SALOON LICENSE CASES TAKEN TO SUPREME COURT

(From a Staff Correspondent.) LINCOLN, June 29.-(Special.)-Two appeals from district courts to the supreme court were filed today, one from Newman Grove in Madison county and the other from Oconto in Custer county. In the Madison county case Charles Olson and others appeal from the court's decision in a case wherein it is sought to revoke the action of the village board of Newman Grove in granting saloon licenses to Fred Benson and Gideon Peterson. Grounds for the action were on a strance brought alleging that the applications for licenses were not in good faith and that the applicants were merely dummies" to secure licenses for men who could not get them in their own names. The district court upheld the action of the board and the case is

brought to the higher court. The other case is alsi one involving the issuance of a saloon license to Daniel Buckley at Oconto. Frank Major and others remonstrated against the issuance of the license on the ground that the application did not contain sufficient property holders to meet the requirements of the law. The Custer county district OLD SUIT IN JOHNSON court held against the saloon keeper and he appeals.

1519-21 Douglas St.

S. ARNSTEIN A. MAYER

If speed is what you want in the delivery of cuts, we can satisfy your wants. We have plates going through our plant which must be turned out for use in our own publication and in most cases your work could be made at the same time. Our own cuts show up well in the paper, why not have yours made under the same conditions?
