

Our salesmen are treated well enough to treat you well
 and you can come in, look around, try on garments to your heart's content, leave without buying if you wish, and the salesman who has attended you will not be berated for his failure to force upon you a garment you may dislike. You have the benefit of the same high class store service during a special sale at this store that you have at any other time. No "slap-stick" methods here.

Extraordinary Sale Of Men's and Young Men's Hand-Tailored

Alterations and deliveries free during this great sale.

This store prides itself on its fairness to patrons. A garment that needs altering needs it as much during "sale" time as during regular season. This store values the fit and appearance of its garments, no matter if it is selling them at reduced prices—and it does not think it is right to squeeze a few dimes out of you, just because you'll stand it. Same way with deliveries. Therefore, there are no extra charges for these things here.

QUALITY SUITS and OVERCOATS

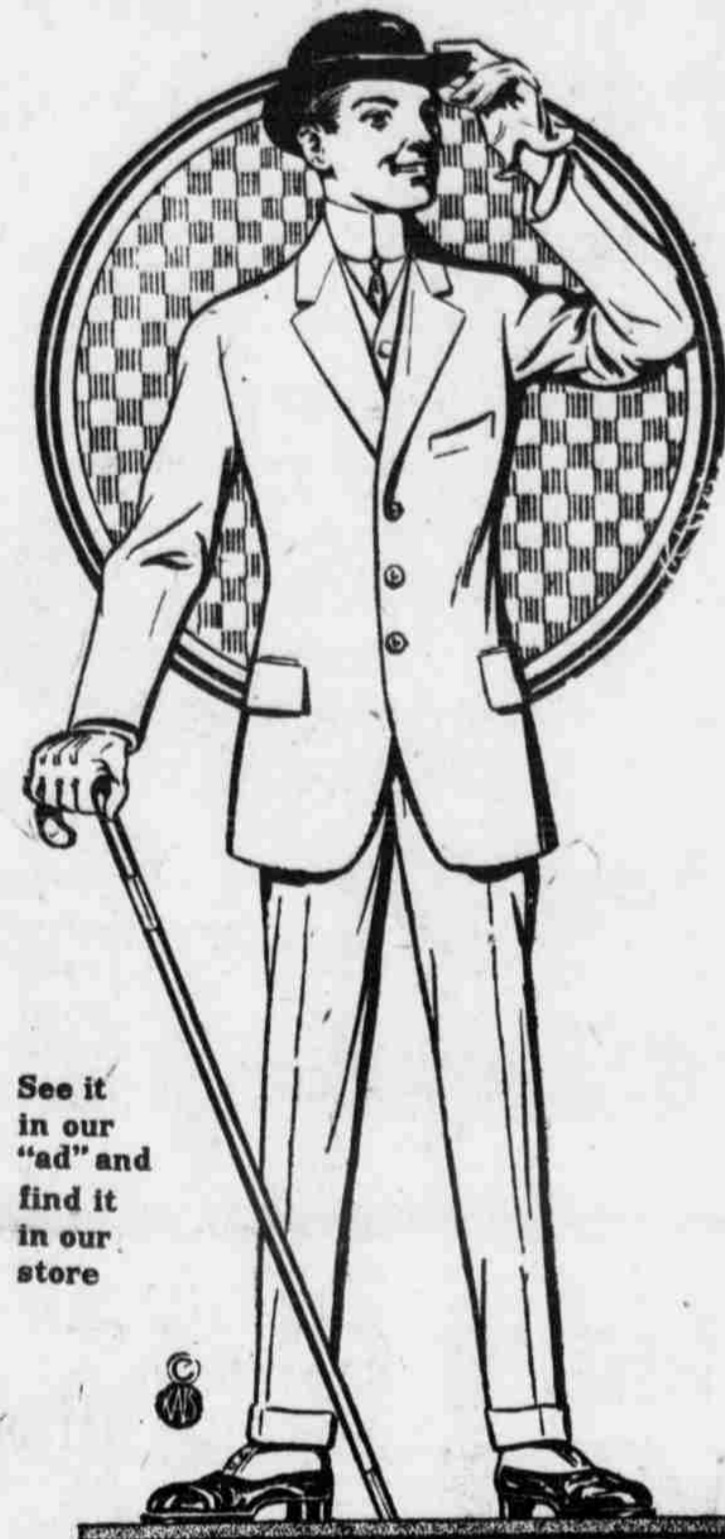

Starts Wednesday, Nov. 13 at This Store

Each season we accumulate a considerable number of broken lots. These we offer at reduced prices in January or July. This season's business has been very brisk, owing, no doubt, to a great improvement in our buying methods, a far better selected stock than heretofore, which have made the small lots accumulate much faster than usual. We have decided to throw precedent to the winds and offer these to the buying public now—when the season is at its height and the need is most apparent.

We now offer several thousand of our famous Quality Suits and Overcoats at ridiculously low prices.

