Oh, you old jimmy pipe!

"Lead me to it" say men in all walks of life, since they've found out that Prince Albert tobacco can't bite the tongue and can't parch the throat.

"Lead me to it" you'll say just as quick as you invest in a tidy red tin and find out firsthand just how good P. A. is as a pipe or cigarette tobacco !

brought thousands and thousands of old jimmy pipes out of the garrets. It has revolutionized pipe and cigarette smoking !

That's because Prince Albert is made by a patented process that cuts out the "grouch" and just lets in the sunshine! Never in your life have you hit such flavor and fragrance and freshness!

Play P. A. in a jimmy pipe or roll up the corkingest makin's cigarette you ever put fire to. It's all one and the same thing-just good for what ails your smokappetite! And it rolls up so dead easy. Being mighty fresh, it just stays put and doesn't blow away or run away like the *dust*-brands.

And, you know, today's the day!

Bay Prince Albert everywhere. Toppy red bags, Sc; tidy red tins, 10c; also handsome pound and half-pound humidors.
