Favors Near Side Stop of Street Cars

Resolved. By the municipal affairs con mittee of the Commercial club of Omaha, in Joint conference with the public service corporation committee, that we favor the passage of an ordinance by the Omaha at least one hour and one-half to stack The statement was required to be filed city council, requiring the street railway was taken out of the sacks, stacked Monday, but none was filed until today, on the first side of the street to take on racked and cancelled in twenty-seven. The largest item in the "extrs" bill, and let off passengers. This ordinance being necessary to facilitate public traf-fic and to prevent as much as possible danger or accident of personal injury.

The reports of the municipal affairs and public service corporations committees of the Commercial club were thus endorsed by the executive committee of the club at the weekly meeting yester-

The entire time of the meeting was taken up with the presentation of the near side stopping proposition by chairmen of the two subcommittees.

Following this action it was announced the Commercial club will drop the matter until some action is taken by the city ouncil. That such an ordinance may be passed immediately if it is found that the people of Omaha want a change of stopping points for street cars was suggested in a carbon copy letter from Comdissioner Ryder to President Wattles of the street railway company, read before

Commissioner Ryder has favored near side stopping, he says, from the first, and, since the investigations of the Com-mercial club have strengthened his opinlons, he will seek the immediate passage of the ordinance.

The damage money was for the wrecking of Seafus machine.

The accident occurred a year ago. Swanson and a relative were driving near Elkhorn. Seafus, who had been in Omaha, was homeward bound. The cars met on a curve. Swanson's skull was fractured. He died two weeks later.

Scafus and occupants of his car said e was proceeding slowly and carefully. He filed a \$1,000 claim against the estate. Swanson's friends declared Seafus was at fault. Seafus and heirs of Swanson effected a compromise on \$450.

Poet Has Heap of Trouble Over Rent

Troubles are not coming singly for C. A. Poet, owner of an automobile electric generating plant. Mr. Poet formerly had quarters with the Auburn automobile agency. Through some business disagreement the landlord ejected Poet's generating plant for alleged nonpayment of rent. Just as Mr. Poet was about to find other quarters and get into shape to accommodate patrons again the plant was attached by two former employes, who started a suit in county court for alleged unpaid wages. The suit will be tried in county court next week. The wage claimants are Otto Carison, who says he has \$21.82 coming, and Joseph Tails, who claims \$42.

WO TRACKS SOON TO BLOCK THE DUNDEEITES

The patient Dundeeltes who for many years have been suffering from Saharalike duststorms at the Missouri Pacific tracks at Forty-sixth and Dodge streets, who have also been forced to miss important engagements and hot suppers, by the Missouri Pacific trains' unhappy faculty of stopping midway across the street car tracks, have been looking forward to the time when this road would show a little mercy or be compelled to build the much-talked-of viaduct across the low point, which is the cause of more comment and more mumbled profanity than probably any like spot in Omaha. But instead of complying with the wishes of the populace the magnates have ordered an installation of a double track at this point, thus doubling the agony of the common people.

Will Give the Medicine You Give the Time

A Few Days Will Be Sufficient to Prove You Are Curable

A few minutes of your time for a few days and I will demonstrate to you, without expense to yourself, that I have a medicine that drives Uric Acid poison from the system and by so doing cures kidney trouble, bladder trouble and rheumatism. I don't ask you to take my word for it, but simply want you to let me send you some of this medicine so that you can use it personally.

I am trying to convince sufferers from these diseases that I have something far better than the usual run of remedles, treatments and such things, and the only way I can demonstrate that fact is to go to the expense of compounding the medicine and sending it out free of charge. This I am gliad to do for any sufferer who will take the time to write me. Understand, I will not send you a so-called "sample, proof or test treatment," nor will I send you a package of medicine and say that you can use some of it and pay for the rest, but I will send you a supply free of charge and you will not be asked to pay for this gift nor will you be under any obligations.

Ail I want to know is that you have a

stiff nor will you be under any obligations.

Ail I want to know is that you have a disease for which my medicine is intended, as it is not a "cure-all," and I give herewith some of the louding symptoms of kidney, bladder and rhedmatic troubles. If you notice one or more of these symptoms you need this medicine, and I will be glad to send you some of it if you will write me the numbers of the symptoms you have, give your age, and your name and address. My address is Dr. T. Frank Lynott, 20st Deagan Building, Chicago, Ill. You promise me nothing, you pay me nothing for it. All I ask, so there shall be no mistake, is that you send me the numbers of your symptoms or a description in your own words, and that you take the medicine according to the directions I send you. It is my way of getting publicity for my medicine so that it will become widely known.

You will agree when you have used it that it dissoives and drives out are acid.
