ARE ENROUTE TO YELLOWSTONE

Big Delegations to Pass Through Omaha Each Day Until June as Guests of the Union Pacific.

The third delegation of theeastern rail way ticket agents, from the New York district, guests of the Union Pacific, arrived at Omaha yesterday.

They were met at the town repot by representatives of the passenger traffic department and escorted to the Union Pa cific building at Fifteenth and Dodge streets, where after being introduced to the members of the traffic department they were shown over the new office building, visiting the laboratory of Dr. F. H. Millener, experimental engineer who demonstrated the efficiency of the wireless telegraph and telephone as applied to railway operation.

Before leaving on the Los Angeles limfted each guest was presented with a colume of the "Book of a Hundred Bears," a guide through Yellowstone National park, which they will visit en route, and pictures of the office building. by Gerrit Fort, passenger traffic man-

The expenses of the ten days' trip, which includes Yellowstone National park, Denver, Salt Lake City, Ogden and Los Angeles, are paid by the Union Pacific railway, whose purpose is to make the eastern agents better acquainted with the route over which they send so many tourists. A deferation of these ticket agents will pass thorough Omaha each morning until Friday June 26.

### EASTERN MEN SEE WIRELESS Howell Says He Will Not Be a Candidate in Governor Race

R. Beecher Howell, general manager AT THE HAPPY HOLLOW CLUB of the Metropolitan Wager district, who has been urged by many friends to be a candidate for governor on the republican ticket, has announced that he will not enter the race.

"Td like to be governor," said Mr. Howell, "but I haven't the time to devote to a campaign such as I would feel obliged to make if I became a candidate. Besides, I have lots of work to do in

Mr. Howell's statement follows: have felt very much complimented the suggestion of my name for gov-

I have felt very inuch complimented by the suggestion of my name for governor, and as much as I should like to serve this state in that honorable capacity, yet I am more strongly inclined to carry on the work of public ownership in this city. As a result, I will not be a candidate at the coming primary, but will devote my energies to the water plant and to a campaign for lower electric rates through the development of a public lighting and power plant under the control of the Metropolitan Water district.
