R. J. REYNOLDS TOBACCO CO.

Play P.A. right across the boards!

You lay an odds-on bet that Prince Albert is the best pipe and cigarette smoke any man ever put a match to. You'll cash in before you clean out your first tidy red tin.

Here's tobacco that's got real redblooded man punch, but it can't bite your tongue and it can't parch your throat. That's thrown into the discard by a patented process owned exclusively by the manufacturers. You stick a pin here-no other tobacco can be like Prince Albert; nor has P. A. any "near" relatives! Follow the thought?

Just put it right up to yourself for a test-out. Lay a dime against a tin of Prince Albert and get tipped off from the home plate as to how close to case cards this talk is.

You get wise to that P. A. flavor and fragrance. Because it's just one of those little things in life that smooths out ruffles and wrinkles in the day's work and sends you along right cheerful like.

> Prince Albert is sold everywhere. In toppy red bags, 5c (handy for rolling 'em); in tidy red tins, 10c; also in handsome pound and halfhumidors that make a hit
