HOGS-The near-blizzard of Sunday caused an appreciable cut in this morn-ing's receipts, only about 163 cars, or 7,200 head, being received. This is the lightest of any Tuesday since the second week of last December, when only about 6.700 head showed up. For the two-days the total is 11,416, being more than 8,000 head short of a week ago and almost 9,500 head smaller than for the corresponding days last year.
