NEW LINEUP WINS FOR OMAHA

Gonding Switches His Athletes for Luck and They Win.

JOE WARD GOES TO FIRST BASE

Former Third Sacker is Given Job

of dropping three in a row to the detestable Hollanders from St. Joseph, Johnny Gonding became exceptionally peevis yesterday afternoon and he switched the Rourke lineup from top to bottom for luck. And taking it direct from Johnny changing the lineup in the manner h did certainly does bring the old luck to the fore. With Dunlop batting second Thomsson in cleanup, Congalton down in sixth and Joe Ward occupying first base the Rourkes brought home the bacon without any distressing opposition, 5 to 1

Ward occupied the initial sack like Pal Chase did in his prime, wheneve that was. Seventeen chances did Mr Ward accept without even the slightes manifestation of trepidation and some o the chances came with much velocity and irresponsibility as to direction. Lyle did very nicely, but he let the Rourkes hit at inopportune times and this spelled his destruction.

Bourkes Count on Errors.

Two errors by Rip Watson gave th Rourkes a count in the opening stans Dunlop was safe on Rip's first mish and he promptly swiped second. He to third on Krug's infield out and rome home when Rip made his second bobt on Thomason's grounder.

All was quiet until the fourth when t Rourkes busted into print again. Thom sen beat out a bunt. This so surpris and startled Purcell that he was n mentarily upset and being in such con tion allowed three more awats before woke up. Thomas poked one to cer and Bunk Congalton poled one to righ scoring Thomason. Ward's bingle to le sent Thomas over and the battle w salted for the home boys.

Just to make it interesting to the la bugs who were clamoring for more e citement the Rourkes copped a coup more in the sixth. Thomason walked a went to third on Fred Thomas' dou't to right. He missed a perfect strike at which Crosby struck and the ball rolled to the grandstand while Thomas waltzed home

Willis Holds Josies Tight. For eight innings Mr. Willis was in regular form. When Willis is in regular form he is hard to handle. Thus the Josies didn't score during those eight chapters. But in the ninth Rip Watson slammed out a single which got mixed up with Thomason's shoe strings and he took second. Bill Fox, once a despised Rourks, popped a single over second base and Rip ripped home. That was all as the next two were easy outs The same teams play today. Game

Rob! Burns Cigar 10¢

There comes a time when a man feels an overwhelming desire for a real, satisfying smoke.

You've felt the longing. What do you do?

Probably what 8 out of 10 men do. You let cigar price guide you in making your selection rather than cigar quality. You pick out the highest priced cigar your pocket-book will stand.

The unfortunate part is that the high priced eigar does not always mean satisfaction. It requires more than expensive tobacco alone to produce a mild, full-flavored cigar.

Full-flavored mildness depends upon the correct blending of the right kinds of tobacco.

You will recognize it at once in the Robert Burns. The Robert Burns has the rare flavor and mildness which indicate smooth, mellow tobacco that is perfectly blended.

Every fragrant-burning inch of the Robert Burns is the same. Always mild-always the same generous measure of delicate flavoryou get real smoke-satisfaction from the first puff to the last.

Our new "Invincible" is an especially fine looking, free-smoking shape of the Robert Burns.
