## SECOND CONTEST OUT SHORT

Called at End of Fifth Inning in Order to Allow Rourke to Catch Early Train to Wichita.

SIoux CITY, Ia., May 30.—(Special Telegram)—Sioux City was returned winner in both games of today's bill, coming out in the first, 4 to 3, and winning the second in a fiasco of stalling, 7 to 1. Four thousand people saw the games.

The first battle was even better than Saturday's game and until the final frames looked like Omaha's game. The second game developed into a disgusting exhibition of stalling after the locals had established a four-run lead in the first.

The contest enraged the crowd, which hissed Rourke and cheered lustily, when Gouding was ordered from the park for a protest.

In the first game Omaha took the lead at the start. With Schlipke out, Clancy was hit by a pitched ball and went to second on Gasper's error, whence he scored on Krug's single. Thomason singled and Congalton flew to second. A single by Ward scored Krug, but Ward was forced at second by Chase.

Another tally was rung up by the visitors in the sixth. Thomason led with a single and was sacrificed to second by Congalton. A single by Ward scored him. Ward stole second, but Chase fanned and Crosby flew out to left.

Locals Held Tight. Meanwhile for six innings the locals were held to two lonely hits by Tipple. Willis and fast double plays had nailed the Indians, who managed to draw passes.

In the seventh, however, the Sioux rally appeared. Baird led with a walk and Callahan, Crisp and Congalton in succession, scoring two before Cloman was rushed to the rescue. The locals got to Cloman in the eighth for the win after a fast double play, third of the day for Omaha, had retired two. Baird singled and Callahan walked, both scoring on Crisp's two-bagger.

In the second game the Indians clinched it by falling to Tipple for four runs in the fourth. Three singles, a double, two walks and a sacrifice did the business and the game forthwith became a fiasco. The locals added another when Davidson poked out a home run in the second and two more on, two walks and a hit in the fifth.

When Omaha Tallies. The Omaha tally resulted in singles by Thomason and Congalton in the fourth, sided by a force-out that let Thomason over.

The Omaha players stilled for time at every opportunity, while the locals sacrificed their batting averages to rush the game along. The visiting fielders refused to put runners out and the Sioux cut out of the base lines to be declared out.

In the third three of the locals deliberately fanned on wild balls and in the fourth three of them crossed from one batsman's box to another to be ruled out by the umpire.

Manager Gouding talked vigorously to Umpire Gaston and was ordered from the field. The sixth inning had started before the agreed time for calling the game arrived. Score, first game:

NEW YORK, May 30.—New York broke even on the day with Philadelphia by taking a weird game today, 10 to 3. The Athletics showed the worst pitching in New York this season, the four visiting pitchers, Pennock, Wyckoff, Bush and Bressler, passing fourteen men, hitting two others and throwing three wild pitches. New York also stole six bases while sixteen were left on bases. The Athletics batted Caldwell for four runs in the first inning, but New York gradually worked up to seven runs. With the score tied in the seventh the locals scored four runs on two doubles, a single, a sacrifice, a hit batsman and a base on balls. The Athletics won in the morning, 3 to 0. Score, first game:

## Tigers and St. Louis Divide Double Bill

ST. LOUIS, May 30.—Detroit and St. Louis broke even in the double-header here today. Coveleskie held St. Louis to one hit, giving his team a 2 to 1 victory. In the second game Wellman kept Detroit's hits scattered and the locals were victorious by 2 to 1.

Coveleskie won his own game in the eighth inning, when his single sent Moriarty across the plate with Detroit's run. Errors paved the way for Detroit's tally. Errors also enabled St. Louis to escape a shutout.

In the second game Walker tripped and scored on Leary's sacrifice fly. Warren first on a dropped ball after the third strike, went to third on an error and scored through a successful squeeze play. Score, first game:

## MARoons TRIUMPH AT MISSOURI VALLEY MEET

Chicago Takes First Position, with Forty-Four and Two-Thirds Points at St. Louis.

## THREE ARE TIED FOR FIFTH

Washington Scores Nothing, While Drake Gets Five Points, Fraction of One More Than Iowa Farmers.

ST. LOUIS, May 30.—The track team from the University of Chicago, defeated eleven other universities and colleges in the Mississippi valley conference track and field meet here today, winning the meet with forty-four and one-half points. Leland Stanford, Jr., university came second with thirty-four and Colorado third, with fifteen and one-half.

No world's records were broken in the meet, but six conference records were eclipsed and two others were equalled. The first conference record to fall was that for the 40-yard dash, which Columbia of the Missouri School of Mines, Rolla, Mo., eclipsed by one and three-fifths seconds. Cowman's time was forty-eight and two-fifths seconds.

The 20-yard low hurdles next yielded a new conference record. Murray of Leland Stanford lowered the mark one-fifth of a second, making the hurdles in twenty-four and four-fifths seconds.

Bonnet of Leland Stanford took a second off the conference record for the half-mile run, covering the distance in one minute and fifty-six seconds, and Thatcher, the Missouri star, raised his own record of 13 feet 5 1/2 inches in the discus throw. Then Baranick of Chicago took a fifth of a second off the conference records for the 20-yard dash.

