#### Man Who Would Buy House for Goethals Charged with Fraud

WASHINGTON, Feb. 19.-Robert Audrew Hamilton, 27, who says he is a civil engineer employed by the Canadian Pacific railway, was arrested here today by postoffice inspectors on a charge of hav ing used the mails with intent to defraud. They charged him with connection with a project which mailed circulars to mayors of 700 cities soliciting contributions to a \$50,000 fund to buy a home for Colonel George W. Goethals. Hamilton protested to the postoffice authorities and police that he was a great admirer of Colonel Goethals and intended to withhold from the funds collected only enough to pay his expenses in arranging the gift to the Panama canal builder.
