American from Mexico Says He is Responsible for Loss of Life.

VERA CRUZ ATTACK WRONG

Orang eGrower Near Tampico Declares Invasion a Mistake and Says Americans Were Saved by Huerta.

"It will be but a short time before the lives of nearly 100,000 helpless people," farmer who was in the Atascador colony, of mailsixty miles from Tampico, for eight years, stopping at the Merchants hotel.

continues, 'whould be very cautious about but a few hundred pounds. endorsing the Wilson administration for that reason. The president's policy, in from the United States, has not only re- rate. sulted in the killing of many Mexicans and

Responsibility at Vera Crus. to the slaughtering of several hundred helpless Mexican men, women and chil-dren in the attack on Vera Crus. That murderous and piratical act alone drove 10,000 Americans from their homes and Many Tractors to property in Mexico and their very lives were saved only by the exertions of President Huerta. The American people owe him their most profound thanks, for he saved many of them, even after our

across the border." started with capital furnished by "a large oil corporation of New York" (Standard Oil company), which, he says financed Madero, through the control of whose administration it would reap millions of

"Wilson has not been 'watching and Warner declares, "The president has been meddling with the Mexican federal government and has been helping. with all his power, the robbers and murderers who oppose that government.

'The net results of Wilson's policy have been to direct against us the enmity and distrust of 17,000,000 people of a sister republic and of other American republics, thereby driving trade and commerce from our people to European nations; to cause the loss of many innocent lives; to drive thousands of American farmers from their Mexican plantations; to lose for them all their worldly possessions down there, and to bring the United States on the brink of war with Mexico that would cost many lives and much money.

Croup and Cough Remedy.

#### CONDEMNS WILSON'S POLICY Uncle Sam Lets New Contract for the Hauling of Mail

The first new mail carrying contract as been awarded by the government to Mont Young, Duchesne, Utah, on a basis of El per 100 pounds for transporting third and fourth class mall from Colton to Vernal, Utah, a distance of 116 miles.

With the inauguration of the new parcel post system and the supsequent in crease allowed in both the size and weight people will discover that President Wil- of packages, rural mail carriers who had son's Mexican policy has destroyed the been awarded routes at a flat rate for carrying all mails for the entire year declares P. W. Warner, an American began to suffer through excessive loads

The parcel post worked a particular until foreigners were forced to leave hardship on rural carriers in the moun-He is now making his home at tainous states, many of them receiving. Fremont and is in Omaha for a day, as much as 3,000 pounds of mail in a 'Candidates for office," Mr. Warner roads, where their former load had been single day for transportation over rough

These carriers were bound by their bonds to carry the mail and there was no giving his moral support to the Mexican alternative for them but to carry the rebels and allowing them to get arms enormously increased mails for the old

With this problem the department found also some Americans down there, but a new form of contract necessary. The has in addition enabled the murderers present new contract, the first of which to rob Mexican citizens and foreigners of was awarded this week, was the result, hundreds of millions of dollars worth of the carrier taking the contract on a basis of weight, instead of the former flat rate at a given price per year. The new con-"And, finally, to cap the climax of all tract further specifies that the carrier blunders and follies, Wilson's policy led must accept loads at the fixed rate per 100 pounds, regardless of future increases

## Exhibit at Fremont

Thirty hissing and puffing steam traction engines, trailing immense gang plows, nation had armed his enemies and had the whole body turning sixty acres of imprisoned 4,000 of his soldiers who fled stubble per hour into fall plowing, is to be a spectacle witnessed at the second The refugee, in criticising Wilson's annual power farming demonstration to policy asserts that the trouble in Mexico be given just out of Fremont during the third week of August. Thirty of the largest manufacturers of tractors in the United States have promised to bring from one to five of the latest designed machines for the purpose. That the tractor is a more economical source of power for farm implements than the horse what they are to demonstrate. The made good on this so well last year that they are determined to come back and deal "horse farming" another blow that will push it just another step into the oblivion which it is one day to occupy beside the old ox farming of a half cen

#### Retailers Close All Day Fourth of July

Because the Fourth of July falls upon Saturday this year, the members of the Associated retailers have decided to make Friday the long day of the week, and will stay open the night of the third until nine o'clock. They will close all day on

the stores will close every afternoon, except Saturday, at five o'clock.

GET INTO THE CLOTHES GAME RIGHT

### Saturday Will Be a Lively Day at the Men's Clothing Sale
