CONFERENCE IN MEXICO CITY Military Chief Representing All Sections of Insurgent Army Will Perfect Details of the New Administration.

WASHINGTON, July 24.—Direct advice to the United States today from Provisional President Carranza, General Carranza, General Villa and Emiliano Zapata—the four chief elements in the Mexican problem, renewed the hopes of officials here for peace.

Carbajal, through the Brazilian minister in Mexico City, officially declared he was willing to transfer the executive power to Carranza, and had sent a delegate, Reginaldo Cepeda, to arrange with the constitutional chief.

Will Be Lenient. Carranza, through the American consul accompanying him, manifested his readiness to be lenient with the foes of the constitutionalists and give the desired guarantees.

Villa in a message phrased in most courteous terms spoke of his desire to see peace established on a basis of justice and liberty and gave assurances that he would do his utmost to restore normal conditions.

Communication with Zapata has been difficult, but official word has been obtained from him in which he manifests a desire to join with the constitutionalist chief in rehabilitating the governmental machinery throughout Mexico.

The program of peace in Mexico, according to officials and others conversant with the situation, is this: A declaration of a complete armistice within a few days between General Carranza and Provisional President Carbajal.

Signings of an agreement between the two forces for an amnesty and guaranty for the protection of property. Dissolution of the present congress and reassembling of the deputies and senators elected under President Madro, whose terms do not expire until next September.

Resignation of Carbajal to the Madro congress and designation by the latter of Carranza as provisional president under the constitution.

Conferees of chiefs in Mexico City, including representatives from Generals Zapata and Villa, for the formation of a reform program for the new administration.

TBDY READY FOR TRIAL

Ex-President Says He Will Prove Charges Against Barnes. DEFENDANT ALSO IN HURRY Each Side Issues Statements Saying It Wants to Get Libel Suit Settled Before Election.

OYSTER BAY, N. Y., July 24.—The reply of Colonel Roosevelt to the \$50,000 libel suit of William Barnes today was an attack on the republican state chairman and a promise to help the suit forward.

To make clear what he meant, the ex-president, who was in a fighting mood today, dictated this statement: "I'll do all I can to help hurry forward the suit.

"I regard the action of Mr. Barnes as the most striking proof that could be given that the bosses recognize in me personally the one enemy that they fear and, furthermore, recognize that the most dangerous menace to the present system of bipartisan politics in this state is contained in the movement to elect Mr. Hiram as governor on a nonpartisan ticket.

"I shall continue with increased aggressiveness to attack Messrs. Barnes and Murphy and the kind of machine politics which they typify, which I hold must be eliminated from the state."

Barnes Also Wants Haste. NEW YORK, July 24.—The trial of the libel suit of William Barnes, chairman of the republican state committee, against Theodore Roosevelt in which \$50,000 damages are asked because of references made to Mr. Barnes in a political statement issued Wednesday night will be held in Albany county, the home of Mr. Barnes, unless Mr. Roosevelt gets a change of venue.

Chairman Barnes is anxious for a speedy trial of the case and through his lawyer, James S. N. Tolan, he indicated he wished to have the issue settled on its merits before October.

"If Mr. Roosevelt wishes to adopt obstructive tactics," Mr. Tolan said, after reviewing the papers in the case, "the trial can, of course, be delayed for a year and a half or two years."

William Barnes, when shown the statement made today by Colonel Roosevelt in Oyster Bay, said: "The question involved in this matter is only whether he tells the truth."

At this point Mr. Barnes was reminded that the colonel had declared he could prove everything he had said. "What is that what we are here for," replied the republican state chairman. "But we are not going to discuss it here. We will discuss it in the courts and under oath."

PAUL WINS LEAD ON JIRASEK

Position of Two Athletes is Reversed at Meet. CHICAGO TEAM TOPS THE LIST Contestants from Windy City Are in First Place, Followed by Cedar Rapids and New York Men.

A neck and neck race for first honors, both individual and by teams, is making the Tri-State Sokol national tournament at Rourke park one of the liveliest turner meets ever held in the United States, and by far the most interesting competition of its kind that Omaha has ever seen.

Likewise in the team contest, Jirasek's bronzed huskies of the Cedar Rapids Sokol seemed to have a shade the better of the gymnastic and athletic argument at first, but the latest canvass of their standings, although not officially given out, indicates that Paul's Pienzsky Sokol of Chicago is now leading the field by a couple of hairs, with every chance to hold or even increase their lead.

