**McShane Declares Profits by Decision**

(From a Staff Correspondent.)

LINCOLN, July 16.—(Special.)—Sheriff Felix J. McShane of Douglas county was a caller at the office of Governor Morehead this morning. He said that according to his attorney, Arthur Mullen, and others who have looked the matter up, the decision of the court which nullifies the Sackett law regarding the right of county sheriffs to feed prisoners, also nullifies the law covering the reporting of fees collected and turning them over to the county.

This in Douglas county, he said, will add to the sheriff's income about \$10,000 a year, according to Sheriff McShane.

With his salary, which is about \$4,000, the sheriff feels that he can get along very nicely.

**Northwest Potato Crop Up to Standard**

(From a Staff Correspondent.)

LINCOLN, July 16.—(Special.)—Reports from Sheridan, Box Butte and Brown counties indicate that the potato crop in the northwestern part of the state will be up to the usual standard. The vines are in healthy condition, the yield good and the crop has come through remarkably free from disease. Sheridan and Box Butte counties are close rivals in the matter of production. Brown county does not grow as many potatoes, but manages to turn out an early product.

In Scott's Bluff county the potato crop is an important factor, several days ago the reports indicated a good crop. This is in the irrigated potato country; while in Sheridan, Box Butte, Brown and other counties rainfall is relied on to mature the crops.

**Bankers Life Insurance Company, Lincoln, Nebraska.**

Dear Sir: Your cash value in settlement of policy No. 2974, \$837.41, was more than appreciated and I must congratulate you on the speedy settlement you gave me as I really did not know the policy matured on September 13th, not having the same in my possession. I was more than pleased with the large cash value, and am only sorry I did not take out a \$5,000.00 policy when I took out the \$1,000.00 as it turned out better than any banking institution could have thought of in dividends. Again I commend the Old Line Bankers Life Insurance Company of Lincoln, Nebraska, on the efficient manner in which they handle the business and will recommend the same to one and all who are thinking of insurance.

I expect to take out another policy in the near future and shall consider the Old Line Bankers Life. Yours truly,
