RESINOL CURED**

Tortured for Three Weeks, But Two Applications Did the Work.

Washington, D. C., Dec. 5, 1913: "All over my body were small pimples which itched me so that I could just grab my flesh and tear it apart. For three weeks I could not sleep at night until I was simply exhausted. I tried most everything that was supposed to give relief, and I can truthfully say that not until I used Resinol Soap and Resinol Ointment did I begin to feel like the man I was. After only two applications there were no more symptoms of my ailment." (Signed) A. Jackson, care of Water Registrar's Office, District Building.

Physicians have prescribed Resinol for nineteen years, for all sorts of skin troubles, pimples, dandruff, sores, ulcers, burns, wounds and piles. Every druggist sells Resinol Ointment and Resinol Soap, but for trial size, free, write to Dept. 15-11, Resinol, Baltimore, Md. Do not be deceived by imitations.

Captain H. A. Jess reported to the office of the adjutant general today, after spending ten days with Lieutenants Lundstrom and Whitcomb at the Leavenworth school of instruction for signal corps. These officers are in command of the signal corps at Fremont and spent the time working out with field companies of the War department, the last three days in Maneuver problems.

Grand Army Rates.

Department Commander Durant of the Grand Army of the Republic has completed arrangements for rates over the railroads to the national encampment of that organization from August 31 to September 5 at Detroit. There will be no official train from Nebraska and all roads will have an equal opportunity for carrying passengers. The fare for the round trip from Omaha will be \$7.50 and from Lincoln \$3.75. From Chicago on there will be an official route.

Union Files Protest.

The Central Labor union of Lincoln has filed a protest with the board of equalization against the valuation placed upon the property of the Lincoln Telephone and Telegraph company. The company after scheduling its property deducts 25 per cent from the total, claiming that other property in the county is valued on that basis for taxation purposes.

POSTMASTER SIZER TALKS ON PROVISION FOR PARCEL POST

(From a Staff Correspondent.)

LINCOLN, Neb., June 11.—(Special Telegram.)—R. Sizer, postmaster at Lincoln, was not at all backward in criticizing the Postoffice department for loading down the mails with parcel post matter without making provision for it in a speech today before the annual session of the postmaster of the state. He said the government had undertaken to do what the express companies have done with years of preparation and experience. He believed that the parcel post system would never attain the degree expected of it until the government made better provision for taking care of it.

The convention closed this afternoon after electing the following officers and making Lincoln the permanent place for holding future conventions:

President, W. T. Morse, Friend; first vice president, E. R. Sizer, Lincoln; second vice president, E. S. Davis, North Platte; secretary, E. S. Davis, North Platte; Hebron; fourth vice president, F. L. Miller, Daykin; treasurer, E. B. Walquist, Hastings; secretary, L. W. Eiter, South Omaha.

Mr. Walquist was the only democrat elected to an office. Mr. Eiter is not a postmaster, but is superintendent of mails at South Omaha. G. A. Allen of Clay Center was elected delegate to the national convention at St. Paul.

REAL MEANING OF VOTE ON REMOVAL QUESTION

(From a Staff Correspondent.)

LINCOLN, Neb., June 11.—(Special.)—It appears that the feeling by prominent members of the university alumni that the society should stay out of the fight on the removal proposition carries little weight with the boosters for the downtown site, who yesterday forced a vote on the proposition.

Earl Eager, who is manager of the Poland committee selected to educate the farmers how to vote, was the instigator of the resolution. However, the vote on the proposition to call for a referendum vote found many against it, the vote standing 111 against removal and forty-eight for putting the university where it can grow.

It was noted that 120 of the 154 present and voting were from the city of Lincoln alone and even thirty-three of these want this university out at the farm.

VICTIM OF AUTO WRECK AT WOOD RIVER IS DEAD

GRAND ISLAND, Neb., June 11.—(Special Telegram.)—David Otto, one of the two young farmers whose automobile was struck by a local freight train at Wood River Saturday, died here as the result of his injuries last night, and Julius Beshky, the other victim at Wood River, is said to be in a serious condition.

Only One Entirely Satisfactory.

"I have tried various colic and diarrhoea remedies, but the only one that has given me entire satisfaction and cured me when I was afflicted is Chamberlain's Colic, Cholera and Diarrhoea Remedy. I recommend it to my friends at all times," writes S. N. Galloway, Stewart, S. C. For sale by all dealers.—Advertisement.

Fruit Somewhat Damaged by Frost

(From a Staff Correspondent.)

LINCOLN, June 11.—(Special.)—According to reports received by J. R. Duncan, secretary of the state horticultural society, while frosts on May 12 and 13 did some damage to fruit in some sections, the general outlook at the present time is good for a crop.

The percentage of showing for the east half of the state is: Apples, 80 per cent; peaches, 46; cherries, 50; plums, 23; grapes, 78. For the rest of the state the showing is: Apples, 63; peaches, 40; cherries, 72; plums, 54.

A showing of the states which come most in competition with Nebraska on apples shows that Washington apples show 95 per cent; Oregon, 83; Idaho, 80; Montana, 38; Utah, 100; Colorado, 73; Kansas, 63; Missouri, 50; Iowa, 50; Illinois, light crop.

