Nebraska, 7.
Haskell, 6.

By JAMES E. LAWRENCE.

LINCOLN, Neb., Oct. 25.—(Special Telegram.)—Nebraska defeated the Haskell Indians here this afternoon, 7 to 6, in a sturdy battle as has been staged between the two elevens, but there is gloom in the Cornhusker camp tonight. Captain Purdy is out of the season, with the remainder of the season, with the ligaments in his left leg torn. The injured Nebraska captain was carried off the field after he had been fiercely tackled by three Indian players. Coach Stelm tonight was dubious that Purdy would be able to return before the close of the season.

It was a smash of tackle which cost Nebraska the services of her valiant captain. One Indian grabbed Purdy by the head, another by the foot and a third twisted his knee. Max Towie, the brilliant little field general of the Huskers, was also an object of attack from the Indians, but managed to escape serious injury. Although spectacular, the Indians were disappointing inasmuch as they showed occasional flashes of the speed and trickiness with which they were credited. For roughness it exceeded the desperate struggle between the Gophers and Cornhuskers last Saturday. The Indians fought with a desperation to wipe out the bitter memories of the stinging defeat handed them three years ago, when Nebraska amassed the score of 14 to 0.

Indians on Defensive.
Nebraska had the Indians on the defensive for a major portion of the game, but Stelm would not permit his team to uncover a single play for the benefit of the Ames scouts on the side lines. The Huskers unworked but one forward pass, with which they had such sensational success last week, and that was good for a short gain when Purdy flipped the ball to Towie. The Indians did not try to hammer Nebraska's line, but resorted entirely to fake formations and to end runs.

Eight minutes after the opening of play Nebraska had scored a touchdown and kicked goal. Thereafter, until late in the third quarter, the Huskers excelled in play, but could not put the ball over. Then the tide turned in favor of the Indians and when the third quarter closed the ball had been worked well into Nebraska territory.

The opening of the fourth saw the execution of a spectacular forward pass to Powell, who was tackled just as he fell across the Nebraska goal line. A gale swept over the field, making the game disagreeable for the spectators and causing frequent fumbles from which each team suffered equally.

Howard again demonstrated his superiority as a punter and, although handicapped by the wind, more than once staved off an impending score with his trusty boot. Howard's punts averaged forty-six yards, while his opponent's averaged but thirty.

Nebraska received the kickoff and charged straight down the field on line smashes by Halligan, Purdy and Rutherford, until the ball was placed within striking distance of the Haskell goal. Rutherford sprinted seventeen yards around left end and placed the ball back of the Indian line. Towie kicked an easy goal.

Nebraska Receives Kickoff.

Haskell kicked to Nebraska again, and the Huskers resumed the march down the field. Time was called for the quarter with the ball near the center of the field. Shortly after the opening of the second half the deplorable play which resulted in the injury to the Nebraska captain occurred. A few minutes later Halligan went out, and with substitutes replacing the two most reliable ground gainers the Huskers had the ball zig-zagged back and forth across the field, neither team strong enough to score.

The opening of the third quarter saw the Cornhuskers renew the savage line plunging which had netted the first score, but shortly before the close of this period the Indians braced and showed the most brilliant playing of the game, securing the ball after Nebraska had been forced to punt. They rushed it down the field to the thirty-seven-yard

line, where time was called for the quarter.

Smashes through the line put the Indians on Nebraska's twenty-two-yard line, and then Richards fumbled when he attempted to circle the end. Howard recovering the ball on the Cornhusker twelve-yard line. He punted forty-five yards out of danger, but the Indians were not to be denied and rushed the ball back. Flood aiding with a fifteen-yard sprint around right end. With the ball on the seventeen-yard line, Powell took a forward pass from Strickler and raced the remaining distance to the goal. He was tackled just as he crossed the line, but fell over far enough to place the ball safely. The play was made from a fake punt formation which completely deceived the Cornhusker forwards.

