SKINNER'S

ELBOW MACARONI (Continental Style)

"Boil one-half a large package of Skinner's Elbow Macaroni ten minutes, drain and blanch. Blend together three tablespoons of butter with a like amount of flour, mix with the macaroni. Cut four tomatoes in halves, season highly with salt and pepper, place on each half a small slice of salt pork, arrange in a baking dish outside up and bake until tender, but not broken. Arrange the macaroni in a buttered baking dish and lay tomatoes on it. Dust over with grated cheese and brown in the oven."

Most housewives like Skinner's Elbow Macaroni because it is out ready for use. Always insist on it at your grocers—the best brand sold in Omaha.
