

DR. PRICES' CREAM BAKING POWDER

A Pure Cream of Tartar Powder

Dr. Wm. Sedgwick Saunders, Medical Officer of Health of the City of London, Eng., was good enough to say that a long and universal experience has proved a cream of tartar powder the most efficient, safe and economical, making food which could not be deleterious to the most delicate stomach.

In England the sale of baking powder containing alum is absolutely prohibited.

WHEN BUYING BAKING POWDER, READ THE LABEL.

STREET CAR FIGHT ENDORSED

Real Estate Men Enter Campaign for More and Better Service.

FIGURES ON VALUE DESIRED

Resolutions Are Adopted Favoring Law to Fix Physical Worth of Corporation to Be Used as Basis for Demands.

The Bee's campaign for more street cars was endorsed by the Omaha Real Estate exchange in a resolution presented to the body by C. F. Harrison, in which he asked that in order to comprehend the reasonableness of requirements asked of public utilities, a physical valuation of the corporations be made.

The resolution was referred to the public utilities and legislative committees of the exchange with the request that an early report be made.

In commenting on the resolution, Harrison said that patrons of public utilities do not know the physical conditions of the corporations of which they ask favors or demand improvements and therefore do not know whether their requests or demands are reasonable, very inconsequential or too great.

Do Not Know Conditions.

"We do not know," he declared, "whether 30 cents a kilowatt hour, or whatever rate the Electric Light company may make, is exorbitant or barely a profitable revenue. For these reasons I present this resolution favoring the physical valuation of corporation with the recommendation that it be referred to the public utilities and legislative committees of the exchange and a report made on it by them as early as possible that the exchange may adopt it." The resolution reads:

Resolved, That we commend the propaganda instituted by The Bee for better street car service.

We, however, believe that the reasonableness of requirements made upon public utility companies can be intelligently determined only upon a full knowledge of their financial affairs; therefore, be it

Resolved, That we favor a law providing for the physical valuation of the property of all public utility companies.

Urges Omaha to Wake Up.

John L. McCaughey was the principal speaker before the exchange. He pleaded that the exchange "wake up" to the opportunities of boosting Omaha, declaring that "Omaha has arrived" and it is time for the business men to help plan for future growth.

"You have many things to settle for this city," he said, "and then the dollars will come to you as a natural consequence. You have to look out for your own business, but you must look out for the city. The city commissioners, although some of us may not have favored their election, are rendering good, faithful administration and should be supported by the business men. When they ask us to increase the police force, provide public playgrounds and bring about a more moral and cleaner city we should help. The Real Estate exchange should take a part in the forward march. The Commercial club is doing great things for the city, the Ad club and Rotary club are in line with the progress and the Real Estate exchange should wake up to its opportunities.

More Add Names to Publicity Bureau

The total list of subscribers to the support of the publicity bureau now numbers sixty-nine. Nine more names have been added to the list in the last few days. They are the Payne Investment company, Benson & Myers Realty company, E. L. Dodder, N. P. Swanson, D. J. O'Brien, Midland Paint and Glass company, J. N. Frazier, Twin City Express company and the Cudahy Packing company.

Auditorium is Sued for Skating Injury

Roller skating at the Auditorium is the cause of a \$30,000 personal injury damage suit instituted against the Auditorium company by Nellie Hiby in district court. She says while skating she fell down and was skated over by other patrons. She says this happened because the company negligently permitted "rough" skating.

COLLECT CUSTOMS DUTY HERE

New Order Makes Omaha Exchange Office for Entire State.

C. N. DIETZ THE MOVING SPIRIT

When Package Contained to Him Was Held Up in Chicago He Took Up Matter with President Taft.

Omaha has been made an exchange office for the collection of customs duties on articles shipped from foreign countries to designations in Nebraska. This announcement has just been made by Customs Official Cadet Taylor. It is the direct outcome of a complaint filed with the president by C. N. Dietz of Omaha.

Mr. Dietz had a small package shipped to him from England and it was held up at Chicago for duties. Mr. Dietz refused to pay unless the package was sent to the local customs office in the federal building. The Chicago customs officials refused to do this and the matter was taken up with President Taft.

