THE BOOK OF EVELYN. By Geraldine Bonner. 836 Pp. \$1.26. Bobbs-Merrill Co.

house in the "upper Seventies" in Goth am, after years of unhappy marriage and foreign exile, makes the acquaintance of Bonaventura, the singer, who later becomes famous as an operatio star. She comes to love this singer, and then finds that she has come into the life of the man she berself loves. The problem is New York for a month to stage a play the characters are consistently drawn.

THE JACK-KNIPE MAN. By Ellis Parker Butler. 318 Pp. \$1.25. The Cen-Peter, the shanty boatman, takes a forlorn woman and her little boy into his boat one stormy night and feeds and to Margridge, a wealthy theatrical tonds them, although he is obliged to rate auctioneer and house agent, in show-"angel" of notorious reputation. As a sleep in a hay-stack himself. The woman ing a client over a house, discovers in a Joan is rehearsed as the star of dies next morning and Peter sells the boat to give her decent burial. With leaves and a cluster of queer little brown than by her facility in carrying out the Buddy, the boy, Peter takes the boat beans hanging down from them. The dea of a clever stuge manager, Joan down to the rice swamps for the new virtue of the beans is that he who eats

the tragedy, glowing over the next morn- Peter's will, but is charmed with Booge's Absolute change of character, distante the river gate in the garden wall leading comedy and some pathos in the result.

> THE QUEST OF THE DREAM. By lasting, so the usual e Edna Kingsley Wallace. 222 Pp. \$1.50. may well be imagined. G. P. Putnam's Sons. Communions of a girl with her ideal

and not a few experiences with the actual, untimely lifted into the realm of the ideal. There is suspense and heartworked out to a happy conclusion and sche and an apparently irremediable misunderstanding between the two chief characters, but in the end love triumphs

THE DOUBLE LIFE OF MR. AL-PRED BURTON. By E. Phillips Oppen-helm. 22 Pp. \$1.55. Little, Brown & Co. Alfred Burton, head clerk of a thirdlong-closed room a tiny plant with green There they spend the winter, one shall see nothing, think nothing, say mediately after the performance, while Peter sawing wood for a living and whit- nothing but the truth. Alfred Burton her apartments, Marbridge is shot, thing toys out of maple sticks. Booge, a cats of the tree; so later does his em- mysteriously echoing mosques, latticed and wages, with the intent to demon- ploits, their narrow escapes from death, tales.

and the book closes with Joan, callous to tramp, joins the party much against ployer and then what happenings occur. | windows where peering eyes are visible, strate the right of living labor to share songs and antics and Peter cannot bear for everything that before they liked, the to the swift stream, blooded horses shod Boogs become deadly rivals for Buddy's Burton has a well-meaning, rather ordiaffections. Then the Society for the Pre- nary wife who becomes unendurable to with rugs of rarest beauty, moonlight, vention of Cruelty to Children and the him, and he falls in love with a charming nightingales and scimitars all play their neighbors take a hand, and there is much girl who would have no appeal for the part. man he formerly was. Unfortunatelythe beans are few and their effect is not lasting, so the usual events that occur

A LITTLE GREEN WORLD. By J. E. Buckrose. 367 Pp. \$1.25. G. P. Putnam's

A delightful and humorous story of English country life. The author shows singular skill in the characterization, to the reader's enjoyment, for there is no "problem"-just a clever story well

Frederic S. Isham. Es Pp. \$1.5. Bobbs-Merrill Co. The story is laid in Damacus, and noth-

ing is lacking in the way of stage effects.

OUR CITY CIVILIZATION. By Henry The hero and heroine never once draw a Rawie. 26 Pp. Williams & Wilkins coming is lacking in the way of stage effects. breath unmenaced by some danger. The pany. heroine is rescued from a Turkish harem,

Old Mr. Argyle, after executing an eccentric will, is found dead in his library. place of disguises and all the parapher nalis of the traditional detective. Kay ton, the man who solves the mystery, is a man of forceful, likable personality, which makes the book altogether charm- with nothing of the poseur about him. ing, and the simplicity of the plot adds By dint of shrewdness and common sense Kayton clears the woman he believes in pocent, and incidentally rounds up a dangerous gang of counterfelters, proving as interesting in his way as his brothers ALADDIN FROM BROADWAY. By of the less modern Sherlock Holmes

The author writes along independent sand crooked streets and blind alleys, lines on problems of price, credit, market

the wealth developed in the past.