In considering the merits of this sale, you should consider the class of garments this store handles and not lose sight of the fact that we never sell "shoddy" clothing—that these are not specially purchased garments marked at fictitious prices and then reduced for special sale (!) purposes. Also remember that we handle no "job lots" or "seconds," that the garments are all this year's models, and that the most careful dresser can come here and procure a strictly stylish suit or overcoat of standard quality at a price far below that usually asked for the commonest kind of clothing.

- Regular \$40, \$35, \$30 Suits and Overcoats, at **\$23**
- Regular \$25 Suits and Overcoats for **\$16**
- Regular \$20 and \$18 Suits and Overcoats for **\$11**
- Regular \$15 and \$12.50 Suits and Overcoats, for **\$9**
- Regular \$10 Suits and Overcoats, for **\$6**

WATTLES AGAINST A CHANGE

Says His Company Will Resist Stopping on Near Side of Street.

McCAGUE ARGUES FOR THE PLAN

Cites Statistics to Back Up His Assertion that Most of Large Cities Are Now Stopping Before Crossing is Reached.

Gordon W. Wattles, president of the street railway company, told the executive committee of the Commercial club yesterday noon that the automobile dealers and owners of the city are back of the move to get the cars stopped on the near side of the street and that the street car company would hesitate in being dictated to by them.

Mr. Wattles said that the communications of the Commercial club, which contained approval of the move to stop cars on the near side by the Automobile Auto Motor club, the city officials and others had not reached him until recently, when he returned from the west and that he had not had time to consider the proposition as to it was thus put up to him. He cited examples of other cities, where cars stop on the far side and declared that the Omaha street railway company did not want to stop

its cars on the near side, because of the confusion such a change would cause. He said that it would take at least five years for the company employees and the people of Omaha to get used to the change and the inconvenience and confusion consequent of that would make it unworthy of the change.

Debate Waxer Warm.
 While the meeting of the street car company officials and the executive committee members was entirely affable, Mr. Wattles and John L. McCague, who represented the Commercial club municipal affairs committee and the public utilities committee in the proposition of changing the stopping points of cars, placed considerable emphasis on their respective points in the argument.

Mr. McCague named over a list of about forty-five cities with which the club has communicated and cited five out of the number where the street cars are stopped on the far side of the street. He also had statistics on accidents, which he brought in to emphasize his stand.

Because of the fact that communications had been sent to Mr. Wattles' office, while he was absent from the city, the executive committee of the Commercial club referred the proposition of changing street car stopping points back to the municipal affairs and public utilities committees, without action upon it. The latter committees will be allowed to take whatever steps are found necessary for the change or against it, together with the question of owl car service in Omaha.

Peculiar Dispatches Lead to an Inquiry

GRAND ISLAND, Neb., Nov. 12.—(Special.)—The police department is mystified over the actions of a stranger who was in the city the latter part of last week, and in connection therewith reports appearing in an Altoona, Pa., paper of last Friday. The stranger, who gave the name of Gill, "assistant supervisor," telegraphed to Altoona parties relating to the death of Jacob J. Reins, as the result of falling from a Pullman palace car. No one fell from a palace car in this vicinity and no death of any one else, by accident has happened here. The police officials of Altoona have wired here and the local police have answered that there was no foundation for the story. The Altoona paper further quotes local parties as having telegraphed the fact of the death whereas such local parties absolutely know nothing about it. The man filing the telegram here was so nervous at the time that the telegraph operator was compelled to write the message for him, but insisted on the man signing it. Further information is being awaited at Altoona and the local officers are inclined to the belief that an attempt may be on foot grossly to deceive someone or possibly to defraud.

DISTRICT COURT SITS IN CUSTER COUNTY

BROKEN BOW, Neb., Nov. 12.—(Special.)—The criminal term of district court convened here Monday, with Judge Hostetter presiding. Several important criminal cases are to be tried during this term. The most prominent among them being the Bayers murder case, which was continued over from the last jury term. This case involves the shooting of Joe Teahon, a former resident of Anselmo, by Frank Bayers, a 19-year-old boy, also residing in that locality. The shooting occurred on March 27 of this year, the cause leading up to it mainly appearing to be family troubles. The case has attracted unusual attention by reason of its peculiar nature and promises to be very exciting. About forty witnesses have already been subpoenaed, each side having about equal number. The case has been called for Wednesday of this week.

SUTHERLAND'S BUSINESS DISTRICT DESTROYED BY FIRE

SUTHERLAND, Neb., Nov. 12.—(Special.)—Fire last night destroyed half a block of buildings in the business district of the city, entailing a loss of \$13,000. The town is now without hotel or restaurant accommodations. The losers are: Elmer Peyton confectioner \$2,000, insurance \$1,500; H. A. Luckey, clothing, \$1,000, insurance, \$1,000; Yates, clothier, \$300, covered; Bonham restaurant building and fixtures \$2,100, insurance \$1,800; H. Jorgensen, hotel, \$3,000, covered; S. A. Thomas, building \$5,000, insurance \$1,000; Fred Pierson real estate, \$100; A. Morris, barber shop \$100, no insurance. The fire started about midnight, supposedly in the confectionery store.

