

This Inspection Stamp on Every Board

I'LL PAY \$1.00 FOR EVERY KNOT

The Greatest Home Builder's Quality-Test Ever Announced

I will pay \$1.00 for every knot any customer can find in our Red Cedar Siding, shipped from Bay City. I stand ready to prove to you that the lumber in Aladdin houses is higher in grade throughout than is regularly carried by any seller of lumber in America. Clear Siding, Clear Flooring, Clear Inside Finish, and Clear Shingles are furnished for every Aladdin Dwelling House.—O. E. Sovereign, Gen. Mngr.

ALADDIN Quality Excels

To be proud of your home, proud of its attractiveness, proud of its modern design, proud of its convenience and roominess, and best of all, proud of the staunch construction and quality of materials—that is the final test of satisfaction for the home owner. You are entitled to this complete satisfaction when you build. Aladdin Standard of Quality admits nothing into the construction that does not exceed the most exacting expectations. The value of lumber is determined by its defects—by its knots. The above stamp of inspection on every board is our bond of quality to you. The great Aladdin name and reputation backs the quality of your home.

ALADDIN Prices Undersell

And here's the straight from the shoulder reason—a train load of logs straight from the Michigan forests enters the Aladdin Mills every day, and from the bark to the heart, every inch is worked on our own saws. Our one arm reaches into the forests and the other hands you the completed house. Your dollar carries no excess profit on back and pulls a full load. You get every last ounce of value out of it. Sixty-five acres of ground are covered with buildings and lumber at our great new Bay City Mills. Come to Bay City and look them over.

Here's a 5-Room Dwelling House For \$298

The "dollar a knot" guarantee holds good on this \$298 dwelling house just the same as on our big two-story dwelling houses. This house is just as warm and strong as any dwelling house ever built—walls of siding, sheathing, studding and lath and plaster or plaster board. The big catalog gives full information about this remarkable bargain.

ALADDIN MILLS IN FIVE STATES

The great Aladdin organization includes mills in five states—Michigan, Florida, Missouri, Texas and Oregon. Wherever you live, your Aladdin house will reach you from our nearest mill in a few days' time by fast freight—and direct from the source of the timber. The operation of five mills is an indication of the country-wide demand for Aladdin houses.
