HADLEY MAY BE CANDIDATE

Republicans Figure on Governor as Vice Presidential Possibility. NOMINEE WILL BE PROGRESSIVE. Success of Wilson or Roosevelt, it is pointed out, would make nomination matter of mere formality.

NEW YORK, Nov. 1.—The selection of a successor to Vice President Sherman as the republican candidate to go before the electoral college in December was the subject of informal discussion today among members of the republican national committee, now in New York. Governor Herbert S. Hadley of Missouri had been advanced as the choice of several members of the committee, but no effort has been made as yet to settle upon a candidate.

NEW YORK, Nov. 1.—The mere mention of a man's name by his friends as a possible candidate for such an office as the vice presidency is highly gratifying, but does not necessarily mean that he is a candidate, said Governor Hadley tonight in answer to the question whether he would accept the nomination as President Taft's running mate if it was tendered him by the republican national committee.

Hadley had rather not answer the question at this time, he said. "The meeting of the committee to fill the vacancy Sherman is called for November 12, several days after the election. It may not be necessary for me to make an announcement at all whether or not I would accept."

ST. LOUIS, Mo., Nov. 1.—The Kimmel claimant failed to prove his identity to the satisfaction of the jury that tonight returned a verdict in favor of Mrs. Edna K. Bonsett, who was suing to collect two \$10,000 insurance policies on the life of her brother, George A. Kimmel, who disappeared in Kansas City in 1888. Mrs. Bonsett was allowed \$20,490, including interest. The verdict was received after the jurors had deliberated two hours.

The claimant, who had whined away the time propounding mathematical questions to the court deputies, smiled slightly and silently walked from the courtroom.

This was the fourth trial of the case. Mrs. Bonsett was before given a favorable verdict in the United States circuit court, but lost an appeal. Twice jurors failed to arrive at a conclusion.

Wilson Has a Night of Talk in New York. NEW YORK, Nov. 1.—It was Wilson night in New York tonight. The democratic nominee for the presidency addressed a big rally in the Bronx and a tremendous outpouring of voters in Madison Square Garden.

Governor Wilson early took occasion to reply to the talk of his opponents that the prosperity of the country would be affected by his election. He pointed to the betting odds on Wall street, so largely in favor of democratic success. This was what he called "my answer in a nutshell" showing he declared, that there is not the slightest prospect of any check in the country's prosperity. The only way the prosperity of the country could be injured, he said, was by the deliberate efforts of Wall street.

Roosevelt, Dixon and Perkins Confer. OYSTER BAY, N. Y., Nov. 1.—With George W. Perkins and Senator Dixon, his campaign leaders, Colonel Roosevelt discussed the political situation tonight for two hours. Mr. Perkins and Senator Dixon took dinner with the colonel. In the afternoon Colonel Roosevelt took the longest walk he has had since he was shot, tramping about the grounds near his home for an hour. He said he felt no ill effects from his trip to New York last night. He is anxious to be riding his horse again, but as his wound is still open, it probably will be some time before he sits in a saddle.

Colonel Roosevelt will go to New York late tomorrow to attend the progressive rally in Madison Square garden for the New York state ticket. He had prepared no speech today, but probably will talk for a few minutes on state issues.

HIGH SCHOOL RUNNERS TO RACE CHURCH BOYS. The Omaha high school cross-country team, composed of Lester Hansen, Coleman Gordon, Carl Engstrom, Gerry and Tod, has accepted a challenge from the team of the United Brethren church. The running will be from the high school north on the boulevard about three miles and back. This will be the first contest of the year for the high school runners and will put them into training for their first big run, which will be with the Young Men's Christian association and the University of Omaha teams.

PROPOSED RAISE OF RATES BY NEBRASKA ROADS HELD UP. WASHINGTON, Nov. 1.—Increases in class freight rates proposed by the Missouri Pacific Railway company between points in Missouri, Kansas and Nebraska, ranging from 10 cents to 25 cents per 100 pounds—an average of about 20 per cent—were suspended today by the Interstate Commerce commission from November 4 to March 4. An investigation will be made.

ST. JOSEPH MAN KILLED BY TRAIN NEAR ABERDEEN. ABERDEEN, S. D., Nov. 1.—(Special Telegram.)—Edward Connor, aged 30 years, who came from St. Joseph, Mo., three weeks ago and secured employment as a farm hand near Stratford, ten miles from Aberdeen, was run over and killed by a train on the Minneapolis & St. Louis road last night as he was walking to Aberdeen. It is believed that Connor fell asleep on the track.

