COMPLAIN OF W. U. TACTICS

Lincoln Business Men Probe Peculiar Charge System.

PHONE REPLACES MESSENGER

Charge is Made Just Same as if Message Were Delivered—What Company Managers Say About It.

(From a Staff Correspondent.) LINCOLN, Neb., June 4.—(Special.)—It is up to the railway commission to settle the difficulties which have been brought out by charges made by the Western Union Telegraph company covering the delivery of telegrams here in Lincoln, business men of this place having appealed to the commission.

It is alleged that charges of from 25 to 50 cents have been collected for the delivery of messages outside of the delivery district and that instead of delivering the message by messenger the same was telephoned and the fee charged. It is further alleged that the charge does not appear on the company's books, yet it is charged that the company received the same.

Manager C. B. Horton of Omaha was here yesterday and said that the reason no charge is made on the books is that the charge is made at the other end and the message sent here by phone and the fee refunded.

M. O. T. Welch, who has recently been dismissed for the local management of the office, is alleged to have said that out of 1,000 messages received at Lincoln for delivery the refund was made in but three cases.

The company has recently been sending messages by phone from here to Omaha and charging the regular wire price. This system has resulted in much annoyance to patrons by reason of messages being sent wrong, in some instances the meaning of the message being directly opposite to the intention on account of changes in words. It is said that Manager Welch opposed the telephone system of sending messages.

Florence Issues Bonds.

Bonds to the amount of \$50,000 will be filed with the state auditor from Florence, application having been made today. The bonds are issued for the purpose of paying a judgment secured by M. Ford, a contractor, in a case brought by Andrew Nelson and others against the city for paving and other improvements.

New Amusement Company.

The American Amusement company of Omaha filed articles of incorporation with the secretary of state today, the capital stock being \$15,000. L. G. Lowery and E. J. Gillispie are the incorporators.

The Omaha Fur and Merchantile company also files with a capital stock of \$20,000, with Tilly Savitt and Carl Kautzman as incorporators.

Bowly Appeals Case.

Editor Bowly of the Crete Democrat, wants pay from John B. Foss, a subscriber who has taken the colonel's paper for twenty-three years and has not paid for it. Some time ago Mr. Foss died.

My Tired Feet Ached for "Tiz"

Let your sore, swollen, sweaty feet spread out in a bath of "TIZ."

Just couldn't wait to take my bath off! Just take your shoes off and then put those weary, shoe-crinking, aching, burning, corn-pestered, blister-tortured feet of yours in a "TIZ" bath. Your toes will wriggle with joy; they'll look up at you and almost talk and then they'll take another dive in that "TIZ" bath.

CHILDREN TEETHING MRS. WINSLOW'S SOOTHING SYRUP USED BY MILLIONS OF MOTHERS FOR THREE GENERATIONS

Nebraska.

The editor says that there is owing him \$100 and as the lower court refused to give him the money he wants the supreme court to come in his rescue and make the estate dig up the coin, so he appeals to the supreme court.

Approves Bond Issue.

The state railway commission today approved the application of the Chicago & Northwestern railroad company for an issue of \$2,715,000 of bonds. The action is routine in nature and is the same as taken in all states through which the road runs, and is for the purpose of retiring outstanding bonds. The bonds taken up will be Chicago & Northwestern consolidated sinking fund due February 1, 1915, in the amount of \$12,500,000; Cedar Rapids and Missouri River railway first mortgage, due May 1, 1916, \$2,332,000; Wisconsin & St. Peter Union railway extension, due December 1, 1915, \$1,341,000, and Northwestern Union railway first mortgage, \$2,500,000.

New Fillings for Office.

The following fillings were made this morning for legislative nominations: S. Sawyer of Bartlett files for the democratic nomination for representative from the Fifty-second district, comprised of the counties of Greeley, Wheeler and Garfield, represented in the last session by Richard McCarthy of Greeley, a democrat.

H. E. Langevin of Curtis files for the republican nomination for representative from the Sixty-sixth district, composed of the counties of Frontier and Gospar. This district was represented at the last session by James Pearson, who has fledged for the democratic nomination for lieutenant governor.

Bloom's Furlough.

Warden Fenton of the state penitentiary takes upon himself the blame if there is any for the furlough granted to Louis Bloom, the Richardson county man who was sent to the penitentiary for the crime of receiving stolen property. The furlough was granted by Governor Morehead, according to the warden on his recommendation because of the physical condition of Mr. Bloom, who is now in Omaha. Bloom has been in prison but a few weeks and recently made an application to the supreme court for a hearing of his case which was denied. He was taken to the Jewish hospital in Omaha, where he remained until he is recovered sufficiently to be returned to the prison.

Rudessill Files.

L. C. Rudessill of Benkelman, who was appointed by Governor Morehead to fill vacancy caused by the death of Representative Taylor at the last session, has filed for the democratic nomination in the Sixty-ninth representative district.

Howard Gets First Medal.

State Auditor Howard will get the first Panama-Pacific exposition medalion issued by the Nebraska committee, having paid in the first dollar to the fund.

Douglas Case Advanced.

