Joseph Amerbach. Harper & Brothers. A colection of essays, treating many subjects, widely diverse in character. The author sets forth in his essay on "Literature and the Practical World" his belief that the literary spirit and the bustness life should enter into closer acquaintance to the benefit of both. In his essay on "The Bible and Modern Life" he considers the Bible both from the standpoint of its religious value and as the great column which supports so much of English literature. The titles of some of the other characters are: "A Club," "Future In America," "English Style," "One Phase of Journalism," "Protest of the Democratic Party," "Mattherw Arnold," etc.

THEY WHO KNOCK AT OUR GATES. Ry Mary Antin. 143 Pp. \$1. Houghton Mifflin company.

A plea for the immigrant-the immigrants who are coming now; for those hordes of all nationalities whom many think it wise to restrict. Miss Antin evolves some startling comparisons and deductions, and the book has a unique

THE SEEN AND THE UNSEEN. By William Dean Howells. Harper & Brothers.

A book of sprightly fantasy in which Mr. Howells visits Stanford-on-Avon with Shakespeare, whom he found "a variously charming companion." and together they witness a pageant of festivities in Shakespeare's memory. They talk of the affairs of Shakespeare's youth and are finally joined by Bacon, when the two older writers joke each other about the authorship of the plays.

AMERICAN LITERATURE. By William J. Long. 471 Pp. \$1.36. Ginn & Co.

QUEEN ELIZABETH. By Gladys F. Locke. 256 Pp. \$1.5. Sherman French & Co.

History has not always been kind to Elizabeth, and sometimes has laid undue emphasis upon her frivolities and little vanities. She is here depicted in her many and sharply contrasted aspects; as the keen, farseeing and wily stateswoman; as the coquette, not always frivolous, but often seemingly so for the sake of England's weal, and as the sincers and sympathetic friend.

ENGLISH LITERARY MISCELLANY, by Theodore W. Hunt. 318 Pp. Bibliotheca By Theodore W. Sacra company.

The papers presented are developed along historical and critical lines, and seek to relate the study of our vernacular literature with the manifest progress of English thought and life.
