Nebraska

LINDSAY ASKS FOR LIBRARY

Supreme Court Clerk Suggests Three-Fourths Mill Levy.

ON HISTORICAL SOCIETY GROUND

Albert Borchman Appeals to Supreme Court from Judgment of \$2,000 Obtained by Saloon Keeper.

(From a Staff Correspondent.)

LINCOLN, Neb., Dec. 12.—(Special Telegram.)—Harry C. Lindsay, clerk of the supreme court, in his report filed with the governor this afternoon recommends the passing of a bill by the legislature calling for a 3/4-mill levy for two years to raise money to build a state library on the grounds of the Historical society. This would raise \$500,000 and would be sufficient for the building of a structure, which would house the supreme court, the state library and the Historical society. If the legislature wants a new capitol, out wing of it, according to Lindsay, should be built right away, in order to get the state library out of danger from fire.

Borchman Appeals Case.

An appeal from the decision of the Douglas county district court has been made to the supreme court of the state by Albert Borchman, where a judgment was secured against him by Frank Price, a saloonkeeper of Omaha.

Price sued Borchman in the district court for \$5,000 damages claimed to have been received on account of the negligence of Borchman. The latter began the excavation for a building on the lot next to the building used by Price as a saloon, situated at the northwest corner of Twenty-first and Cumby streets, in Omaha. Price sets out that, without notifying of the danger, Borchman continued the excavation, and on the day of February 22, 1911, while the plaintiff was in his saloon engaged in his usual business, carrying the ground next to his saloon down with the side of the building, burying him in the wreck and injuring him permanently. He sued for \$5,000 and the jury assessed the damages at \$5,000.

New Corporation Formed.

The Smith-Koppel company is the name of a new corporation filing its articles with the secretary of state today. The company is incorporated for \$25,000, divided into shares of \$50 and \$100 each. The corporation will do a general manufacturing and wholesaling business in jewelry and jewelry. The officers are: A. F. Smith, president; T. J. Bruner, vice president; and Herbert Koppel, secretary-treasurer. These same parties compose the board of directors and incorporators.

Harrison and Clark South.

Frank A. Harrison and Mr. and Mrs. Paul F. Clark will start Monday for Central America. During his sojourn in that country, which will occupy about two months, Mr. Harrison will, at the request of several schools of the state, gather specimens and send them to those who are anxious to have one like it. Therefore in the refusal of the Nebraska board to grant them the request, they are getting what they gave Nebraska.

specimens as he thought they would be pleased to receive. Among the schools are at the state normals and some of the Omaha schools, among them being Brownell hall, University of Omaha, St. Mary's academy, Bellevue college and Dana college at Blair have also made requests for specimens.

Insanity from Heredity.

Superintendent Kern of the Hastings insane asylum says that 40 per cent of the insane cases under his charge are due to hereditary insanity. In his report to the governor he calls the attention of the executive to this fact and the importance of having something done to prevent a continuation of this condition. Governor Aldrich will touch upon the matter in his message to the legislature and will ask that body to pass some measure which will prevent further like conditions. Governor Aldrich this morning said that some law should be passed, not only in Nebraska, but in the nation, preventing the marriage of people who are tainted with the disease. "It is the only way," said the governor, "to stop the insane people are so because they have inherited it from their ancestors, and there is only one way to prevent it."

Welcome for Romeros.

When C. D. Romero walks out of the Nebraska penitentiary a free man Saturday he will be received with open arms by Sheriff Judd of Provo, Utah, who wants to take Romero back to that state on a charge of forgery. The extradition warrant has been issued by Governor Aldrich and there will be nothing to do for Romero but to go back and face the music with the Utah officers. Romero has a record of having made more applications for a pardon while an inmate of the Nebraska prison than any man who ever resided there. He has been a chronic letter writer and also considerable of a story writer, having once received \$5 from a Chicago paper for an article on prison life. It is thought that the Utah forgery of a draft for \$50 is only one of many others which may come to light. Romero himself says that there are so many detectives chasing him that there is no chance for an honest man.

Lincoln Statue Valuable.

