'Dago Frank's' Sister

NEW YORK, May 17.-There was every indication tonight that the state hoped before closing its case against former Police Lieutenant Charles Becker on Monday to present new and important testimony, reinforcing the evidence given yesterday by Mrs. Lillian Rosenberg, widow of "Lefty Louie," one of the four gunmen executed last month for the murler of Herman Rosenthal.

Mrs. Rosenberg gave testimony linking Becker's name in a new way with the Rosenthal murder conspiracy. The state hopes now, it is understood, to put the sister of another of the executed gunmen, "Dago Frank" Cirofici, on the stand, the inference being that she is expected to present a new version of the so-called last confession of her brother. in which he was declared to have insisted that Becker had nothing to do with the Rosenthal murder plot. The sister, Mary Cirofici, was in the death house at Sing Sing prison at the time her brother is alleged to have made his
