Celery and Potato Salad.
 Mix together one pint of mashed potatoes, two-thirds of a cupful of cooked celery, one tablespoonful of butter melted, one tablespoonful of butter melted, one-half teaspoonful of salt and few grains of white pepper. Bind with the beaten yolk of egg, form into small balls, roll in fine crumbs, then in beaten egg and again in crumbs, and fry in deep, hot fat.

White Fruit Cake.
 One cupful of butter, two cupfuls of sugar, two cupfuls of flour, whites of eight eggs, half wingless white wine, two teaspoonfuls baking powder, one-quarter pound chopped almonds, one cupful of cocoanut, pinch of salt. Beat butter to a cream and gradually beat in the sugar, then the wine. Beat the egg whites to a stiff froth and stir into the butter and sugar. Add the flour, which must be sifted four times with the baking powder. Last of all the fruit, almonds, citron and cocoanut.

Fruit Salad.
 Take one box gelatine and make according to directions. Take four oranges, four bananas, one can pineapple, fourteen walnuts, and when gelatine is cool add your fruit and put in cool place to set. This is fine with whipped cream. Do not add the juice of pineapple, just fruit.

Bouillon.
 Here is a form of bouillon that will be new to many cooks and for a soup course is good to serve. Simmer two tablespoonfuls of tarragon in two quarts of clear beef stock until smooth. When done put in the yolks of raw eggs in the proportion of one yolk to two persons. Place the eggs in the bottom of the tureen. Noy pour in the hot soup and beat until soup and eggs combine in a frothy cream.

Banana Cake.
 Three eggs, two cupfuls of sugar, one cupful of milk, two tablespoonfuls of butter (scant), one teaspoonful of soda (even), two teaspoonfuls of cream of tartar, essence of lemon, three even cups flour. Bake in four layers.

Hot Loaf.
 Mix four cupfuls of bread crumbs with one cupful of chopped nut meats, one chopped hard-boiled egg, two beaten eggs, one tablespoonful of melted butter, one-half teaspoonful of salt, one-quarter teaspoon of white pepper, one-half teaspoon of powdered sage, one teaspoon of onion juice and sufficient milk or water to moisten. Turn into a buttered pan and bake about half an hour in a moderate oven.

Potato Salad.
 Slice cold potatoes, a small onion and one cold hard-boiled egg, into a dish and sprinkle a little pepper and salt over them. Take three tablespoonfuls of vinegar, one of butter, one-half teaspoonful of mustard and heat it over boiling water. Let it get cool, then pour over potatoes. Prepare in the morning and serve at night.

Rye Bread.
 Put in your sifter one cupful of wheat flour, three cupfuls of rye meal, half a cup of corn meal, teaspoonful of salt, one teaspoonful of soda. Put one tablespoonful of lard, half a cup of sugar, one egg in whipping bowl, stir well two cupfuls of sour milk, mix together well, then put in your flour and stir it well, for it will be quite stiff. Bake one hour.

Cheeseballs.
 One cupful of grated cheese, one-half cupful of fine bread crumbs, five drops Worcestershire sauce, egg beaten. Mix together, roll into small balls and just before time to serve plunge into hot fat. Fry delicate brown. To be served hot with salad.

Chocolate Pie.
 Shave two squares of chocolate into two cupfuls of milk, set dish into kettle of hot water and cook until chocolate is well melted. Beat smooth with egg beaten and cool. When cool add yolks of two eggs and one whole egg and one-half of a cupful of sugar and one teaspoonful of vanilla. Make slowly in open crust not previously baked. When cool frost with whites of two eggs beaten stiff and one-half of a cupful of sugar. Brown in oven.

Green Tomato Preserve.
 One and a half pounds of granulated sugar, two pounds of sliced green tomatoes and two lemons, sliced very thin, will be needed. Cook all together till clear and thick. If you measure the rule reads: Two quarts tomatoes, three cupfuls of sugar. This does not make a very large quantity, but is very rich.

Egg Biscuits.
 Mix and sift well together one pint of flour, one-half teaspoonful of salt, one teaspoonful of sugar, one teaspoonful of baking powder. Beat one egg and one-half cupful of milk, stir into the dry mixture, adding more milk, if necessary, to make a soft dough. Turn this out upon a baking board and knead with the hands for a moment. Cut into circles and place one inch apart on greased pan. Brush the top with a little beaten yolk of an egg and bake in a very hot oven.

Soup Without Stock.
 A good vegetable soup can be made without stock and it is just as good. Use one-half cup of butter or beef drippings in which fry one thinly sliced onion, and when a golden brown stir in carefully, to prevent burning, one tablespoonful of flour. Pour in a little at a time, one quart of hot water, then add one well washed green pepper, one carrot, one well washed turnip, a piece of cabbage (washed) and one large potato, all cut in dice or chopped. Other vegetables, such as tomatoes, parsley and celery may be added if desired. Season to taste with pepper and salt and simmer until the vegetables

are tender, adding more hot water if necessary.

Chocolate Gingerbread.
 Mix one cup of molasses with one-half cup of sour milk, one tablespoonful of butter melted and one teaspoonful of soda dissolved in two tablespoonfuls of boiling water, then add two cups of flour, mixed and sifted with one-half teaspoonful of salt, one teaspoonful of ginger and one and a half teaspoonfuls of cinnamon, and finally add four tablespoonfuls of grated cocoanuts. Bake in a moderate oven and cover with chocolate frosting when cool.

Buttered Beets.
 Boil beets the same as usual. When done peel and chop up with a knife, put on lots of butter, pepper and salt and a little sugar. Serve hot. Hope some one will try this. They are fine and a change from sliced beets.