That the Abraham Lincoln monument is destined to become national wide known, is evidenced by the fact that the sculptor who designed the statue, Daniel Chester French, has paid the state board \$2,800 for the right to make miniature copies and dispose of them. The copies are not to exceed three feet in height. The Chicago park commission became so impressed with the work that some time ago they write a letter to Secretary of State Watt, asking permission to duplicate it for Chicago. Mr. Watt has refused to give permission and the Lincoln statue will stand, the only one of the kind in the country. When the committee was looking up the matter of a statue, F. M. Hall, a member of the committee went to Chicago to investigate a certain statue of Lincoln in one of the public parks there. He found that the Chicago monument was about the kind that would suit the committee and asked the Chicago park commission to allow Lincoln to duplicate the statue. The Chicago men refused to have their statue duplicated, but now that Lincoln has one which is considered by experts to be a better one, the Chicagoans are anxious to have one like it. Therefore in the refusal of the Nebraska board to grant them the request, they are getting what they gave Nebraska.

mission returned yesterday from Omaha, where he has been weighing freight cars to ascertain if the stealing freight upon them is correct. In an examination of Union Pacific freight cars in Omaha, he found that out of 2,000 cars, 1,901 were on an average of 42 pounds lighter than the mark, while 646 averaged 50 pounds heavier than the marked capacity.

Implement Companies Sue Newman Grove Firm and Sheriff

MADISON, Neb., Dec. 12.—(Special.)—The International Harvester company commenced replevin action today in the district court against Erickson Bros. of Newman Grove, Clinton S. Smith, sheriff of Madison county, et al, for possession of a stock of farm implements valued at \$15,000, also a similar action was filed by Parlin & Orendorff Plow company against the same parties to recover possession of a stock of farm implements and machinery valued at \$1,725. This property had been assigned to Clinton S. Smith, sheriff of Madison county under the insolvency act for the benefit of the creditors of Erickson Bros. The coroner being absent from the county the court appointed Marshall W. P. Kennedy a special officer to take charge of the property.

Baths Supersede Drugs.

Superintendent Johnson says that the general health of the institution has been good. During the biennium patients who have heretofore been given drugs have been treated in the new hydrotherapeutic plant installed at an expense of \$5,000. The continual and constant use of the baths of this plant have had a much more desirable effect upon the patients than the use of drugs.

Two Weddings at Humboldt.

HUMBOLDT, Neb., Dec. 12.—(Special.)—Mr. Lawrence W. Oberly and Miss Faye Philpot were married Wednesday evening at the bride's home, about four miles east of Humboldt. The ceremony was performed by Rev. Keefe of the Cottage church.

The home of Joseph Merrill near the Union Pacific tracks at Blue Springs, was destroyed by fire yesterday from an unknown cause. The loss will amount to \$1,200, partially covered by insurance.

BEATRICE, Neb., Dec. 12.—(Special.)—

Boscoe May, who broke jail here two months ago, was arrested near Wynora yesterday on the charge of stealing a revolver valued at \$14 from Lee Gallo-way of Adams. He was brought here and lodged in jail.

Rollin Evans, a pioneer of Blue Springs and well known Mason, died yesterday after an illness of ten days, aged 69 years. He is survived by his widow and two children.

The home of Joseph Merrill near the Union Pacific tracks at Blue Springs, was destroyed by fire yesterday from an unknown cause. The loss will amount to \$1,200, partially covered by insurance.

Albert C. Van Diest of Cortland yesterday appeared in county court and swore out peace warrants for Delber Bros. of that place, alleging that they threatened his life.

Several needed improvements have been made during the biennium. All the rooms in the main building have been given a coat of paint and have been decorated. A complete refrigerator plant and ice machine has been put in at a cost of \$3,000. New laundry machinery has been placed in the laundry costing \$2,500. A new cement floor has been laid in the boiler room and 10,000 square feet of cement sidewalk laid about the buildings. There-

AMUSEMENTS AID INSANE

Dr. Johnson of Norfolk Hospital Reports on Institution.

FURNISHES MOVIES AND DANCE

Hydrotherapeutic Plant Gives More Desirable Results Than Any Other Treatment That Has Been Found.

(From a Staff Correspondent.)

LINCOLN, Neb., Dec. 12.—(Special.)—Superintendent Johnson of the Norfolk Hospital for the Insane is another state hospital superintendent who believes that amusements go a long way toward helping the insane in their unfortunate condition. Dr. Kern of the Hastings asylum provides motion pictures and base ball as a means of amusing the patients, while Dr. Johnson of Norfolk provides a motion picture show once a week and a dance weekly for the patients under his charge.

Another thing which Dr. Johnson sets out as a great help to the inmates of his institution is a chance to get out and amuse themselves by picking fruit and eating it according as the notion strikes them. In order to do this he has for two years leased a forty-acre tract near the asylum and has allowed the patients to run loose and pick and eat to their hearts content therein.

In his report to the governor Dr. Johnson sets out that at the beginning of the biennium the Norfolk asylum had 309 patients and thirty-five out on parole. During the first year 110 were received and returned and 124 discharged, paroled or died, leaving in the institution at the close of the first year 229 patients, an increase for the year twenty-one.

