COURT-MARTIAL TRIES DIAZ

Believed Leader of Mexican Revolt Will Die at Vera Cruz.

TO EXECUTE LIMA AND MIGENI

Deaths to Occur This Morning and Remaining Officers of Rebellion Are to Be Sent to Prison.

VERA CRUZ, Mex., Oct. 26.—The court-martial of General Felix Diaz began at 5 o'clock this afternoon. The execution of Seniors Lima and Migeni, two of his officers, has been fixed for tomorrow morning. It is believed that General Diaz will be shot at the same time. The remaining officers of the Diaz revolt will receive sentences of imprisonment.

Two of the captured officers of the staff of Felix Diaz were shot by the federal troops at 10:30 last evening after being sentenced to death by summary court-martial. The execution was carried out with absolute secrecy. The names were Major Zerkotte and Major Cueta.

The court-martial began its sessions at 5 o'clock in the evening and its judgments must be delivered and the verdicts put into effect within seventy-two hours from the time of meeting.

Some of the volunteers who joined Diaz belonged to the leading families of the city. Those of them who may be captured will be sentenced to short terms of imprisonment, but many of them have escaped to the country.

Commodore Azules of the federal navy, called last evening on General Beltran, the federal commander in chief, who received him cordially, telling him that he did not adopt a definite attitude during the Diaz revolution. It is reported that Commodore Azules is to be court-martialed. The garrison of Vera Cruz consists of 2,500 men of all branches of the service. The city is perfectly quiet and business generally has been resumed.

Strike Threatened On Canadian Pacific

WINNIPEG, Man., Oct. 26.—Another serious strike in the Canadian Pacific railway employes is threatened, according to A. R. Mosher, president of the Canadian Brotherhood of Railway Employees. The organization, which comprises 5,000 men, including freight handlers, freight clerks and clerical employes in the yards and baggage offices, President Mosher says has been negotiating for the last six months with the railway company and Department of Labor, demanding increases in wages. Mosher declares that unless a board of conciliation is appointed by the Department of Labor a strike will be called next Monday.

Marshall Calls T. R. a Trust Incubator

CENTRALIA, Wash., Oct. 26.—Governor Marshall of Indiana declared today that the democratic campaign is a crusade to prevent the coinage of American characters at the ratio of sixteen souls to one dollar.

"It is not money I am fighting, but the sense of irresponsibility of the dollar," said the democratic vice presidential candidate, "and in this connection I want you to remember that Colonel Roosevelt, whom someone has called a trust buster, really is a trust incubator without an added egg in the machine. There is where the dollar is getting its irresponsibility."

Kinsella Would Lease the Cardinals

CHICAGO, Oct. 26.—An offer to rent the St. Louis National league ball team next season for \$100,000 was made today by Richard Kinsella, scout for the team and former owner of the Springfield team of the Three-I league. Kinsella said he could make a profitable surplus over the outlay if the team would be farmed to him for that sum. Kinsella said the money was ready as soon as Mrs. Helen Hathaway Britton, present owner of the St. Louis team, would sign the necessary papers.

Haller and his son, Earl Haller, were killed and his wife, daughter and brother probably fatally injured tonight when an automobile in which they were riding collided head-on with a street car. Persons who saw the accident say the steering gear of the machine must have been wrong, as the automobile wobbled for a short distance just before it ran directly into the path of the street car.

ROUSE TO LECTURE ON TURKEY

Lutheran Churches Plan Union Meeting to Commemorate Reformation—Schwarz Becomes Evangelist.

Because of special interest in Turkey and its part in the Balkan war, Rev. Frederick T. Rouse, pastor of the First Congregational church, Nineteenth and Davenport streets, will lecture on Turkey at the evening service tomorrow. The lecture will take up the religion, habits and social customs of the Turks. It will be illustrated by stereoscopy. The service will begin at 7:45.

Rev. Julius Schwarz soon will lay down the pastorate of the German Presbyterian church on North Twentieth street to assume the duties of pastor-evangelist of Omaha, to which position he was elected by the Omaha synod's meeting recently at synod in Hastings. Rev. Mr. Schwarz succeeds Rev. N. M. Braden, who resigned because of ill health. Rev. Mr. Schwarz will devote special efforts to work in the city, which has not received vigorous attention of late. He is known as a hard worker. His unique achievement in building the new German church out of odds and ends of material gathered here and there at little or no cost has distinguished him among the churches. His successor as pastor of the German church has not been named.

Rev. H. T. Sackett, pastor of the Presbyterian church at Randolph, Ia., will preach morning and evening at the Third Presbyterian church, Twentieth and Leavenworth streets. Miss Hazel Evans will sing at the morning service.

Lutheran churches of Omaha are planning a union service in commemoration of the Reformation, the meeting to be held in the Auditorium Sunday afternoon, November 1, at 2:30. The choir of all the churches participating will be joined for an elaborate musical program. Addresses on the general subject of the Reformation will be made by pastors and prominent laymen.

The annual meeting and dinner of Calvary Baptist church, Twenty-fifth and Hamilton streets, will be held in the church parlors Tuesday evening. Officers will be elected and reports of committees and officers will be heard.

Owing to the rain of last Sunday evening, the musical program of the sacred concert given at St. Mary's Avenue Congregational church will be repeated in part tomorrow night. Among the numbers will be Dudley Buck's "O Gladstone Light," sung unaccompanied. The musical program follows: "Hallelujah," Organ Prelude—Hymn Celeste.....Prinl Quiret—Sun of My Soul.....Chadwick Solo—"The Lord is My Shepherd".....Liddle "The Lord is My Shepherd".....Chadwick Quartet—O God, Who is Like Unto Thee?.....Verdeletti Offertory—Andantino.....Chaubert Organ Postlude.....Costa