Dr. Clark of Milford Accidentally Shot

MILFORD, Neb., Nov. 12.—(Special.)—A Sunday hunt came near proving fatal to Dr. Clark, a veterinarian of Milford, who, in company with his brother-in-law, by the name of Robbie, rode out into the country. Arriving at a strip of woodland along Coon creek about a mile southwest of Milford the doctor got out of the buggy to investigate the surroundings. A few moments later Robbie dismounted from the buggy and placed some shells in his gun and in recovering his piece the gun was discharged, the contents of the shell was deposited in the doctor's hip, making a frightful cavity and shattering the hip bone. He was taken to his home and at last reports his recovery was uncertain.

Nebraska Alumni Will Attend Banquet

LINCOLN, Neb., Nov. 12.—(Special.)—Hundreds of alumni of the University of Nebraska will attend the first home coming banquet at the Lincoln hotel Saturday evening, November 16. This will be immediately after the Kansas-Nebraska football game and a large crowd is expected from Omaha.

Dress suits are under the ban. The banquet will be entirely informal. A number of important questions connected with the state university will be discussed "within the family circle."

David City Woman is Burned to Death

DAVID CITY, Neb., Nov. 12.—(Special Telegram.)—Mrs. J. M. Carlisle, who was burned Monday afternoon by an explosion of gasoline, died early this morning. She became unconscious soon after the accident and it is not known just how it occurred as she was alone at the time. She leaves a husband, one son and one daughter.

O'MALLEY WINS CONTEST IN FORTY-EIGHTH DISTRICT

GRAND ISLAND, Neb., Nov. 12.—(Special.)—A net change of 100 votes in favor of O'Malley was the result of the recount on the Slusser-O'Malley vote for representative. In gross figures errors running to 226 were found in twenty-one precincts. The recount settles the tie, but rather acutely unsettles the public mind as to the accuracy of the count. The gains made by O'Malley on the recount are largely but not wholly attributed to the failure of the election boards to count all of the socialist vote for O'Malley. Mr. Slusser will not contest. There are no other votes for county office close enough to have the net result affected by the errors, should such exist as to other candidates.

Attempt to Rob Humboldt Saloon. HUMBOLDT, Neb., Nov. 12.—(Special.)—Thieves broke into Al Schaeffer's

saloon at an early hour yesterday morning and after breaking off the combination of the safe left. The discovery was made at daybreak when the sheriff was notified, who, with posse and bloodhounds are in pursuit of the thieves.

BUSINESS HOUSES IN SUTHERLAND BURNED

SUTHERLAND, Neb., Nov. 12.—(Special.)—Fire this morning destroyed the Sutherland hotel, Yates & Luckey's clothing store, the Bonham restaurant, Prutton's confectionery, Pierce real estate office, and the Morris barber shop. The loss is partially covered by insurance.

The Persistent and Judicious Use of Newspaper Advertising is the Road to Business Success.

NO VERDICT REACHED IN BIG DAMAGE CASE

CRESTON, Ia., Nov. 11.—(Special.)—Federal court adjourned yesterday after grinding out a large grist. The Overton case against the Chicago Great Western Railroad company, in which large damages were asked for loss by fire, will have to be tried over at the next term of court, as the jury failed to agree after being out fourteen hours.

Charles Soward, the man who was arrested last August at Clarinda on the charge of impersonating an officer and who it was thought might have been implicated in the Villisca murder case, was released after being held in jail here since that time. The charges lodged against him were ignored by the grand jury, and as the officers have become thoroughly

convinced that he was a harmless person and not connected with the tragedy, he was released. The man was given some money and he said he would return to Clarinda.

Jack Brown of Albia was fined \$50 and costs for violations of the postal laws. Oscar Tellers of Pleasanton, Ia., was fined \$25 and costs for bootlegging after pleading guilty to the charge. He had no sooner reached home than officers again arrested him on another count for the same charge.

Booth Rescue Home Opened.
 COLUMBUS, O., Nov. 11.—The General Booth rescue home of the Salvation Army of this city, the first in the country to be dedicated to the memory of the recently deceased leader of the organization, was opened here tonight with elaborate ceremonies. Governor Harbo was the chief speaker of the evening. Many of the leading members of the Salvation Army were present.

SHIP SUNK, TROUBLE REPORT.
 Account Says Re Umberto Driven on Rocks—Tugboat Blown Up.

CONSTANTINOPLE, May 2.—The Italian battleship Re Umberto, which had been conveying landing expeditions in Tripoli, has been driven on the rocks by a storm. She sank on the coast near Zaur.

The Re Umberto was built in 1887, and carried a complement of over 700 men. She was 400 feet long and 77 feet in beam, drawing 25 feet of water. Her armament included four 12.5-inch guns. Zaur is on the northwest coast of Tripoli, near the Tunisian border. Shoal water and rocky patches extend along that coast for half a mile off shore, making navigation hazardous.

CLEVER ELSIE

"Mamma, why did you say must't must't?"
 "Because you must't."
 "You mean because I can't. That's why I like these Sunshine Takhomas—they're the first soda crackers I've ever had that break so nice in the middle and can't cause up over, ting with crumbs."
