Mr. Fairchild came here in December, 1874, a young man just out of college. The institution with which he connected himself was then well started on its third year and was doing largely academy grade work, but the college department was in evolution.

DELZELL FILES IN THE FIRST

State Superintendent Will Contest for Congressional Nomination.

SIXTH CANDIDATE TO ENTER

Elliott Files for State Superintendent After Holding Down Position of Deputy—Queer Request Made a Condition.

(From a Staff Correspondent.)

LINCOLN, June 17.—(Special.)—State Superintendent James E. Delzell will not be a candidate for re-nomination for that office, but filed this morning for the republican nomination for congress in the First district.

Mr. Delzell is the sixth candidate to file for the republican nomination for that office in this district. For some time it was thought there would be a dearth of candidates on the republican side, but any idea of that kind has been dispelled by the crowding of the track in the last month.

Those already filed are Crawford Kennedy, Frank E. Edgerton, George E. Tobey and James E. Delzell of Lincoln and Wilbur W. Ames of Dunbar and Charles C. Marshall of Nebraska City. It is also said that ex-Sheriff Z. S. Brandon of Lincoln may get in the race and the name of Rev. F. S. Stein has also been connected with the nomination.

Elliott for Superintendent. Another filing this morning was that of Deputy State Superintendent Robert I. Elliott for the republican nomination for state superintendent. Mr. Elliott is a native of Cook county, Illinois, by came to Nebraska in his early boyhood, settling in Wayne county. He is a graduate of the University of Nebraska. He has been superintendent of the schools at Chadron and Broken Bow and was principal of the Pilger schools. He was superintendent of Stanton county and has taught several county schools in that county. He is a young man and was recently married.

Charles Ruden of Crofton has filed for the republican nomination for the state senate to represent the counties of Knox and Cedar, the district represented by Dr. J. M. Talcott at the last session.

Kimball Company Appeals. The T. L. Kimball company has appealed from a judgment secured in the Douglas county district court by E. L. C. Gilmore, for damages, sustained to his wheat field by reason of hogs belonging to the defendant breaking into the field and destroying the wheat, which had been cut and was in the shock. He set his damages at \$344.55 on 450 bushels. The jury gave him a judgment for \$225 and the defendant appeals.

Asks Trust Reports.

The state auditor's office is sending out blanks to the twelve trust companies doing business in this state for a report of their condition at the close of business June 30.

No State Piano Tuner.

T. B. Smith of Norfolk wants to know of the state auditor if there is such an office in the state as state piano tuner. He writes the auditor that John W. Evans and his son have been advertising in Norfolk that they hold a license from the state as official piano tuners and he wants to know what authority they have for such representation.

The auditor has written Mr. Smith that the statutes provide for lots of offices, but somehow the legislature neglected to create the office of official piano tuner, although some of the political instruments around the state house are badly out of harmony and the fellow who could put them in tune might hear of something to his advantage.

Nurseries Incorporate.

The Plumfield nurseries of Fremont have filed articles of incorporation with the secretary of state with a capital of \$50,000. G. L. Welch is president; M. H. Welch, vice president; M. E. Roesch, secretary, and E. S. Welch, treasurer.

Edgerton as Orator.

Frank A. Edgerton, assistant attorney general, will go to Woodbine, Ia., this week, where he will make several addresses in connection with the commencement exercises of the college there, of which he is an alumnus. On Thursday evening he will address the alumni at the annual banquet. On Friday evening he will deliver the commencement day address and on Sunday he will address a big mass meeting of all the churches of the city under the auspices of the civic league.

Republicans and Moosers in Franklin Fuse County Ticket

UPLAND, Neb., June 17.—(Special.)—The Franklin county republican convention was held at Campbell yesterday. A very heavy rain in the south part of the county detracted from the attendance, but those present made up in enthusiasm for their lack of number.

Resolutions were passed eulogizing Senator Norris, Congressman Barton and Representative Erickson. President Wilson's Mexican policy was criticized. The tariff bill was condemned. Increased state taxes under Governor Morehead's extravagant administration were deplored.

The last clause of the resolutions was: "We believe that all honorable means should be used to unite the progressive and republican parties, in their fight against the common and ancient enemy." Dr. N. T. Johnston of Upland was again chosen chairman of the county central committee and the following delegates were chosen to go to the state convention: J. E. Peterson, August Anderson, Ben Harris, John H. Harris, William Cowan, W. C. Dorsey, Dr. N. T. Johnston, James Conkling, Charles E. Moffett.

While the republicans were holding their county convention in the opera house at Campbell the progressives held theirs in the athletic club rooms. About thirty delegates were present. It was decided best to avoid conflicts, as far as possible, between republican and progressive county and township candidates. Both conventions appointed conference committees on this matter.

Bert Miller of Bloomington was re-elected county chairman, with I. Montgomery of Bloomington, treasurer and Karl Spence of Franklin, secretary.

In this county the republicans will have candidates for the legislature, delegates, coroner, while the progressives will have candidates for clerk, superintendent and sheriff. All candidates will be put on one or the other

primary ticket by petition. Fusion tickets were nominated in all townships.
