

STAHL TO STAY OUT OF GAME Iowa City High Former Manager Denies Report He

is to Direct Brooklyn Feds. TALK CHANGES IN THE CIRCUIT Rumor-that Buffalo Federal Franchier in in He Transferred to Cleveland-After Crawford and Speaker.

CHICAGO, Feb. 16.-Jake Stahl when seen here today denied that he had been offered the management of the Brooklyn club of the Federal league.

Nobody has talked to me about b Mr. Stahl. "I am in the banking business now and have no intention of going back into base ball."

President Gilmoro reached toown toflay from the east with a check for first place. Summary:

E5,000, given by R. D. Ward of the 
Brooklyn Federal league club, who asked 
that the president use it to get him a 
manager and a player.

Another Change in Makeup.

Gilmore refused to say that any change 
in the makeup of the league would result from his interview with Fred Bramley at Cleveland yesterday, but rumors 
reached the city with the league president that the Buffaio franchise might be 
transferred to Cleveland. None of the 
Federal leaders would discuss the report 
that an agent of theirs had approached

## **Eruptions WON'T** When You Give Your **Blood a Good Bath**

No case of poisoned blood is ever cured until the last vestige of irrita-tion has been eliminated from the system. And the only remedy that is safely assimilated in the tissues to stimulate cellular activity and over-come harmful germs is the famous

A few doses of this wonderful blood purifier will start such pronounced activities in the cellular tissues of the body as to soon show decided changes

The skin is but a fine network of tiny blood ressels, and the action of S. S. S. is declared by eminent authorities to be a pronounced stimulation of the activity of these cells. Certain it is that in a surprisingly short time even the worst skin eruption abows a most remarkable change; it begins to dry up; the skin peels off in tiny flecks, and soon a layer of clear, healthy and firm these results.

The reason for this is in the peculiar stimulation of S. S. S. which enables the cells in the akin to select from the blood the nutriment it requires for regeneration.

Not only this, but if from the present

some disturbing poison there is a local or general interference of nutrition to cause boils, carbuncles, abscesses and kindred troubles, S. S. S. so directs the local cells that this polson is rejected and eliminated from their presence This fact has been demonstrated in cases of severe skin eruption that had seemed

You can obtain S. S. S. at any well stocked frug store, if you insist upon it, but be sura you are not talked into something else claimed b be "just as good."
S. S. S. is prepared by The Swift Specific Co.
OS Swift Bldg., Atlanta, Ga.
