

THE SOCIETY OF THE BEE-HIVE

By MELLIFICIA. Monday, Dec. 2, 1912.

The father of one of the debutantes is rivaling the youthful bachelors, as far as popularity goes, with the young people. When Mrs. D. A. Baum gave two debut teas for her daughter, Margaret Greer Baum, the latter part of the tea Mrs. Baum assisted in receiving the guests.

Mr. Baum made a decidedly popular impression and Saturday, when Miss Katherine Thummell made her debut, Mr. Baum had the honor of being the only man invited to the tea. However, Mr. Thummell decided that he had been missing something, and he was in the receiving line, and not even the debutantes had a more enjoyable time than Mr. Baum and Mr. Thummell.

Mr. Baum has been host at several informal little parties for his daughter, and the young people say he is one of the most entertaining and delightful hosts of the city.

Tea for Mr. Blasfield.

Mrs. Arthur Christian Smith was hostess at an interesting tea this afternoon from 4 to 5 o'clock at her home on Park avenue in honor of the eminent artist, Mr. Edwin H. Blasfield of New York. Mr. Blasfield, who will give a lecture this evening under the auspices of the Omaha Society of Fine Arts, is visiting Mr. and Mrs. Thomas R. Kimball.

The rooms were beautifully decorated with cut flowers. Chrysanthemums were used in the music room and carnations and pink roses in the dining room. A mound of red roses formed the centerpiece for the table in the dining room. Tea was served by Mrs. Clement Chase, Mrs. Warron Blackwell, Mrs. Leonard Everett and Mrs. Louise Childs.

Assisting through the rooms were Mrs. George Voss, Mrs. Charles Offutt, Mrs. C. Will Hamilton, Mrs. Floyd Smith, Mrs. Thomas R. Kimball and Mrs. C. W. Russell.

The guests at the tea included men as well as women.

Baby's Voice

Every woman's heart responds to the charm and sweetness of a baby's voice, because nature intended her for motherhood. But even the loving nature of a mother shrinks from the ordeal because such a time is usually a period of suffering and danger. Women who use Mother's Friend are saved much discomfort and suffering, and their systems, being thoroughly prepared by this great remedy, are in a healthy condition to meet the time with the least possible suffering and danger. Mother's Friend is recommended only for the relief and comfort of expectant mothers; it is in no sense a remedy for various ills, but its many years of success, and the thousands of endorsements received from women who have used it are a guarantee of the benefit to be derived from its use. This remedy does not accomplish wonders but simply assists nature to perfect its work. Mother's Friend allays nausea, prevents caking of the breasts, and in every way contributes to a strong, healthy motherhood. Mother's Friend is sold at drug stores. Write for our free book for expectant mothers.

RED CROSS SEALS ON SALE

Three-Quarters of a Million Stickers Are Allotted to Nebraska.

MANY MERCHANTS ARE AGENTS EIGHT CENTS NOW THE LIMIT

Objection Raised by the Bee to the Nine-Cent Rate Has Forced the Dealers to Abandon Larger Rate for the Present.

Over 400,000 red cross seals were placed on sale in the state yesterday morning. Mrs. K. R. J. Edholm, secretary of the National Association for the Study and Prevention of Tuberculosis, who has charge of the seals, says that before Christmas over 2,000,000 of these stickers will have been placed on the market in Nebraska.

In Omaha alone over 200 merchants started selling the little red stamps, the proceeds of which will be turned over to Miss Sturtz, in charge of the dispensary in Jacob's Memorial hall, Seventeenth and Dodge streets. The Nebraska Graduate Nurses' association has agreed to sell 1,000 worth of the seals.

The various merchants and individuals in the city who sold the stamps last year have doubled their orders this year. Last year but 149 Omahans sold red cross seals and over sixty additional will sell them this year.

Health Commissioner Connell has drafted an ordinance increasing the butter fat test from 2 to 2.5 per cent. A measure that is bitterly opposed by dairymen. "I don't care what price you get for the milk you sell," Dr. Connell has told the dairymen, "but I'm going to see that you sell good, pure milk."

It is probable before this ordinance is introduced a committee from the dairymen's association and the health department will investigate dairies in the city to determine if assertions made by the dairymen that some cows will not give milk testing 3.2 per cent butter fat is true.

FINGER PRINT EXPERT STOPS OFF IN OMAHA

J. M. Barton, hospital steward of Washington, has arrived in Omaha, where he will spend several days with the local Navy department. Mr. Barton, who is also a government expert in the taking of finger prints, has been detailed here from the navy headquarters in Washington to instruct those in command of the proper methods of taking the prints. Mr. Barton's system is one of the most thorough and adequate of this art of identification, and he expects to have the local officers thoroughly acquainted with his methods before leaving for the coast, where he will repeat his instruction in the larger cities.

ACCIDENTAL BULLET FATAL

Boy Shot at Omaha Gun Club Grounds Dies in the Bluffs.

BENEFIT FUND TO BE RAISED

Shoot Will Be Held Saturday and Sunday and Proceeds Will Be Given for Benefit of the Stricken Family.

Thomas Orr, the lad who was accidentally shot by a companion on the Omaha Gun club grounds near the east end of the Douglas street bridge "Thanksgiving evening, died Sunday morning in Mercy hospital, Council Bluffs. The fatal bullet was fired by Harry Duffield, 14 years old, son of a Council Bluffs sign painter, who is an Omaha messenger boy for the Western Union Telegraph company.

Members of the Omaha Gun club have become deeply interested in the case, especially in view of the fact that the dead boy was the oldest of a fatherless family, and his mother relied upon him to an extent for support.

Fund Will Be Raised

F. T. Lovering, secretary of the club, has taken it upon himself to raise a fund for the stricken family, and toward that end is arranging for a benefit shoot to be held probably next Saturday and Sunday. All of the proceeds of the shoot will be turned over to the family, and in the event that none of the members can find it convenient to participate they are urged to make cash donations.

The merchants are asked by Mr. Lovering to make donations of articles that should be suitable for prizes to make the shoot as attractive as possible.

Shooting is Accidental

The accident, which proved fatal to young Orr, occurred on the grounds at dusk last Thursday evening, after it had become too dark for the club members to continue the shoot that had been in progress during the day. Duffield went to the club house and borrowed a rifle, with which the boys were going to have some sport. While a group of the boys were standing together on the grounds the rifle, in the hands of Duffield, was discharged and the bullet struck Orr in the chin and lodged in the back of his head. Club members took charge of the injured boy, called a doctor and had the patient removed to Mercy hospital, where he died without having regained consciousness.

Dr. Henry Tells of His Talk With Teddy

"Colonel Roosevelt is strongly in favor of keeping the progressive party distinct," said Dr. W. O. Henry of Omaha, who has just returned from New York, where he spent several weeks, in the course of which he had a personal chat with Colonel Roosevelt.

"I saw the colonel a few minutes after he had delivered the speech to the New York progressive committee," says Dr. Henry, "and I had a little chat with him that evening. He is very enthusiastic and is greatly pleased with the big vote he received November 5. Colonel Roosevelt says we are in the field to win, and it is only a question of time. In the meantime he says it will be our work to keep the forces together preparatory to making the fight in the future."

As to whether Roosevelt would be a candidate in 1916, Dr. Henry said that was too far in the future to talk about. Dr. Henry did not care to discuss the matter of the call of John O. Poyer had issued for a meeting of the republicans and progressives of the state for the purpose of uniting the two parties. He was not enthusiastic over the prospect, however.
