Brock Wins London to Paris and Return

LONDON, July 11 .- The aeroplane race from Henden to Paris and back today was won by Walter L. Brock, the Ameriserial derby round London and the London-to-Manchester air race.

Walter L. Brook, the American, was the first of the six contestants in the London-Paris-London aviation race to arrive at the Bus aerodome. He landed at II:18 e'clock, Lord John Carbery was second at 13:04 p. m. and Raoul Garros third at

Brock's flying time from London to Paris was three hours and thirty-three minutes; Carbery's three hours and fiftytwo minutes, and Garros' four hours and

Brook started on his return journey t London at 1:18 p. m. Breck was the first to arrive on the French side of the channel. He landed at Hardelot near Boulogne, and after tak-

ing a fifteen-minute rest continued his clight to Paris. Carbery, Garros and Eugene Renaux, two Frenchmen, closely followed Brock, Renaux carrying with him a woman

passenger. Two other British entrants, Reginald M. Carr and Louis Niel, descended before reaching the English coast from Lon-

Brock arrived at the Hendon serodrome just outside of London, at 4:48 o'clock. having taken exactly three hours and a half to fly from the Buc aerodrome, outside Paris. As his flying time on the outward journey from Hendon to Paris was \$ hours and 83 minutes, the total duration

of his double journey was 7 hours, 3 minutes and 6 seconds, official time. On his arrival Brock received a gres welcome from the huge crowd assembled in the aerodrome. He has become very popular in England since his arrival here from Chicago two years ago.

Carranza and Villa Delegates Agree

Upon Scheme. ARMY WILL MAKE PROGRAM

Congress Consisting of Officers and Delegates Elected by Soldiers Will Direct the Affaire

for a Time.

TORREON, Mexico, July 11 .- At the Carranza-Villa conciliation conference at Torreon an effort to prevent General Carranza or any of the military leaders of the revolution from becoming candidates for the presidency or vice presidency failed to be adopted, according to a lengthy official statement issued here to-

The motion was made by the Villa delegates. A motion passed, however, demanding that the first chief, as president ad interim, at the triumph of the revolution should call a convention composed of delegates representing the constitutionalists' army, every 1,000 soldiers to be represented by one delegate selected by a committee of military chiefs to be approved by the general of the division, which would fix the date and arrange for the election.

A list of names was suggested to Car-Republicans of Douglas county held ranza by all the delegates from which their convention in the Board of Trade he could select if he saw fit, a probuilding yesterday afternoon. The dele- visional cabinet or a consulting commitgation for the state convention at Lin- tee to act until the election of permanent coln was chosen; the new central com- officers. Resolutions also were adopted mittee named; and Franklin A. Shotwell condemning what was declared the acof Omaha endorsed as candidate for tivity of the clergy in assisting the

Villa Loses Contention. This followed a fight in which the Villa delegates attempted to eliminate any military leader, including Carransa, from presidential possibilities. Those recommended as suitable for the provisional cabinet were Iglesias Calderon, Luis Cabrera, Antonio Villareal, Miguel Silva, Manuel Bonilla, Alberto Pani, Eduardo F. Hay, Ignacio Pesqueira, Miguel Dias Lombardo, Jose Vasconcellos, Miguel Aleasie Robles and Federico Genzalez

According to the amendments of the the government at Mexico City, General Carranga would call at once a congress of his military leaders and representapublicanism, in the state and nation, tives of the rank and file, who would be spoken for by one delegate to every 1,000 men. This body would adopt a plan for "Whereas, The republicans of Douglas the holding of elections and a program county, where about one-seventh of the for what policies should be put into effect voters of the state of Nebraska reside, by the functionaries who might be elected. feel they are entitled to this honorable It was stated positively that "no con-

didate for president or vice president." The official statement showed that the las county in convention assembled, that argument had been spirited at times, but we tender to our colleague, Franklin A. It reflected a final accord of the delegates to the republicans of Nebraska, as an east as spokesmen for General Carransa. At the beginning of the sessions, which extended over nearly a week, the Villa delegates requested that Carranza name "responsible cabinet," naming various persons as those who would be acceptable to replace the present members of the pro-

