

TOPICS FOR A DAY OF REST

**Rev. Karr to Celebrate Membership Triumph at Third Presbyterian.**

**SPECIAL MISSION SCHOOL MEET**  
 Rev. A. S. Clark of Evanston, Ill., Will Preach Morning and Evening Services at the Lowe Avenue Church.

"The modern telling of the old gospel story has won out and Third Presbyterian church is to reap a splendid harvest Sunday evening as a result."  
 This is the way an elder of that church describes the work that has been done under the pastorate of the Rev. Robert Karr.

Twenty-five and perhaps more new members are to be received into the church at communion service Sunday evening, beginning at 8 o'clock. Dr. A. E. Marshall, president of the Omaha Theological seminary, is to have charge of the services.  
 Third church was established and for a long time maintained as a mission of First Presbyterian church. Then it branched out independently and has had several pastors. At times its struggle for an existence seemed severe, but it is said now to be in a most prosperous condition, the present pastor, Rev. Mr. Karr, having welded together all the elements of strength within the membership and pushed forward.

A special Sunday school meeting will be held Sunday afternoon at 3 o'clock at the Omaha City mission, Twelfth and Pacific streets. Elisha B. Cook is superintendent of the school and the attendance has been unusually large.

Rev. A. S. Clark, D. D., pastor of Second Presbyterian church of Evanston, Ill., will preach morning and evening at Lowe avenue Presbyterian church, Fortieth and Nicholas streets, Sunday, June 6. Dr. Clark was pastor of this church for five years, going direct from it to Evanston six years ago. He is coming to Omaha at this time to perform the Neely-Dennis marriage ceremony on Wednesday.

Cantor A. Yablock, with a choir of selected singers, will hold Shabbath services on Sunday and Monday at the Twenty-fourth street synagogue, Twenty-fourth and Nicholas streets.

**Does Tango Reduce Flesh?**  
 The violent movement of the modern dances naturally tend to keep flesh down, but they also tend to put an extra strain upon the vital organs, especially the heart, and so may damage the health more than assist it. Besides, many people do not dance, some people do not believe in dancing, and few people can afford the time to dance enough to really accomplish much reduction. A better way to dissolve fatty tissue easily and quickly, without dieting, is by taking the parrotia treatment, made at home as follows: Put 4 ounces parrotia (from your druggist) in 1 1/2 pints hot water and strain when cool. Take a tablespoonful before meals until weight is where you want it. No harm results from the use of the parrotia treatment, and the flesh is left soft and the skin soft and smooth.—Advertisement.