The supreme court today granted the motion of County Commissioners Best and Harte of Douglas county for advancement of the case involving the right of Election Commissioner Moorehead to accept fillings for nominations to the office now held by them.

Republican Chances Good.

W. L. Gaston of Broken Bow, who has filed for the republican nomination for representative from that district, was at the state house today and says that the chances for republican success in Custer never looked better. The republicans will hold a county convention June 22.

NEWS NOTES OF HASTINGS AND OF ADAMS COUNTY

HASTINGS, June 4.—(Special.)—Although crop conditions in this section of Nebraska are better than at this stage of any other year in a decade, a comparison of rainfall figures at Hastings college weather station shows a surprising deficiency in precipitation.

The rainfall during the first five months of this year was scarcely more than half that of the corresponding months last year, when the wheat crop was light, and only about one-third that of the first five months of 1912. The winter wheat crop, however, was never better at this stage than now and a record yield is in prospect. No more rain is needed in this section to mature the crop.

A homecoming of former students and graduates is being planned in connection with the commencement exercises of Hastings college, which will take place next week. A number of former students have already arrived. Rev. E. Van Dyke wright of Middletown, N. Y., ex-president of the institution, is here to deliver the commencement address.

E. A. Twiddle, president of the Koehler-Twiddle Elevator Co. of this city, will establish his residence in Kansas City this month. He is associated with the A. D. Wright Commission company of Kansas City, but will retain his interests here. The Koehler-Twiddle company headquarters and its staff will in no way be affected by the change.

J. N. Lyman has begun the erection of a new building at second street and St. Joseph avenue.

Two women are about to announce their candidacy for county recorder. They are Mrs. Cally Wahlquist and Mrs. Ida Barrett. Mrs. Sullivan has already filed for the office of county superintendent. Diplomas will be conferred upon eighty-one seniors of the Hastings high school tomorrow night. This is the largest class ever graduated from the school. The class last night presented its play, "The Kingdom of Heart's Content."

Rebekah Convention at York. YORK, Neb., June 4.—(Special.)—Tuesday afternoon and evening the annual meeting of the Rebekah district convention convened in this city. The district lodges from Aurora, Union, Gresham, Bradshaw, McCool, Hampton and York (all the lodges except Hampton were represented by good delegations. The following officers were elected: President, Mrs. Hattie Bullock, York; vice president, Mrs. Annie Dean, Bradshaw; warden, Mrs. Nell Neberzell, Gresham; secretary, Mrs. Laura Knapp, York; treasurer, Mrs. Carlisle, Aurora. A banquet was served at the Methodist church at 6 o'clock. The convention next year will be held at Gresham.

Butte Gazette Changes Hands. BUTTE, Neb., June 4.—(Special.)—The Butte Gazette has been sold to A. R. Thatcher of this place. Mrs. A. R. Armstrong, who has been its editor and manager, has been connected with the Gazette for twenty years. She has published a strong, clean county newspaper and its influence has been a factor in the development of Boyd county.

Notes from Beatrice and Gage County

BEATRICE, Neb., June 4.—(Special.)

The trial docket of the June term of the district court was called Wednesday by Judge Pemberton. A number of cases were dismissed and two set for trial. Upon request of the county attorney two criminal actions were dismissed. They are: State against Dell Colgrove of Odell, charged with fast driving with a motor vehicle, and the State against George Koeber, charged with horse stealing for larceny as bailie. Thomas Cream of Wynora, one of the young men charged with assaulting a party of Beatrice students at Wynora early in spring, was released on bond of \$200.

DeWitt is a "wet" town again. The remonstrance against Fred Schroeder has been withdrawn, and he opened his place of business Tuesday. The case against Jacob Wunnenberg, another applicant for a license, has been carried to the Saline county district court by the remonstrators.

Fred Reier, a farmer living near Cortland, appeared in county court Wednesday to answer a complaint filed by Herman Otto, a neighbor who charges him with stealing fifteen bushels of oats. Reier pleaded not guilty and his case was set for hearing June 12. He was released on bond. The robbery occurred last Monday and a pair of bloodhounds from this city followed the trail to the Reier home.

Charles F. Miller and Miss Minnie Niemann were married Wednesday at the home of the bride's parents, Mr. Herman Otto, a neighbor who charges Mr. Wenter of the German Baptist church officiating. Mr. and Mrs. Miller will live on a farm north of the city.

Everitt E. Gray and Katherine M. Fagan, both of Council Bluffs, Ia., were married here Wednesday by Rev. L. D. Young.

C. P. Allen Wednesday filed for the republican nomination for register of deeds. He represented Gage county in the last session of the state legislature.

Commencements.

ORD, Neb., June 4.—(Special.)—Rev. H. H. Harmon of Lincoln delivered the class address to the forty-seven graduates of the Ord High school. There was one more girl than boy in the class. The prospects are that there will be more than sixty members of next year's graduating class.

The Twenty-Year Test.

"Some twenty years ago I used Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes George W. Brock, publisher of the Enterprise, Aberdeen, Md. "I discovered that it was a quick and safe cure for diarrhoea. Since then no one can sell me anything said to be 'just as good.' During all these years I have used it and recommended it many times, and it has never disappointed anyone." For sale by all druggists.—Advertisement.
