**N**O, INDEED, were not going to wait for General Rosalie Jones to come with her suffrage touring car painted yellow in honor of the cause, to start "stumping" the state.

At last we are getting metropolitan and are having suffrage and anti-suffrage skirmishes. Last February I was in New York and stopped in keen curiosity to see the suffragists selling suffrage ball tickets and at the same time electioneering the passerby on Fifth avenue. It was all exactly like the pictures in the magazines, but we have never seen anything of that kind in the west. The suffragists were all labeled with badges and broad bands of ribbon marked "Votes for Women."

One week from Saturday, June 6, at 1 o'clock, (weather permitting), the local suffragists will start on their first "stumping" tour.

Mrs. John T. Stewart 3d., Mrs. John L. Kennedy, Mr. and Mrs. James Richardson, Mrs. Henry Doory and Mrs. Frank Crawford will fill their touring cars with enthusiastic suffragists and will hold their first meeting at Elkhorn at 2 o'clock. The next stop will be at Waterloo at 4 o'clock, and the last stop will be at Valley at 7 o'clock.

The speakers will be City Attorney John Rine, Charles Hafke, assistant county attorney; Mrs. D. G. Craighead and Mrs. Draper Smith. Others who will be in the party are Mrs. Z. T. Lindsay, Miss Daisy Doane, Miss Jeanette McDonald and Miss Anna Peterson. Miss Joselyn E. Charde will be in charge of the music.

### SHABUOTH ON SATURDAY EVE

Jewish Feast to Be Observed in Omaha Temples and Synagogues.

### SIGNIFICANCE OF HOLIDAY

Relates to the Arrival of the Children of Israel at Mount Sinai After an Arduous Trip from Egypt.

Shabuoth, a feast of considerable importance in the Jewish calendar, will be celebrated in the local temples and synagogues Saturday evening and Sunday morning. According to the Central Conference of American Rabbis, the feast is described as follows:

"Shabuoth, the feast of weeks, also called the feast of the first fruits, falls, according to the Jewish calendar, on the sixth of Sivan, which will occur this year on May 31. Its name is derived from the seven weeks which elapsed between the departure of the children of Israel from Egypt and their arrival at Mount Sinai. Like its companion holiday, the feast of Passover, it, too, has both an agricultural and a historical aspect. This was the early harvest season when the first of the wheat, baked in two loaves of bread, was brought as an offering of gratitude, and as a token of man's dependence upon the goodness of God. Historically it carries us back in memory to the promulgation of the Ten Commandments, when Israel accepted the new moral code and religious legislation, and was aroused for the first time to the consciousness of its new spiritual task and destiny. The Ten Commandments are the magna charta of religion. Having secured political freedom, Moses found it necessary to give his people religious freedom. The new nation must be buttressed upon religious obligation. They may be a kingdom, but they must be a kingdom of priests, a holy nation.

"Shabuoth has gained a stronger and a more impressive hold today by entwining its symbolism about the impressionable child. Confirmation is the ceremony expressive of religious consecration. We publicly affirm by this ceremonial that our children, the first ripe fruits of our religious schools, shall stand morally and religiously in the same enthusiastic and receptive attitude as did their fathers at the foot of Mount Sinai.

### PRESBYTERIAN WOMEN TO RAISE FUNDS FOR CHURCH

Women of the First Presbyterian church have resorted to original and novel schemes to make money to add to the fund for erecting the new church at Thirty-fourth and Farnam streets. Although able to pay money out of their purses toward the edifice, some have decided that they would like to put some sacrifice of time or labor into their gift. So these women have taken orders for candies, cakes, marmalade, crocheting and other fancy work, which they make themselves and give the proceeds to the building fund.

In addition the women have organized into eleven committees and have secured

### Omahans Pledge to Give Support to the Omaha University

That the University of Omaha will continue at its present location for at least another year was the declaration of D. E. To meet the demands of the expected student increase next season, a building will be leased for the preparatory department. Several cities in the western part of the city are in view for placing the school.