Standing of Contestants. So far, final scores in the tournament have been made and tabulated only in a few events. As given out by Director Frank Filip and his crew of judges, they are as follows:

FIRST DIVISION. Side Horse—Possible 25 points: Paul's Frank Jirasek, Cedar Rapids, 24; George Vesely, Chicago, 23; Frank Paul, Pienz Sokol, Chicago, 22; Rudolph Novak, Cedar Rapids, 21; Frank Jirasek, Cedar Rapids, 20; E. Hasek, Cedar Rapids, 19; Bob Flia, New York, 18; Frank Kucanek, Cedar Rapids, 17; Parallels—Possible 25 points: Paul's Frank Jirasek, Cedar Rapids, 24; George Vesely, Pienz Sokol, Chicago, 23; John Kristufek, Pienz Sokol, Chicago, 22; Joe Pokorny, Baltimore, 21.

SECOND DIVISION. Running Broad Jump—Possible 10 points: Anton Kriz, New York, 10 ft. 1 in.; A. Kreck, Omaha, 10 ft.; G. Vosah, Long Island, 10 ft. 9 in.

THIRD DIVISION. 100-Yard Dash—Possible 10 points: Points Ben Soucek, Baltimore, 11 sec.; George Seld, Prague, Okla., 11 sec.; Otto Skola, Chicago, 11 sec. 9; Running High Jump—Possible 10 points: Joseph Hajek, Baltimore, 6 ft. 1 in.; Frank Soucek, Baltimore, 6 ft.; Emanuel Hojek, Baltimore, 6 ft. 11 in.; Pole Vault—Possible 10 points: George Seld, Prague, Okla., 8 ft. 1 in.; Joe Novak, Baltimore, 8 ft. 1 in.; Charles Jevak, Prague, Okla., 8 ft. 1 in.; Frank Praal, St. Paul, Minn., 8 ft. 3 in.

Paul Boosts Himself. In this morning's shot putting event, Paul, the Chicago near-champ, boosted himself into the lead by a surprising average in losing the sixteen-pound pellet. His record was obtained by averaging his best right and left-handed puts, and made the distance thirty-four feet, even, a surprise to even the veterans.

The wily Chicago Pienzsky men, who now rank best in the team competition are Frank Paul, captain; Joseph Gasper, Bohumil Mikula, Vasily Stranicky, George Vesely, John Kristufek and Marek Sipold. Only the unexpected mischance that hovers over all athletic contests can now keep them from winning the meet, the dopsters assert, for they live up to the labor law.

OBREGON HAS TAKEN POSSESSION OF COLIMA AND MANZANILLO

EL PASO, Tex., July 24.—Colima, capital of the state of that name, and Manzanillo, important west coast seaport, have fallen into the hands of the constitutionalist troops under General Obregon, said a report received here today from General Alvarado at Guaymas.

Colima was taken after several days fighting. Manzanillo was evacuated by General Teller, who had fled there from Guaymas.

The report stated that the troops and families of the officers were shipped south of the steambot Juarez to Malinalco.

Reports from the west declared that the Yaqui Indians were again on the war-path in southern Sonora, having sacked several villages. The Sonora troops were endeavoring to quell the uprising with little success.

AGUA PRIETA, Sonora, Mexico, July 24.—Eight constitutionalist soldiers and nineteen Indians were killed in a fight between constitutionalists and hostile Yaquis, according to a report received here today from General Salvador Alvarado, constitutionalist commander at Guaymas. The fight took place at Campo Verde on Tuesday.

Wilson Will Make One More Effort to Confirm Warburg

WASHINGTON, July 24.—President Wilson has decided to make one more effort to smooth out the differences between the senate and Paul M. Warburg, his nominee for the federal reserve board, and if he finds that impossible, he will withdraw his nomination as he withdrew that of Thomas D. Jones of Chicago yesterday.

He has been informed by senate leaders that Mr. Warburg's nomination can be confirmed if he will appear before the banking committee.

The president is concerned about Mr. Warburg because, if his name is withdrawn, only one banker will remain on the board, while the law requires two.

GENERAL RAINS HELP CORN

Reduced Price of Futures on the Local Exchange. COME AT AN OPPORTUNE TIME Reports from Over State Indicate Precipitation Amounted to Downpour in Many Localities—Crops Out of Danger.

Rains that were pretty general over the corn belt of Nebraska and Kansas Thursday afternoon and night caused a depressing effect upon the market, sending corn prices down 1/4 to 3/8 cent per bushel. On the Omaha exchange, corn opened a lead to unchanged from yesterday's close, but soon reports of heavy rain nearly everywhere in the corn belt commenced to pour in and then prices started to slide.