Hereafter when articles are consigned from foreign countries to any place in Nebraska, they will not be held up at New York or Chicago, but will be sent to the postmaster at Omaha, who will turn them over to Cadet Taylor. Mr. Taylor will collect the customs duties. This new order will make at least 5,000 additional packages for the local customs office to inspect.

Butler Has Scheme to Win Over Women

Gas Commissioner Joe Butler says crocheting is a science and athletic pastime and is much more exhilarating than golf. "While I didn't want the public to know that I had gone in for this so-called feminine work," said Butler, referring to the report that he is the pupil

of Mrs. Katherine Drummy. "I will frankly admit now that learning to crochet is part of a scheme I adopted when the suffragettes became so active."

"I'm a bachelor, and so have the reach on some of these other politicians. Also, I am ambitious. Sometime, I foresee, the women in Nebraska will be allowed to vote. When that time comes I will be prepared. Being young, good looking and knowing how to crochet, sew, cook and everything I am counting on swinging the big majority of the suffragette vote of the state. I have some high office in mind."

Butler says he will perfect himself in the art of crocheting, and will then take up other domestic arts and sciences. The only thing he has balked on so far is drinking tea. He insists that tea is a substitute and that any red-blooded man who would sit and drink it hour by hour, unless it was spiked, is a dangerous

citizen, full of black plots and ambitious schemes.

Loyal Moose Lease Omaha Racquet Club

The quarters of the Omaha Racquet club, 416 South Seventeenth street, have been leased for five years to the Loyal Order of Moose. The Omaha Racquet club soon will disband to merge with the Omaha club, which is going to spend \$20,000 to install squash courts and other pleasure features at its house, Twentieth and Douglas streets. The old quarters, back of the Young Men's Christian association building, will be altered and equipped for lodge rooms by the Moose.

Madam! If You Don't Feel Right Take Delicious "Syrup of Figs"

Waste-clogged bowels, torpid liver and decaying food in stomach cause the sick headache, gas, backache, sallowness, biliousness and indigestion.

All women get bilious, headachy and constipated—simply because they don't exercise enough. They don't eat coarse food or enough fruit and green vegetables. Those are nature's ways of keeping the liver and thirty feet of bowels active; but very few women employ them. The next best way is delightful, fruity Syrup of Figs.

Nearly all ills of women can be overcome with Syrup of Figs alone. There is no need to have sick headache, backache, dizziness, stomach sour and full of gases, bilious spells, sallowness, coated tongue, bad breath, bad complexion, nervousness and depression. The surest and safest remedy is one of two teaspoonfuls of delicious Syrup of Figs. Try this tonight—'you'll feel splendid in the morning when

the sour bile, clogged up waste and poisonous matter have been gently but thoroughly moved on and out of your system, without nausea, griping or weakness. Your head will be clear, complexion racy, breath sweet, stomach regulated; no more constipation, gases, pains and aches. It is simply a matter of keeping your stomach, liver and bowels clean and regular. Then you will always be well—always look and feel your best.

But get the genuine—the old reliable. Ask your druggist for "Syrup of Figs and Elixir of Senna." Refuse, with contempt, the so-called Fig Syrups sometimes substituted to fool you. The true genuine bears the name California Fig Syrup Company; look for this on the label—Advertisement.

One Divorce Suit Filed—Nan A. Baumer has sued Edward A. Baumer for divorce.

Money and Furs Gone—Thieves entered the room of J. F. McCauley at 329 North Nineteenth street, Tuesday and stole a purse containing \$17.

Parish Talks at Emerson—Manager E. V. Parrish of the publicity bureau talked "Omaha" Tuesday night at a meeting of the Emerson (Neb.) Commercial club.

Officers on Inspection Trip—Lieutenant Lorschough of the navy recruiting station, leaves Sunday on an inspection trip to Des Moines, where he will swear in several recruits, who will be sent to the Pacific coast.

Cribbage Board Stolen—Carl Swanson, of Eldora, Ia., stopping at the Paxton, has reported to the police the theft of a valuable cribbage board from his room at the hotel. The board was purchased in Nome, Alaska, and is worth \$25.

Jury List for January—United States Attorney F. S. Howell has instructed Marshal Warner to draw up a jury list to serve during the month of January. Judge W. H. Minger has over forty cases on the docket and wants to clean them up before the April term of court.