Carranas Cabinet Named, restion and all delegates agreed to present a list of names from which could be chosen a "directing committee" of the Aeroplane Contest government They were islectas Calderon. Luis Cabrers, Antonio I. Villareal, Miguel Silva, Manuel Bonflas, Albertto Pani. Eduardo F. Hay, Ignacio L. Pasqueira, Miguel Diez Lombardo, Jose Vasconcelos Miguel Alessio Robies and Frederico Goncan airman, who recently carried off the zales Garza. Three named were members to force Father Williams to produce of the conference.

An important act of the conference was directed against the clergy, who had taken part in the present revolution. The statenent said:

"In connection with some recommends tfons regarding the agrarian problem, that members of the Roman Catholic clergy who actually or intellectually had assisted the usurper, Victoriano Huerta, should be punished."

Referendum Can Be Used Against Armory Appropriation Act

(From a Staff Correspondent)
LINCOLN, July 11.—(Special Telegram.) The supreme court today upheld the evoked in an effort to annul the \$30,000 for an armory.

AGAINST MOORHEAD

Does Not Need to Produce His Father's Papers, Which Were Reported Lost.

AFFIDAVIT HELD SUFFICIENT Sworn Statement Enough to Prove His Naturalization.

HE HAD VOTED FORTY YEARS

But This Fact Did Not Make Any Difference to Mr. Moorhend, Who Hold the Law Contemplated Differently.

former ruling in the Moorhead-Williams election case and now holds against Election Commissioner Moorhead in that the sworn affidavit of an applicant for registration as to naturalization is sufficient grounds for registration.

In the syllabus of the decision the court holds that the registration officers of cities covered by the act, in registering voters under the provisions of section 12a, act ministerially; that they are concluded by the answers of an applicant for registration and that the record to be made under subdivision 10 of this section is to be determined by two of the supervisors of registration from the answer of the applicant to subdivision 7, and the evidence submitted or presented by him in answer to subdivisions 8 and 2. The acts of the election commissioner

under the last paragraph of section 10 revolution plan, upon assuming control of and under section 13 are quasi-judicial to

Affidavis Sufficients That when the commissioner enters of causes to be entered the word "challenge" opposite the name of a voter on section 10, the proof necessary to be furnished by the voter, in order to leave such callenge withdrawn, is the proof specified by section 10 vis., the filing of the affidavit setting forth facts show ing the correctness of his registration verified by two regularly registered voters of this election district, which proof is not required to be the production of his naturalization papers or a certifled copy of the record of the court in

the grounds that he was born in Ireland and could not produce his father's naturalization papers. He came America with his father as a child and his father took out his papers before the boy was 18 years old. The election com-

missioner of Douglas county attempted his father's naturalisation papers, although Father Williams had voted in Douglas county for over forty years, and was universally recognized as a citizen, because his father was naturalised when be was still a small boy.

Bletory of Case. The supreme court first held with the election commissioner, and for a time his ruling on this matter held, and resulted in much inconvenience to the older settlers of Omaha, who had never thought it worth while to preserve the naturalisation papers of their fathers for a half century. On a second consideration of the case, the supreme court has reversed itself holding that a sworn affidavit regarding naturalization, is sufficient for

This decision will affect hundreds of citizens in Omaha. Fort the election comection of the Lancaster county district missioner has barred many from regispourt in the Nebraska City armory case tration in the past several months, when and held that a referendum can be they were unable to show their father's papers. Among them is Rev. T. J. Macappropriation voted by the legislature kay, who had the same difficulty with the election commissioner a few days ago, when he tried to register. He was also born in Ireland. He also came to America when he was a small boy, and Attacks Birrell was naturalized. After voting here for was naturalised. After voting here for nearly forty years, he was challenged by BRISTOL England, July 11 -A violent the election commissioner, and the papers attack was made today on Augustine Bir- of his long deceased father were de-

Others Affected. The decision will also affect Vaclay Buresh, who was once a member of the a heavy bundle of papers in Mr. Birrell's Nebraska legislature, but who has not been permitted to register under the election commissioner. Buresh has been in the country over thirty years. His father was naturalized when he was a small boy. In the Chicago fire of 1871 the official records were burned. When the election commissioner in Omaha asked for the record of Buresh's father's naturalization papers, Buresh complained that the Chicago fire had burned them. The commissioner held that was none of his affair, and that he must have the record.

