Every Well Informed Woman Knows "Perrin Quality"

This Is the First Sale of "Perrin's" Real Kid Gloves

At 1/3 to 1/2 Less Than Regular Prices

For years we have been official agents for the matchless Perrin Gloves in Omaha, outfitting thousands of well dressed women in this city. In all this time we have never been permitted to offer them for less than the standard Perrin prices. This year, after a great amount of effort, we convinced the Perrin glove makers that we could still further popularize these gloves if we could offer lots of them for one day only at reduced prices. The maker sent us 250 dozen standard quality, perfect kid gloves, most of them bearing the Perrin imprint, and Saturday we will inaugurate what is certainly Omaha's most remarkable sale of fine kid gloves.