TEEGARDEN WILL FILE FOR THE TREASURERSHIP

(From a Staff Correspondent.)

LINCOLN, June 11.—(Special.)—Case county will furnish a candidate for the nomination for state treasurer on the republican ticket in the person of J. M. Teegarden of Weeping Water.

Mr. Teegarden is cashier of the City National bank of Weeping Water and has been in the business something over six years, prior to that having engaged in the drug and real estate business in that county, the whole covering a period of about twenty-five years.

He was president of the southeastern group of the State Bankers' association one term and was chairman of the republican congressional committee several years. In his statement he says:

In filing for the republican nomination as state treasurer of Nebraska, I freely admit that I am giving expression to a personal ambition to serve the people of this state in that important capacity. For the demand of this office I modestly feel that my experience and training as a country banker in Nebraska gives at least some small warrant of the qualifications necessary to the honest and intelligent discharge of the duties of the position.

In this first announcement of my candidacy I desire to pledge myself to the people of Nebraska that if nominated and elected to this office I will give them an economical and business administration of its affairs and to that end I will plan for and execute every possible economy that falls within my official discretion under the laws framed for the conduct of the state treasury.

Believing that the highest good to the taxpayers of the state is founded on the preservation of the credit of the state at the highest mark, I pledge myself, if elected, to use every legitimate means to bring up to par and maintain at that level state warrants issued in payment of the obligations of the state.

Other than this short review of the general policy on which, if elected, I hope to conduct this office, I feel satisfied in leaving everything in the way of recommendation of my qualifications to the many substantial citizens of the state who have known me during an average lifetime.

Charged with Stealing Tackle.

PLATTSBOUTH, Neb., June 11.—(Special.)—Sheriff Fisher of Nebraska City arrested two men who gave their names as C. B. Ashley and Charles Anderson and stated that they resided near Omaha. They had a boat and a bunch of fishing tackle, which it is charged they had stolen along the river at this point and at Rock Bluffs.

KENNEDY WILL FILE FOR CONGRESS IN FIRST

(From a Staff Correspondent.)

LINCOLN, June 11.—(Special.)—Crawford Kennedy will file for the republican nomination for congress in the First district next week, probably on Monday. When the committee of citizens waited on Mr. Kennedy a week ago and asked him to allow his name to be used in the republican primary, he did not take the matter very seriously. He has been helping others in office so long and never considering any other reward but the satisfaction of seeing his friends elected, that he has never considered the matter of running for office himself. But he has had so many assurances of support from people all over the district that he has come to the conclusion that he would like to make the race.

YOUNG MAN IS KILLED BY BROKEN LIVE WIRE

GRAND ISLAND, Neb., June 11.—(Special Telegram.)—One fatality only is so far reported from the storm today, that being the death of William Gehrt, aged 21, who was electrocuted after the storm as he was on his way home. He was riding a bicycle and a street wire section got off his wheel to lift a wire out of his way. Despite warnings shouted to him from those who knew the wire was alive, he seized it and attempted to throw it from him. He received a long contact of some 2,800 volts and was instantly killed. His body was rescued by one of the bystanders, throwing a stick at the wire and knocking it from his body.

FORTY TYROS ARE MEAT FOR THE TIGER AT M'COOK

M'COOK, Neb., June 11.—(Special Telegram.)—Delhi Temple No. 100 of Hastings held a ceremonial in McCook this evening, at which about forty tyros were fed to the tiger in the usual manner.

The ceremonial opened with the usual parade, after which a banquet was served in the Masonic banquet hall, about one hundred plates being laid.

J. WARREN KEIFER FILES FOR RAIL COMMISSIONER

(From a Staff Correspondent.)

LINCOLN, Neb., June 11.—(Special.)—J. Warren Keifer of Lincoln, at one time chairman of the republican state committee, this afternoon filed for the republican nomination for railway commissioner.

Hessian Fly in Jefferson.

FAIRBURY, Neb., June 11.—(Special.)—According to reports brought in by farmers living in the vicinity of Fairbury, the Hessian fly is at work in a number of wheat fields and is doing some damage. The fly seems to operate near the first joint of the wheat stalk. Rust is also doing some damage to wheat. The wheat crop in Jefferson county will probably excel that of any former year.

Commencements

GRAND ISLAND, Neb., June 11.—(Special.)—The commencement exercises of the Grand Island college were held this morning in the gymnasium building of the college, the graduates being: Maude Eberly, Warren Stearns, D. P. Davis, John Edmund, Roy Larson, Mame Lewis, Charles Brock, Mildred Cheney, Byron Vaughan and Edna Nilsson. The baccalaureate sermon was delivered Sunday. The commencement address was delivered by Rev. J. A. Maxwell, D. D., of Omaha. A commencement dinner followed the exercises. The annual meeting of the board of trustees, President I. W. Carpenter of Omaha, presiding, is also being held. This afternoon the alumni association had its annual meeting and this evening President Taft will give a reception.