The University of Chicago clipped one and one-fifths seconds from the conference record for the half-mile relay, and H. D. Boyd of Chicago lowered the conference record for the running broad jump by seven and one-half inches. Final score:

## Creighton High Boys Slip Over an Earned Victory on College

Students of the Creighton High school obtained ample revenge—also several gallons of ice cream—from the students of the college section of Creighton arts college for all past misdemeanors on the Creighton campus Friday afternoon, when the younger lads walloped the college base ball team, 6 to 3.

Timman of the academic department kept the collegians well in hand, while Brownery caught a nice game. The collegians used two batteries. Bushman and Connolly started the work, but Ryan and Kansas were called to the rescue after the battle was well started.

The high school team did not pass the ice cream indiscriminately among the student body which roared during the game for both sides, and as a result there is considerable "crabbing" among a number of staunch supporters who were anxious to have a "hand in the pie."

## CO-EDS SHINE IN ATHLETICS

Nebraska Girls Are Making a Most Remarkable Showing.

## WOULD STANDARDIZE EVENTS

While Colleges Are Too Far Apart, a Comparison Might Be Made Between Berkeley, Vassar and Nebraska.

BY JAMES E. LAWRENCE. LINCOLN, Neb., May 29.—(Special.)—Nebraska co-eds will this week close the most successful athletic season of the University of Nebraska. Immediately steps will be taken to unify the athletics in the co-ed department to conform with the athletic events at Vassar and Berkeley universities, so a direct comparison between the three schools can be secured.

Even at that the record is decidedly in favor of Nebraska and the showing of the Nebraska co-eds compares favorably with Vassar and Berkeley, where the co-eds have had athletics for years.

Comparisons. The following table has been prepared by the Nebraska authorities to show how the Cornhusker girls have virtually placed athletics on a par with the two older colleges in but one year's time:

Vassar, Berkeley, Nebraska. 20-yard dash, 0.34; 40-yard dash, 0.78; 100-yard dash, 0.13; 200-yard dash, 0.30; 400-yard dash, 0.17; 800-yard dash, 0.76.

Running broad, ft., in., 14.64 14.1; Running high, ft., in., 4.2 4.26; Shotput, ft., in., 21.87 24.15 22.9; Base ball throw, ft., in., 82.3 82.7; Base ball throw, ft., in., 182.3; 3-legged race, ft., in., 0.24; Varsity race, sec., 0.24; Pole vault, ft., in., 5.5.

Indicates event not listed. What the Nebraska authorities propose to do is to standardize the events so that all three schools will hold competition in the same class of athletics. Distance excludes a meet between the three colleges and the only possible means of securing a comparison of athletic superiority among the co-eds will be by means of the long distance meet, conducted by Drake and Nebraska last spring. The Cornhusker track squad will wind (Continued on Page Two.)

## KANSAS IS AMONG HUDDLERS

Hazen of the Jayhawkers Stands Foremost, with Mark of 15.2.5 in the 120-Yard Fence Running.

CHICAGO, May 30.—Unless one of the universities outside the conference sends a team strong enough to surprise the critics, Illinois and Wisconsin are likely again to be leading contenders in the Big Nine annual meet here next Saturday. Nonconference teams believed to have dark horse qualifications are Notre Dame and Leland Stanford, while some of the entries from Kansas are more than possible shoo-ins in the major division of points.

Last year at Madison, Illinois won by a score of 47 1/2 points, with Wisconsin second with 23 1/2. The Illinois team is perhaps not as strong as the one which took the title in 1913, but the Illinois have won the dual championship of the conference, beating the Badgers, their likeliest rivals, and also won the conference indoor meet at Evanston in March, with 26 points to Wisconsin's 20 1/2. Notre Dame's ability is not definitely known, but the South Bend squad suffered a defeat by the Illinois Athletic club at Chicago not long ago. Weather conditions must be taken into consideration in figuring Leland Stanford. Last year at Madison a sudden drop in temperature wrecked the hopes of Missouri's athletes, the favorite, and robbed California of a number of points.

A large proportion of the men who will participate in the events at the University of Chicago June 6 are veterans. Rivals for years are slated to meet in some of the numbers and if the track is in shape and other conditions favorable records are due to fall.

Some Speedy Sprinters. The 100-yard dash finds four 19-second men contending in Knudson of Wisconsin, Bohman of Illinois, Irwin of Nebraska and Hardy of Notre Dame. In the class at Madison May 9 the Illinois runner and Harmanett, his teammate, both beat the Badger, but the latter was not doing his best, and Bohman's time was 0:16 1/2. In Ward, Baranick and Knights Chicago has a trio reasonably sure of qualifying for the dash finals, and Copeland of Ohio Spink of Minnesota, McKee and Campbell of Leland Stanford are others who may be reckoned with.

Knudson has a little the better of Bohman in the 200, having made the distance in 2 1/4 seconds at Minneapolis, the best done in the conference meets in years. Spink was his runner-up on that occasion. Illinois has Burke and Stritcos (Continued on Page Four.)