While grain and railroad men do not feel that the rains of the last couple of days have assured the corn crop, they assert that it has placed it beyond the danger line for the present, at least so far as drought is concerned. These rains, as reported the railroad men, have reached every portion of the state with the exception of a limited area in the northeast corner. In this locality the crop can go several days yet without being injured by dry weather.

The rain of Thursday and Thursday night attained the volume of a root-soaker in many localities and, on the whole, was one of the most general and wide reaching downpours in weeks.

TO EXONERATE RUSMISEL

School Board Members Think Charges Against Principal Not Sustained. CASE IS TERMED A FRAMEUP Bitter Controversy Between Attorneys is Caused by Introduction of Evidence Reflecting on Prosecution's Chief Witness.

A report exonerating Principal L. C. Rasmisel of the Omaha High School of Commerce, charged by Attorney E. W. Simeral and others with being "indifferent" in his conduct toward pupils and teachers, will be prepared by the judicial committee of the Board of Education, which has heard all the evidence.

The nature of the report was indicated by expressions of a majority of the members of the committee, who declared the prosecution had failed utterly to sustain the sweeping charges.

The judicial committee's report will not be made public until August 1, when the school board meets, unless a special meeting of the board is called by the president.

With the testimony of Miss Iona ChapPELL, who returned from Norfolk at the request of the complainants, the case was concluded in the afternoon.

Members of the board, while not talking for publication, were frankly for complete exoneration of Mr. Rasmisel. One member said: "This whole thing has been an outrage. It was evident from almost the very first that it was a frameup to get Mr. Rasmisel. The prosecution has failed utterly to bring in any evidence to sustain the charges in the complaint. An effort was made to make a multitude of witnesses change vague rumors."

LABORI REFUSES TO READ GUEYDAN LETTERS TO JURY

Appears to Think Woman Planned to Have Him Suppress or Make Them Public. WILL NOT BE CAUGHT IN TRAP Intimate Private and Political Friend of Caillaux Placed on the Stand.

DELIVERS DEFENSE OF FAMILY His Wife, in Prisoner's Enclosure, Presents Pitiful Figure. ARGUMENTS NOT OVER TODAY Judge Announces There Will Be No Session Sunday of Court Hearing—Case that Has Upset All France.

PARIS, July 24.—"Call Mme. Gueydan," was the command of Judge Louis Abanel, when the court opened today for the fifth day's session in the trial of Mme. Henriette Caillaux for the willful murder on March 16 of Gaston Calmette, editor of the Figaro.

Mme. Gueydan, former wife of the prisoner's husband, Joseph Caillaux, an expatriate of France, had, however, not arrived, and several associates of the prisoner's private and political friend of Caillaux, was called to the stand.

The interest centered around the two intimate letters referred to in yesterday's testimony and handed by Mme. Gueydan to Maitre Labori to deal with as he chose. Great curiosity had been awakened as to whether they would be read in court or communicated privately to the jurors.

Mme. Gueydan, in the prisoner's enclosure, presented a sorrowful figure. In her eyes was a look of bewilderment and despair. She did not speak to anyone, but she had a long talk with her husband in the prison before the hearing began.

When M. Cecaldi concluded, former Premier Barthou was called and defended his action in making public the Victor Barthe documents. M. Caillaux also spoke briefly.

Maitre Labori and Maitre Chauvi then explained their ideas for and against the publication of the letters placed in Maitre Labori's charge by Mme. Gueydan. Labori returned the letters to Mme. Gueydan and asked her what her wishes were and she replied:

"Do Not Care." "I do not care what you do. Publish them all if you want to do so."

It was thereupon decided to place three of the letters in evidence, but to read only one of them. This would be done, it was announced, after recess.

The question of the reading of the letters gave rise to another scene when the court reassembled.

Judge Abanel, who had talked over the matter with lawyers for both sides during the recess, called Mme. Gueydan to the stand and Maitre Labori at once addressed her saying:

"These letters will not be read by me, Madame, do you wish them back?"

"No, then no one shall have them except myself. If you have heard of me being caught in a trap you are mistaken."

Maitre Labori appeared to regard Mme. Gueydan's seeming reluctance of yesterday and her impulsive consent that he should have the letters as a device to place him in the position either of suppressing the letters or of reading them to the disadvantage of Mme. Caillaux.

He asked her again: "Madame, do you wish to take back these letters?"

Mme. Gueydan: "No, sir."