TESTING NEW VARIETY OF WHEAT AT SARGENT. SARGENT, Neb., Nov. 1.—(Special.)—The Burlington Railroad company sent out over Nebraska 350 bushels of a choice new variety of beardless winter wheat, the average of which was sixty-two bushels per acre this year. As an experiment they placed five bushels in each locality selected. Through the influence of R. H. Monroe, the local agent here,

At the Theaters

ATTRACTIONS AT OMAHA. Boyd: "A Modern Eve." Brandeis: "The Goddess of Liberty." Gayety: Extravaganza. Hippodrome: Vandeville. Krug: Burlesque. Orpheum: Valdivilla. Matinees today at the Gayety, Hippodrome, Krug and Orpheum theaters.

"A Modern Eve" at the Boyd. "A Modern Eve," the latest Berlin opera, Brook by George Olenkovski and A. Schoenfeld. Music by Victor Hollander and Jean Gilbert. Entire production staged by Frank Smithson. Under direction of Mort Singer. The cast: Baroness De La Roch Talley.....Miss Arline Holting Count Castell-Vajour.....Harry Dickson Casimir Cascadier.....Alexander Clark

Minister.....John Patton Justin Pontgrain.....Ray Raymond Denny Rutherford.....Louis Kelly Rosie Cascadier.....Miss Marion Roddy Madama Ninthe Cascadier.....Miss Maud Potter

Secretary.....Miss Henrietta Tedro Secretary.....Miss Corwin Harrington Dancers from the Moulin Rouge: Ponette.....Miss Kathryn Hatfield Marguerite.....Miss Marguerite Schaller

"A Modern Eve" shown at the Boyd last evening for the first time—and before a representative gathering of Omaha's theater patrons—is a great, handsome opera, furnished with a fine group of players, who are supported admirably in their songs and in the coloring of the play by a beautiful chorus. The Berlin importation, which has been adapted to America, is richly supplied with book and music, the latter doubtless will be hummed and whistled about Omaha for months to come. The lines in the play are fresh. Most of the music is good, that being another reason the entertainment pleases. The chorus is a well-selected organization. The staging shows that the management has not been stingy in spending money on the show. The costumes are handsome and harmonious in coloring. The cast of leading players is excellent.

Alexander Clark, interpreting the role of Casimir Cascadier, the burlesque henpecked husband, is a comedian of first rank. He looks funny, has funny actions and speaks a bunch of lines that simply force laughter. Co-operating with Mr. Clark to make the entertainment a delight are Miss Henrietta Tedro, as his wife; Miss Arline Holting, as the baroness; Miss Marion Roddy and Miss Maud Potter, as the Cascadier daughters; and Ray Raymond and Louis Kelly, as the Cascadier sons. In the male part of the audience, the play is well received. The play is well received. The play is well received.

Lola, the Sioux Indian girl, who will give a demonstration of mind reading at the Orpheum next week, is considered much more remarkable than Anna Fay. There are no tricks of any kind connected with her work. She merely reads the thoughts of all those who have questions of any kind to ask or request to present them to Lola next week.

Allward, whose selections on the xylophone comprise one of the entertaining features of this evening, is a comedian of first rank. He is remarkably funny in the matter of his instrument and invariably builds his own xylophone. That he builds well is best proven by his success with the unique instrument.

Harry D. Ward, comedian with "The Gay White Way," now playing at the popular Gayety, doubts at times whether he is with the troupe or not, for he sees real life when he looks at the lithographs of himself he finds that although the paper bears his name the chin and nose are not his own. He is a comedian of first rank. He is remarkably funny in the matter of his instrument and invariably builds his own xylophone. That he builds well is best proven by his success with the unique instrument.

Manager Franke of the Krug theater expects one of the largest week day crowds of the season in attendance at Mimer's American this evening. He expects the country store feature. This Friday evening addition to the show each week has been bringing out larger crowds on each succeeding Friday.

Five bushels were secured and planted on the S. J. Penny farm within a mile of the depot. It was planted October 10 and the soil being in perfect condition it came up without delay and is now looking fine and in good condition for winter.

BENTLEY IS NOT INCLINED TO DISCLOSE THE SECRETS. CHICAGO, Nov. 1.—Declaring that information that came to him in his capacity as an attorney is confidential under the ruling of the courts, Cyrus Bentley, former counsel for the McCormick Harvester company, today declined to answer questions regarding conferences held in New York prior to the organization of the International Harvester company, which called as a witness in the government's dissolution suits.

After discussion, witness said he was not present at the meeting in New York July 2, 1902, when preliminary steps for the organization of the International Harvester company were taken.

