By FRED S. HUNTER.
LINCOLN, Neb., Oct. 18.—(Special Telegram.)—Early this morning the last solitary cloud disappeared and a clear sky broke over Nebraska field to bring a day of ideal foot ball weather for the staging of the first Minnesota gridiron battle in Lincoln in thirteen years. Both Minnesota and Nebraska were in fine shape for the big contest with no crimping on either team.

All of Minnesota's twenty-five warriors were ready to enter the crucial contest, but Cameron and Shields, two of the Cornhuskers' beefy linemen, have only been in foot ball togs three days since their recent injuries. The coaches of both teams held short conferences with their men and offered plenty of counsel and some scolding. A small army of assistant graduate coaches were on hand to assist Stiehm in whipping the powerful Cornhusker machine in shape.

Each individual player has his own coach to show the boys how to beat the Gophers. Among the old graduate coaches who returned to assist Stiehm were Harvey, Westover, Temple and Horberger, in addition to Dudley, the regular assistant coach.

Game Starts at 2:45.
At the last minute it was decided to start the big battle at 2:45 instead of 3 o'clock. Coach Williams desired to start at 2:30 o'clock in order to allow sufficient time for his team to catch the 6 o'clock train, but Stiehm refused to call the game before 2:45 o'clock because the big Omaha delegation was not scheduled to arrive before 2:40 o'clock. The gates were opened at 1:15 o'clock the immense crowds that had been waiting patiently swarmed into the stands and by 2 o'clock it appeared as if every available seat was taken, but several hundred more squeezed into standing room before the game started. Over 1,500 people crowded the huge stands to see the biggest game of the year. Enthusiasm ran high among the rosters. Billy Kavan, an Omaha boy, led the Nebraska section, while Ralph Johnson, all decked out in white pants and a red and gold blazer, supervised the efforts of the 230 faithful Gopher supporters.

The big university band of seventy pieces furnished brass harmony for the occasion, while the South Omaha band instilled enthusiasm into the Omaha bunch.

Promptly at 2:30 o'clock the Nebraska team entered the field and was followed a second later by the Minnesota delegation. The teams ran through their signals for several minutes and then congregated in bunches to listen to the last few words of advice from the members.

Gophers Win Toss.

Minnesota won the toss at 2:45 and chose to receive the ball at the east side in order to overcome the disadvantage of the sun, which blinds the players when it sets later in the afternoon in the west. The game started fast and snappy, with both teams fighting hard and consistently. Minnesota worked the shift and line backs almost exclusively in the first quarter and marched the ball down the field to the three-yard line, but Nebraska held and Howard kicked fifty yards into safe territory.

Nebraska did little beyond kick to safety in the first quarter, and it appeared as though Minnesota had the speediest offensive team. Rutherford (Continued on Page Three.)

TIGERS BLANK SYRACUSE

Princeton's Aggressive Play Scores Thirteen Points to Nothing.
CASTLE'S PUNTING STRONG
Average is from Five to Ten Yards Better Than that of Baker for Princeton - Penalties Are Frequent.

PRINCETON, N. J., Oct. 18.—Syracuse proved to be a good defensive eleven against Princeton today, but poor on the offensive, and Princeton won a 13 to 0 victory over the New York state team. The visitors showed a healthy mixture of trick plays, but the team failed to put most of them into action against the Tigers for consecutive gains. Castle's average punting for Syracuse was five to ten yards better than that of H. Baker for Princeton. The Princeton attack was based upon Streit's line plunging, which was above his standard today. H. Baker's open field running and a few forward passes, most of which failed. Lambertson and Brown, at ends for Princeton, covered on the punts perfectly. Streit scored both touchdowns. Frequent penalties, in which Princeton was the offender more often than Syracuse, robbed Princeton of two touchdowns. The ball was brought back on the field for a play after the Tigers had carried it across in two instances because of illegal work by the Princeton players.

HARVARD GOAL LINE CROSSED

Ostrom Suffers Indignity First Time This Season.

HOLY CROSS ELEVEN DOES IT

Visiting Aggregation Defeated by Score of 47 to 7—Frequent Changes in Lineup of Both Teams.

CAMBRIDGE, Mass., Oct. 18.—For the first time this year a foot ball foe crossed the Harvard goal line today, but while the Holy Cross team accomplished this feat, through a muffed punt, they were overwhelmed by 47 to 7.

The game was scarcely a minute old when Freddie let a Holy Cross punt go through his fingers. Donovan, the Holy Cross full back, gathered up the ball and dashed across the line. Brawley kicked an easy goal. For the remainder of the game the visiting line was ripped open, circled and overpowered by the Harvard backs.

Mahan kicked two goals from the field, one from the fifteen-yard line and the other from the thirty-five-yard line. Toward the last of the game Hardwick made two runs of forty-five and twenty-five yards each and Collidge followed by taking a well thrown forward pass for a touchdown.

Holy Cross had a fine chance for three more points by capturing the ball on the twenty-five-yard line on another Freddie muffed, but the goal from placement went wide.

The Harvard team showed more dash and foot ball knowledge than in any previous game this season, and while Freddie proved an uncertain factor in the back field, he seemed to instill plenty of life into the play.

Both teams made frequent changes in the lineup. Three Holy Cross players were so badly used up that they had to be carried from the field.

MAROONS BEAT IOWA ELEVEN

Hawkeyes Show Strength, Holding Chicago in Last Half.

SCORE, TWENTY-THREE TO SIX

Gray Star for Midway Aggregation, Seeing Two Touchdowns While Gross, Substitute Quarter, Shines for Losers.