At the beginning of the second year of the biennium thirty patients were out on parole and 168 during the year were received and returned. During the same period 130 were discharged, paroled or died, so that at the end of the year 408 patients were in the institution, an increase of ninety-nine for the biennium.

GAZE COUNTY NEWS NOTES.

BEATRICE, Neb., Dec. 12.—(Special.)—Mrs. Mary Boeke, aged 54, a respected woman of this city, died at her home yesterday afternoon after a long illness. Funeral services will be conducted on Thursday afternoon at the Evangelical church.

PAY LEGISLATIVE COMMITTEE

County Supervisors Will Have Body Actively at Work.

NEXT MEETING IN OMAHA

Phil Kennedy of York Elected President of Organization—Opposition Expressed to Election of Supervisors of Roads.

(From a Staff Correspondent.)

LINCOLN, Neb., Dec. 12.—(Special.)—The session of the county commissioners, supervisors and clerks closed this morning with the election of officers, as follows:

Phil Kennedy, York, president; Henry Pastner, Nebraska City, vice president; C. E. Hill, Hastings, secretary; Gus Harte, Omaha, treasurer.

Kennedy, Pastner and Hill were re-elected.

The clerks re-elected J. B. McDonald of Pierce vice president, but selected W. H. Osborne, Jr., of Broken Bow for president and M. E. Patterson of North Platte as secretary-treasurer.

Good Roads Keynote.

Good roads seemed to be the keynote of the session, a great deal of the time being spent on a discussion of the best methods to be used. A committee was appointed to confer with a like committee of automobile dealers for the purpose of drafting some measure to be introduced in the coming session of the legislature, which would help the roads of Nebraska.

A motion to urge the legislature to pass a law giving the county commissioners and supervisors power to appoint road supervisors was also passed at the meeting, it being the opinion of most of the officials present that the method of electing the road supervisors was not a success.

News Notes of Seward.

SEWARD, Neb., Dec. 12.—(Special.)—Mrs. Mary Boeke, aged 54, a respected woman of this city, died at her home yesterday afternoon after a long illness. Funeral services will be conducted on Thursday afternoon at the Evangelical church.

Chancellor Avery will attend the banquet of the university alumni of Seward county at the Congressional church on the evening of December 18.

The Commercial club will have automobile convey the boys' classes of the Seward Corn show to F. B. Tipton's model farm on next Monday afternoon. The dates for the corn show are December 16-20. Prof. Condra, Prof. Chase, Miss Louise Sabin and H. J. Gramlich of the state university will be here and talk. Prof. Chase will give a "good roads" illustrated lecture.

ROUDEBUSH IS GIVEN YEAR IN PENITENTIARY

KEARNEY, Neb., Dec. 12.—(Special.)—Gus D. Roubush, the 18-year-old lad convicted last week of having struck the first blow that caused the death of Archie Magee, was today sentenced to one year in the state penitentiary. Judge B. G. Hostetler of the Twelfth judicial district made a strong talk before passing sentence, stating that it was his intention to uphold the dignity of the law, especially where cases of death were concerned, claiming that sympathy for the dead was just as proper as that for the living.

HANDS CRACKING AND BLEEDING

With Eczema, Watery Blisters, Disfigured and Sore. Could Not Put Them in Water, Cuticura Soap and Ointment Cured.

St. Clair, Mo.—"My trouble began about fifteen years ago. It was what some called eczema. The form the disease worked around was a breaking out with watery blisters on my hands which would then dry and scale, and then would follow the trouble of cracking and bleeding, also itching and burning. My hands were disfigured as the time, and sore. The trouble was very annoying, and disturbed my sleep. This last February it was even so much worse than before. I did not do all my work on account of the condition of my hands. I could not put them in water without making them worse. I tried a lot of home remedies, also salves and liniments that claimed to be a cure for the trouble, but I did not obtain a cure.

"At last I saw the advertisement for Cuticura Soap and Ointment. I sent for a sample. I thought they would cure, so I sent for a fifty-cent box of Cuticura (Ointment and some Cuticura Soap. A doctor advised me to keep ahead with the Cuticura Soap and Ointment and they cured me completely. No trace of the trouble remains." (Signed) Mrs. Mary Taylor, Mar. 29, 1912.

Cuticura Soap and Cuticura Ointment are sold throughout the world. Liberal sample of each mailed free, with 23-p. Skin Book. Address post-card "Cuticura, Dept. T., Boston."

See Trade-mark on box should use Cuticura Soap Shaving Stick, 25c. Sample free.