Michigan Society to Stop Here—The Michigan Society of Oregon has accepted an invitation to visit Omaha, when enroute to the Michigan convention in Ann Arbor and Detroit in June, 1913. About 800 members of the society will stop off in Omaha for a few days' visit.

To Standardize Postal Cars—F. D. Johnson, assistant superintendent of the railway mail service, Fourteenth district, left for Washington Tuesday night, where he will meet with the other members of the car committee which takes up the question of standardizing the railway postal cars.

Officers to Take Monthly Hike—The monthly hike of the officers at the navy recruiting station, which is required by bureau of navigation, will be held next Tuesday. On this day Lieutenant Lorschough and Acting Assistant Surgeon Cookman, will walk ten miles. They must do this in four hours.

Gifford to Indianapolis—Ward Gifford, assistant commissioner of the Commercial club, left last night for Indianapolis, where he has been summoned to testify in the dynamite conspiracy case. He will tell of dynamiting in Kansas City, information about which he secured while a reporter for the Kansas City Post.

Wants to See the World—Lesse Foster, who has for several years traveled around the United States with two of the largest circuses as a musician now wants to see the rest of the world. He says he has seen all of American, Canada and Mexico and wants to cross the big waters. He joined the navy Tuesday and was sent to the Pacific coast.

Smith to Land Show—Robert A. Smith, head of the Union Pacific advertising department, has gone to Minneapolis to look in on the Northwestern Land show now being held there. He will probably gather up a lot of exhibits from Harriman railroad territory in the northwest and later show them in Union Pacific headquarters here and elsewhere.

Technical Club to Meet—The Omaha Technical club will hold a meeting at 8:30 o'clock, November 25, at the Paxton hotel, where a program will be given following a banquet. The speakers will be John W. Towle, "Observations of European Engineering and Architectural Structures;" P. H. Patton, "Telephones;" G. E. Pfisterer, of St. Louis, "Chain Gates and Coal Handling Apparatus."

All to Be Ready for Exposition—Union Pacific advices from San Francisco are to the effect that work is progressing rapidly on the exposition buildings there and indications are that everything is going to be in readiness for the opening in 1915. The total subscriptions to date aggregate \$7,448,790, of which 28 per cent has been paid. Up to date the buildings and grounds committee has expended \$28,342.

Want Grain Rate Published—Perhaps

the most important case to be heard by H. B. Henderson, special examiner for the Interstate Commerce commission, is that of the Omaha Grain Exchange against the Burlington Railway company this morning. The Grain exchange is petitioning the Burlington and the Great Northern to publish a joint rate between Billings and Great Falls, Mont., to Omaha on grain shipments. The outcome of this case is being eagerly awaited by the various grain men in Omaha.

FINE SOD GRASS GROWING ALL OVER THE SAND HILLS

The sand hill country of Nebraska will surely be covered with a fine grass sod some time in the future, according to J. Blowers of Arnold, Custer county, who is in Omaha attending the Scottish Rite reunion. Mr. Blowers says when he went to Custer county in 1886 there were thousands of acres that had no grass except the scattered bunches of bunch grass. Today on these same tracts of ground a light soil has formed and a short grass covers the ground. "The bunch grass is still there," says Mr. Blowers, "but between the scattered bunches a finer grade of grass has sprung up and is furnishing a great amount of grazing for the stock."

Nebraskans at the Hotels.

R. W. Robinson of Burlington is stopping at the Millard. Sretta Williams of Florence and Mrs. G. H. Rogenslager of Bierner are guests of the Paxton.

Mrs. T. E. Williams of Aurora is at the Henshaw. J. H. Wooley of Grand Island, W. W. Widman of Peru, R. H. Templeton of Tekamah, Mr. and Mrs. John Finnegan of Lincoln and A. E. Younggren of Elgin are stopping at the Merchants.

Union Pacific to Begin Building in the Early Spring

Work of grading for Union Pacific tracks skirting Carter Lake park has been started by Park Commissioner Hummel. The Union Pacific has agreed to move its tracks, now in the area to constitute Carter Lake park, to the edge of the park at its own expense. The city to do the necessary grading. The removal of the tracks will cost \$2,000.