CHICAGO, Oct. 18.—Chicago beat Iowa in their annual game, 23 to 6, here this afternoon. The game was played for the biggest crowd that ever witnessed a battle between the two teams.

Iowa showed unexpected strength and after the first half held Chicago on even terms. Gray was the star for the Maroons, scoring two of the touchdowns.

Captain Norgren and Fullback Pierce also showed well in the struggle, making consistent gains through the visitors' line. Chicago relied on straight foot ball for its victory. Only three times forward passes were resorted to.

QUAKERS BLANK BROWN TEAM

Pennsylvania Victorious on Franklin Field, Twenty-Eight to Nothing.

SCORES EARLY IN FIRST PERIOD

Ball Worked Down to Opponents' Twelve-Yard Line on Fake Forward Pass, Minds to Marshall.

PHILADELPHIA, Oct. 18.—Reversing the results of their two previous contests, Pennsylvania defeated the Brown football team on Franklin field today by 28 to 0. The home eleven outlasted the Providence team in all departments of the game.

Pennsylvania scored early in the first period. The ball was worked down to Brown's twelve-yard line, where on a fake forward pass Minds handed it to Marshall, who ran for a touchdown before Brown could fathom the play. The second touchdown also came in the first period, Captain Young going around Brown's right end for the score after Pennsylvania had carried the ball almost to the goal line.

In the second period Marshall failed at a field goal from the thirty-five-yard line. Later a forward pass, Minds to Marshall, netted Pennsylvania twenty-five yards. Marshall circled Brown's right end for twenty yards and had the ball on Brown's one-yard line. Minds was pushed across for the third touchdown. The last touchdown was made in the third period by Minds, after Pennsylvania had easily gone around the Providence ends for substantial gains. Marshall kicked all four goals from touchdowns.

CREIGHTON VICTOR IN LAST MOMENTS

Spectacular Run by Walworth, Right Halfback, Defeats Marquette's Strong Eleven.

THIRTEEN TO SIX FINAL SCORE

Tied Score Changed with Only Three Minutes Left to Play.

GAME HARD FOUGHT STRUGGLE

Losing Team Held Wisconsin's Machine to Eleven Points.

WALWORTH'S WORK IS GOOD

Walworth Makes Two Drop Kicks and Unexpected Touchdown, and Miller Kicks Goal—Two Straight for Locals.

A spectacular run through a broken field by Walworth, the sturdy right halfback of the Creighton eleven, turned a tied score into a victory for the Blue and White yesterday, and Creighton beat Marquette, 13 to 6.

With but three minutes to play in the last quarter and the crowd awaiting the whistle pleased even with a draw, with the team which held Wisconsin to thirteen points, Walworth took the ball on his own thirty-yard line, started around his own half, aided by splendid interference by Coady and Miller, sped down the left side line, circled into the midfield, and slant handed eluded the eager Marquette tackles who lunged at him. He placed the ball down square behind the crossbars, and Miller kicked goal a moment later.

Walworth was the bright star of the entire game. He was chosen to do the punting by Coach Miller, who has been detaching him to take the place of Jay Tammann, the long-legged dropper of last year. It was his good right toe that enabled Creighton to score its other six points, for he booted two perfect dropkicks, one from the fifteen-yard line and the other from the twenty-five-yard line. The first came after but three and one-half minutes' play in the first quarter, while the second followed six minutes later. Walworth also did well in carrying the ball, ripping and fighting his way through the Marquette line for big gains. Of the defense so backed up the line in fierce style.

Grand Island Bowlers Want State Contest

GRAND ISLAND, Neb., Oct. 18.—(Special Telegram.)—The first of the league season of bowling contests was played at the Lederkrans alleys last evening. Captain Stedley's team defeating Captain Cowan's. A regular schedule for the six teams of five men each has been arranged. The national bowling rules have been adopted and the five highest players at the end of about three months' play will be selected as the Lederkrans team.

A similar league is playing at the Third City alleys. There is likewise the further purpose of representing Grand Island in a state bowling contest, if a state association has been organized, or to make an effort toward such organization and contest at Omaha, Grand Island or elsewhere.

ASSISTANT COACH OF THE CORNHUSKERS

In the last half, both teams played a more open game, but was in Marquette territory. Once Creighton carried the ball to the Marquette three-yard line, only to be held for downs.

For Marquette the splendid line plunging of Doyle, Prescott, Wahlen, and Vater gave the Creighton routes chills. Prescott's punts were high and far.

For Creighton, the work of Morry Miller shone resolutely. Miller displayed excellent judgment, tackled brilliantly, and tore off spectacular runs. The tackling of Schwalter, Brennan, Black, Coady, and the line plunging of McCarthy pleased Creighton rosters.

First Score by Walworth.
Before the game began, 1,500 Creighton students, who had previously paraded the business district, filed onto the field, gave their yells, and stood with bared heads, while a funeral dirge was played over a mock casket draped with the Blue and Gold of Marquette.

Walworth opened the game, kicking north to Doyle. On the first play, Marquette fumbled, and a Creighton man was on the ball. Young, a tackle playing his first game in two years, plumed through the line for twenty yards, almost breaking away. Young's work was good, but he was taken out in the last quarter, after having been kicked in the head.

Creighton at once carried the pigskin to the Marquette danger zone and Walworth made the first score, by drop kicking from the seventeen-yard line. Soon after Walworth repeated his performance from the twenty-five-yard line, after having one attempt blocked.

Marquette carried the ball steadily up the field on plunges by Doyle, Wahlen and Prescott. Not a pass was tried, and the quarter ended with the ball in (Continued on Page Two.)