Girl Strike Leader

PITTSBURGH, Pa., July 11 .- A 17-yearfrom General Obregon, dated old girl striker, whose action in waving an American flag in front of the column of Pennsylvania constabulary when they this time I have captured three trains entered the strike sone in East Pittsburgh ten day ago nearly led to disorder, will be among those to return to work at the electric plant Monday and she will go to a better position.

Captain L. G. Adams, commanding the constabulary, so admired the determination of the girl, that before leaving the district yesterday he went to the com-pany officials and obtained a piedge from JOHANNISTHAL, German aviator, using the same biplane as was employed by Landmann in making his nonstep flight of 11 hours 2 minutes on June 21, today made a new duration record of 26 hours 13 minutes.

district yesterday he went to the company officials and obtained a piedge from them that the girl would not suffer because of her sot. The officials, it is said, also promised to promote the girl, whose matter has been withheld.

REPORTS OF SIGNALS DIFFER Board Disregards Testimony of All Officers on This Point.

THIRD OFFICER WAS ON BRIDGE

He Ordered Course Changed After Fog Appeared Without Consulting First Officer or Calling Captain.

QUEBEC, July 11.-The collier Storetad is held to blame for the Empress of Ireland disaster in the findings of the wreck commission, handed down today. The commission holds that the disaster was due to the Storstad's change of course ordered by the third officer without instructions from the first officer, who was in charge of the collier at the time

The Empress was sunk in the St. Lawrence on May 22, with a loss of more than 1,000 lives.

The inquiry into the disaster was begun in Quebec on June 18 by a commission composed of Lord Mersey, formerly presiding justice of the British admiralty court; Sir Adolpho Routhier of Quebec and Chief Justice McLeod of New Brunswick. The commissioners were assisted in their work by Commander F. W. Caborne of the British Royal Naval Reserve, Prof. John Welsh of New Castle, England; Captain Demore of the Dominion Wreck commission and Engineer Commander Howe of the Canadian naval service. Commander Caborne and Prof. Welsh were nominated by the British Board of Trade. Lord Mersey also presided over the inquiry into the Titania

Third Officer on Bridge. The collier's third officer found responsible is Alfred Tuftenes. He was on the bridge when the crash occurred, and the report holds that "he was wrong and negligent in keeping the navigation of The district court of Douglas county is to call the captain when he saw the fog the vessel in his own hands and failing aster was not due to any special charac-

(Continued on Page Two.) Steamer Invermore Sinks Off Labrador;

Passengers Saved BT. JOHNS, N. F., July 11 .- All of the passengers on the coastal steamer Invermore, which struck on the rocks near Brightarbor point, on the Labrador coast, last night, were landed safely today. Messages received here from the scene of the wreck said that the steamer filled rapidly after striking, and was today resting on the rocks with only its top

deck above water. The Invermore struck while trying to avoid the heavy ice north of the Strait of Belle Isle. It left here July 4 to go as far north as the ice would permit. It carried a heavy freight and many passengers, most of them Labrader fishermen and planters who were bound north

for the summer The steamship Kyle, with divers and wrecking gear, was sent from here for Brig Harbor today, as the officers of the Invermore believed that there was some hope of refloating the vessel.

Yes--There's Often Romance In Want Ads!

Sometimes a matter-offact "To Rent" ad may be a link in a chain of somebody's romancemay denote an epoch in a group of lives—may be a phase of "a story that is stranger than fiction!"

Frequently someone's life hangs on the results to a plain little two-line "Situation Wanted" ad. The struggle of thousands for the real necessities of life fills the Want Ad columns every day.

Do not imagine that Want Ads are prosy or trivial.
