Bee Are a Success.

A TEN-PAGE SECTION ISSUED

Bee Distributes Copies Containing All Realty Page Booster Ads It Has Used in the Last Three Months.

The Omaha Bee has just issued a tenpage section reprinting the real estate the other for twenty-five years, and it promotion ads The Ree has been running well known in simost every town. in the last three months. These have promoted Omaha real estate and advised the readers to consult with the experienced real estate men of the city to look for good investments, for good homes, for acre tracts, or for vacant ground that is bound to increase in value.

These promotion ads The Bee has run regularly simply as a kind of advertise- CAMPAIGNED AGAINST PAWNEES ment of an advertisement. That is, it has given its valuable space to a live notice that would call the attention of the readers to the fact that in the want ad section and in the real estate section, splendid bargains are to be found.

The ten-page supplement just issued to the real estate men was issued simply to reprint the promotion ads to show the Joseph J. Hawthorne, one of the best real estate men what this promotion known pioneers of this section and the campaign has acutally amounted to, what oldest resident of Fremont, died at his amount of space it has consumed, and home today at the age of 76 years after the general class of promoting it ac- an illness of only one day from heart complished. To reprint all The Bee has trouble. done in this line in practically three Mr. Hawthorne was born in Wisconsin, months it required a ten-page section. real estate men of the city.

year is beyond question.

The Bee has been trying to imbue the readers with a desire to own real estate. The real estate men to get results must hammer away at the same crowd. The advertising which the realty men insert in The Bee is an essential part of the plan, because, while The Res creates the general estate men to get the readers interested in particular pieces of property.

By its promotion ads the paper is doing much to help the real estate by iness The part of the real estate man is to help his own advertising.

Convolidation Meeting. The movement for the consolidation of another, is beginning to take definite build up the city. shape in Omaha.

August 6 is set for a big delegated city hall, at which the matter is to be discussed. The delegates to this meeting have been appointed by various civic bedies in the cities, towns and the county. city and county boards.

W. H. Green is the man who started the agitation again in Omaha. He ber of the Kansas Historical society and brought it before the Real Estate Exchange some weeks ago. That body asked that all civic and commercial bodies co-operate in a movement to bring bodies have appointed delegates to attend the big meeting August 6.
