Omaha will debate Thursday afternoon at the South Omaha high school auditorium. A Heinz luncheon will be given Thursday afternoon at the home of Mrs. A. L. Bergquist, Twenty-fifth and E streets.

La-Grippe and Colds

In La-Grippe and Colds, Anti-kamina (A-K) Tablets are unexcelled, as they stop the pains, soothe the nerves, and bring the rest so greatly needed by nature to restore the system to health. Physicians have used these tablets for over twenty years, in the treatment of colds, fevers and la-grippe, and have found no other remedy more useful in these conditions. Anti-kamina Tablets are so inexpensive, so pleasant to take, so satisfactory in their results, and so useful in all conditions where there is pain, that A-K Tablets should always be kept in the house for the time of need. Many of our ablest physicians obtain perfect results in la-grippe and colds, by cleansing the system with Epigoni's "Actoidin," a very good cathartic, putting the patient on a limited diet, and administering one A-K tablet every two or three hours. This treatment will usually break up the worst case in 24 hours or less, while in milder cases, ease and comfort follow almost immediately. These tablets are also unexcelled for Neuralgia, Rheumatic Pains, The Pains of Women, Indigestion and Insomnia. All druggists have them. Genuine A-K Tablets bear the K mark. P. S.—A-K Salts for Sores.

Omaha Spends Over Million for New Sidewalks in 1913

Omaha property owners spent \$1,228,235.31 for new sidewalks during the year 1913, according to the report of City Engineer Watson Townsend, filed with Commissioner Thomas McGovern of the department of public improvements. This is a record-breaking achievement in sidewalk building. "City commissioners did not order all these sidewalks built," said Mr. Townsend. "Property owners constructed a large percentage of them without orders from the council. Altogether, 13.61 miles of new sidewalks were laid." Of the 13.61 miles of walks built 11.44 miles were constructed by the property owners themselves, the city building only 2.17 miles. The cost of all the sidewalks is charged to abutting property. Most of the sidewalks laid were four feet wide, although the width ranged from four feet in the residence section to twenty feet in the business part of the city. The four-foot sidewalks cover 4,500 square feet of space.

Malicious Mischief Charge Against Girl

Hazel Boswell, a strikingly pretty 20-year-old girl living at 316 South Sixteenth street, was arrested last night upon a charge of malicious mischief lodged by A. L. Havens, 218 South Thirty-third street, W. H. Smella, 2123 South Thirty-third street, and George Brown, a taxi chauffeur. The girl is alleged to have called the taxi man several times over the phone and told him that he was wanted at the Havens home. She is also said to have sent physicians, undertakers, grocers, etc., to the place by telephone order and was detected when Havens had "central" watch his calls. The young woman denied the charge, but was turned over to Probation Officer Mogy Bernstein to be sent home to her relatives in Iowa, after a trial in police court. Ten irate persons who had been sent to the Havens home by the fake 'phone orders testified in court.

BUNGLESOME BURGLAR CAUGHT AFTER COMBAT

The superiority of a policeman's night stick over a sabre as a weapon of offense was effectively demonstrated last night by Officer W. R. O'Brien over-coming a bungle-some burglar caught in the home of Mrs. Nellie Toogs, 1919 South Tenth street. Wilson took one swipe at the intruder with his hickory and landed on his opponent's arm. The sword clattered to the floor and a ride to headquarters in the patrol followed. Mrs. Toogs heard a noise last night and investigating saw a man in his bare feet ransacking the place. She called the police and Officer Wilson responded. As the woman was opening the door, the burglar sprang upon her and tried to keep her from her purpose. Wilson, however, did not wait on the front porch, but executed a flank movement and caught him by the rear. The intruder said he was Emil Lechtward of Chicago, but had been living at the Volunteers' lodging house since coming to Omaha. Police Judge Foster bound him over to the district court under \$1,000 bond on the charge of burglary.

YOUNG MESSENGER ATTEMPTS SUICIDE

Despondent because he was out of work and half sick, James Leary, a 17-year-old A. D. T. messenger boy known to many business men as "Larry," attempted to take his life in the Western Union office Tuesday by shooting himself with a revolver. Harvey Wolf, the night manager, saw the boy pull the weapon and struck it just as the latter pressed the trigger. The bullet grazed his head and flattened on a wall. Wolf brought the boy to police headquarters and after police surgeons had given him a tonic for his jangled nerves he was placed in a cell where he could not harm himself. Young Leary, before making the attempt to end his life, addressed a note to Miss Mary Scott, 216 California street, bidding her farewell.

Women and Wet Feet. Cold and wet feet are a dangerous combination especially to women, who are more prone to kidney diseases than men. Congested kidneys come from a cold, and backache, rheumatism, urinary irregularities and rheumatic forms are not unusual results. Foley Kidney Pills restore the regular and normal action of the kidneys and bladder, and so remove the cause of the trouble. It is an honest and curative medicine that always gives results. Culls from the Wire

Charles F. Murphy of Tammany hall may be a witness in District Attorney Charles S. Whitman's John Doe inquiry into allegations of the outcome of the Hans Schmidt, the German ex-priest, accused of the murder of Anna Amuller. The jury had not been collected last night at the close of the second day, although 200 witnesses had been examined, six jurors were chosen, making ten in all. Wilson E. Davis, a civil war veteran, was arrested in Los Angeles yesterday on a murder charge, the outcome of the death of William G. Wheeler, another veteran, whose body was found January 15 in the burned ruins of a house the two had occupied near the National Soldiers' Home at Savelle, Cal. The arrest was made while he was trying to collect insurance on the furnishings of the house.

POLICE ARE BREATHING EASIER WITH NEW AUTO

A patrol wagon that runs smoothly, quietly and offers reasonable assurance that it will be able to return on its own power is now in service in the police department, and headquarters officers are now feeling easier in this behalf than they have for several years. The car is brand new except for the body, which was taken from the old chassis. The machinery is all new and complete. No longer will the police department machines be the only ones in the city to violate the muffler ordinance or cause shame to the city by eccentric behavior. The old machines were good once upon a time, but had been rebuilt over and over again, until they were ready to fall to pieces when taken out of service. The new patrol goes into service today, and immediately another patrol body will be fitted to another new chassis and motor, so that within a month or so Omaha will have two patrol wagons in service, and in first-class order.