E. N. Wood, secretary of the International Harvester Company of America, the sales corporation for the allied combination, was called to identify catalogues and price lists sent out to agents between 1902 and 1911, to show that the different lines of machines bearing trade-mark names were advertised separately and that standard prices were maintained.

BULL MOOSE DAY IN MILLS

County Canvassed by Adherents of Third Term Cause. PLAN THAT WORKED OUT WELL. Republicans Precede the Procession and Notify the People of the Coming of the Bull Moose.

GLENWOOD, Ia., Nov. 1.—(Special.)—This has been a bull moose field day in Mills county, and to make it an entire success the republicans took a hand. It was something of a surprise to the bull moose outfit, but the farmers and others enjoyed the situation. The bull moose leaders had planned a party went ahead of the procession to visit a number of towns throughout the county, to make their special plea for the third-term. The rendezvous was at Minneola, from whence the procession moved in state to Silver City, Henderson, Emerson, Hastings, Malvern and Tabor, in the order named. Speeches were prepared for each of these places.

The part the republicans played was simple. In order to make sure that the bull moose outfit got a good crowd and a friendly hearing, a party went ahead of the procession along its advertised route, and put up placards and distributed circulars, so the people might know what it was all about. This feature of the day was really the most successful of the two, for when the bull moose speakers reached a stand they found the audience already prepared for their coming by the perusal of the following:

THE MOOSEBURNERS ARE COMING. IN DECORATED CARRIAGES. THEY ARE THE SUFFERING POOR WITH CALLOUSES APPEALING FOR HELP.

Their automobiles were bought during Taft's administration. The Mooseburners are too high. Cattle, 10 cents a pound; hogs, 8 cents a pound; wheat, 80 cents a bushel; corn, 15 cents a bushel; potatoes, 10 cents a bushel; hay, \$15 a ton; labor, \$2 to \$2 1/2 a day.

They want a change back to the glorious times of 1890 to 1892. They can get this by defeating a pound, 3 cents a pound; they cannot get such progressives as Senator La Follette of Wisconsin, Senator Charles McNary of Oregon, Senator Horace of Idaho, Governor Hadley of Missouri, Governor Deneen of Illinois, but they got such things as William Pilon of Pennsylvania, George W. Perkins of New York, Jan H. Lusk of Ohio, and many trusts, by all means let us help the Great Trust and the Great Harvester Trust and let us get such things as "good trusts" for "Me."

Let us destroy the republican party by a party of our own. This man now says the republican party is only a "bush," but he did not discover this until he got his nomination for a third term. This made it a "bush" by all means let us have 1890 to 1892 repeated.

Let us cease to be thinking men and become blind herd work. Let us have a change back to 1890-1892. Cattle, 10 cents a pound; hogs, 8 cents a pound; wheat, 80 cents a bushel; corn, 15 cents a bushel; potatoes, 10 cents a bushel; hay, \$15 a ton; labor, \$2 to \$2 1/2 a day. Certainly, let the times be reform, or markets or anything else. Give us Teddy and a change. This is shown in the following selections from "his choice thoughts and pious sayings": "We licked 'em to a frazzle." "We landed on their solar plexus." "We slugged 'em through the ropes." "They are all liars, thieves and rogues." "We stand at Armageddon and we fight for the Lord." (In the ring.)

The republicans are ashamed of the party of Lincoln, Grant and McKinley, and now seek its destruction for the sole reason that it refused to give Roosevelt the nomination for a third term.

Washington would not have Grant could have been given the nomination. The mooseburners want Roosevelt about Washington and Grant, and try to give what Lincoln would not have asked for.

Is Roosevelt greater than Washington, Jefferson, Jackson, Lincoln, Grant and McKinley? Shall the old party be destroyed to give one man a Roman holiday?

Hard Work is Done By Creighton Squad. With the big game with St. Louis university at hand Coach Miller of the Creighton foot ball team is working his men to the limit. The entire squad has been kept on the field until after dark every afternoon, and Miller has developed a series of trick plays not worked over the fact that St. Louis is not to have their trick plays tabulated. Although practice has been held behind locked gates for the last few weeks, it was reported that Creighton's plays were being watched. It was said that St. Louis scouts attended the Marquette game.

The team is in condition with the exception of Levey, who is suffering from a minor injury. The men have entirely recovered from the grueling battle of last Saturday, and are anxious to score their first victory over St. Louis. The backfield is showing the dash and snap which distinguished its work in the Marquette game, while Miller runs the team with precision. The line has been given particular attention this week, and shows great improvement.

Coach Miller has had the help of Eddie Creighton and Otis Morganthaler, two former Creighton star linemen.
