#### ODD FELLOWS MAKE CHOICE

Select Officers of Grand Lodge, Johns Being Grand Master.

#### GO NEXT TO GRAND ISLAND

S. K. Greenleaf of Omaha Grand Warden, Chosen After Warm Contest—Norfolk Woman Heads Rebekahs.

(From a Staff Correspondent.)

LINCOLN, Neb., Oct. 16.—(Special.)—Officers elected by the grand lodge of Odd Fellows in session today were as follows:

Frank Johns, Grand Island, grand master. J. C. Harnish, O'Neill, deputy grand master. I. P. Page, Fremont, grand secretary. F. B. Bryant, Omaha, grand treasurer. S. K. Greenleaf, Omaha, grand warden. Representatives to Sovereign grand lodge, T. W. Bass, long term, and Paul Story, Red Cloud, short term. In a contest for the next session of the grand lodge, Grand Island, receiving 209 votes, Lincoln 174 and Omaha 2. There was very little contest over the selection of officers, except for the position of warden, where ten contested for the position. These were G. L. Loomis, Grand Island; N. Welch, Lincoln; F. A. Hood, Chadron; S. K. Greenleaf, Omaha; H. A. Mallory, Alliance; Dr. E. A. Carr, Lincoln; S. L. Caldwell, Auburn; H. A. Braunler, Hebron, and R. H. Williams, Wauneta.

The majority for Greenleaf was very pronounced, no other candidate coming anywhere near polling the vote cast for the Omaha man, and his nomination was made unanimous on the second vote taken.

**Fight for Convention.** The contest for the place for holding the next meeting was also a very strenuous affair and was between Grand Island and Lincoln. Some of the delegates thought that Lincoln had lost sight of the Odd Fellows in their preparations for German day and said there were few decorations showing the Odd Fellow colors. While the streets have been decorated principally with the German and American colors, there has been a marked effort on the part of the business houses to show that the Odd Fellows were remembered by window decorations.

**Take Grand Lodge Degree.** Two hundred and fifty-seven have taken the grand lodge degree at this session. The reports showed that during the last year death has taken from the ranks of the grand lodge 175 members and three past masters.

Tributes to the three past masters were paid by Past Master Hoagland for Samuel McClay, by Past Master F. P. Corrick for Daniel H. Wicker and by Past Grand Master Stovey for John E. Arnold. George L. Loomis of Fremont paid a glowing tribute to the 175 members of the grand lodge who have passed away during the year.

The oldest Odd Fellow in the United States was present at the session on Wednesday. He is H. F. Swanbeck of Greenwood. He joined the order in Hamburg, Germany, in 1844 and was 98 years old last March.

**Rebekahs Officers.** The Rebekahs were delayed in the election of their officers this morning. The following selections were made: President—Susan Kerstedt, Norfolk. Vice President—Julia Welch, Lincoln. Secretary—Emilia South Omaha. Warden—Flora Wagner, Omaha. Treasurer, Mary Stubb, Omaha. As in the case of the election of warden with the Odd Fellows, the office of warden with the Rebekahs was warmly

### SCALP ITCHED AND BURNED

Scarcely Any Hair on Head. Terrible Itching. Also Bothered With Pimples and Blackheads on Face. Cuticura Soap and Ointment Cured Both Troubles.

Greenwood, Ind.—"First my hair began to fall, then my scalp itched and burned when I became warm. I had pimples on my scalp; my hair was falling off gradually until I had scarcely any hair on my head. I couldn't keep the dandruff off at all. My hair was dry and lifeless and I lost rest at nights from the terrible itching sensation. I would pull my hair off and scratch my head any place I happened to be. For several years I was bothered with pimples on my face. Some of them were hard red spots, some were full of matter, and many blackheads. I was always picking at them and caused them to be sore. They made my face look so badly I was ashamed to be seen. I tried washing my head with Cuticura Soap, dried without rinsing, then put the Cuticura Ointment on and rubbed it into the scalp. I applied the Cuticura Soap and Ointment the same each week until cured. Three months' use of Cuticura Soap and Ointment has made my face as smooth and clean as can be." (Signed) C. M. Hamilton, Sept. 24, 1912. Cuticura Soap (25c) and Cuticura Ointment (50c) are sold by druggists and dealers everywhere. Liberal sample of each mailed free, with 32-p. Skin Book. Address postcard "Cuticura, Dept. T, Boston."

Men who shave and shampoo with Cuticura Soap will find it best for skin and scalp.

### HAIR FALLING?

Then stop! Stop it now! You can do it with Ager's Hair Vigor. Does not color the hair.

#### Nelson Will Have New Water Supply

NELSON, Neb., Oct. 16.—(Special.)—The city council has begun active work on the plans to provide more water for the city. Some time ago a spring was discovered seven miles west of the city and tests have been made to determine the capacity of it. A hole was drilled thirty feet in clay and then about a foot into the underlying rock, when work had to be discontinued on account of the abundance of the flow of water. This experimental well is now flowing 130,000 gallons in twenty-four hours. The tract of land on which is located this spring and a number of others has just been purchased by the city. E. A. D. Parker of Concordia, Kas., a railroad engineer, is at work making a preliminary survey from the spring to town. An estimate will then be made of the probable cost of bringing the water to Nelson into the city well.

**Good Reason for His Enthusiasm.** When a man has suffered for several days with colic, diarrhoea or other form of bowel complaint and is then cured sound and well by one or two doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy, as is often the case, it is but natural that he should be enthusiastic in his praise of the remedy, and especially in this case of a severe attack when life is threatened.
