CHICAGO, July 24. Australasia's great conis team, with Norman Brokes and Anthony Wilding as its mainstays, today carned the right to meet the German team in the contest for the Davis cup. With a clean cut victory over the Canadian doubles team, the Antipodeans made a clean sweep of the series. Today's match went to Brooks and Wilding in atraight sets as did their singles matches sestorday. The scores were 5-4, 5-2, 6-4. Again as in the singles the Canadians. Robert H. Powell and B. P. Schwengers, were outclassed but again they made a game fight and by desperate railles won the favor of the big crowd which watched the match on the Onwentsia club's court at Lake Forest, Ill. The dominion stars today made much better showings than yesterday. Plan for Street Parade

Details of the immense street parade to be held Saturday afternoon, have been arranged and announced by Charles Sten-Oldrick Jelen of the parade committee. The big pageant will start at Turner hall, Thirteenth and Martha streets, promptly at I c'clock, with thousands of Bohemians of Omaha, South Omaha and many other cities in the long line. Fully 150 automobiles will be used, and yet the main body of paraders will be on foot, from which fact the extent of the line may be understood. Without doubt, it will be one of

the biggest parades ever held in Omaha. Over 2,000 Bohemlans from South Omaha alone will march in the line, all the packing house and other South Omaha workers being off duty for the gala affair They will come with two bands and fifty autos. Plattsmouth will be represented with over 200 people, who will come on a special train in the morning, and remain over Sunday. Other special trains and delegations will come from Clarkson and other Nebraska towns, and from neighboring towns of lows, so that Omaha will be literally swarming with Bohem-