Statistics of the game are all in favor of the Cornhuskers on straight football, the Cornhuskers having carried the ball 26 yards, to 18 for the Indians. Nebraska made first downs fourteen times and was not held for distance once, while the Indians made first downs seven times and were held three times. The Indians were successful with the forward pass three times in seven for a total of thirty yards, while the Cornhuskers used it but once successfully for two yards. For Nebraska Halligan, Rutherford and Howard played brilliantly, while Powell was the Indian star. Line up:

IDA GROVE DEFEATS LEMARS

Later Team Put Out of Conference Race, Six to Nothing.

IDA GROVE, Ia., Oct. 25.—(Special Telegram.)—Ida Grove High school eliminated LeMars, a contender for the Northwestern Iowa high school football championship, yesterday afternoon in a game played at Ida Grove by a score of 6 to 0. Ida Grove's touchdown came early in the second quarter when Pletcher, quarterback, won a score on a wide end run. A fake forward pass that gained thirty yards, put the Ida Grove eleven within striking distance. The rest of the game was fought mostly near the center field, many penalties were imposed chiefly for offside play the Ida Grove suffered most in this regard. Ida Grove played the best foot ball shown so far this year, long punts by Fisher kept LeMars in its own territory during the last quarter.

QUAKERS AND INDIANS TIE

Marshall Saves Pennsylvania from Defeat by Sta rPlay.

RUNS 80 YARDS FOR TOUCHDOWN

Then Kicks Goal, Making Score Seven and Seven—Pennsylvania Outplayed by Carlisle During Entire Game.

PHILADELPHIA, Oct. 25.—Marshall, the fleet quarter back of the University of Pennsylvania foot ball eleven, saved the Red and Blue from a defeat at the hands of the Carlisle Indians on Franklin field this afternoon when he ran eighty yards for a touchdown after receiving the kickoff in the third quarter, and then kicked the goal. The Redskins had scored seven points in the second period, and thus the contest resulted in a 7 to 7 tie.

The Quakers were extremely lucky in getting away with the honors divided, for during the entire game they were outplayed by the Indians. With the field a sea of mud, the big forwards of Coach Brooke's team were unable to hold their ground against the line plunges of Guyon and Calac. As a result Warner's progress, with the old style of attack, gained 27 yards from scrimmage as compared to fifty-seven by Pennsylvania. Seventeen first downs were made by the Redskins, while the best Penna could do was two.

The smashing attack of the Indians resulted in Guyon breaking through the Quakers' line for a touchdown from the fifty-yard line and after Garlow kicked the goal it looked as if Coach Brooke's eleven was in for a trouncing.

ILLINI ELEVEN DEFEATS INDIANA UNIVERSITY TEAM

INDIANAPOLIS, Ind., Oct. 25.—Quarterback Pogue and his associates from the University of Illinois defeated the foot ball eleven from Indiana university here this afternoon. The score, which was 16 to 0, hardly represents the fierceness with which the game was played.

Twice Indiana held Illinois on her own one-yard line and once carried the ball to Illinois' four-yard line, only to lose it on downs. Indiana executed two forward passes, which netted thirty-five yards each, while Illinois failed on all attempts to pass it.

MILLER STARS FOR THE VISITORS

Home Team Scores Four Touchdowns and a Field Goal and Captures Ball on Downs on Five-Yard Line.

CAMBRIDGE, Mass., Oct. 25.—Pennsylvania State college's first invasion of the Crimson gridiron in many years proved unsuccessful today; Harvard winning with comparative ease by 25 to 0. The Crimson team scored four touchdowns and a field goal, and captured the ball on downs on the five-yard line. Mahan made one score by a fifty-yard run around right end. Brickley carried the ball from the thirty-five-yard line for another touchdown through center on a fake kick formation. His field goal was from the thirty-five-yard line. Harvard was penalized for a total of eighty-eight yards.

Captain Miller of Pennsylvania State was easily the star of the game and had the field been dry the visitors might have scored. He threatened the Harvard goal line four times, only to sprawl his length on the slippery turf. The punting of Welty was good, as his kicks, although low, were difficult to recover.

Captain Storer played a steady but not brilliant game in his new position at right end.

It rained practically from start to finish of the game.

Lincoln Reserves Too Speedy.
BEATRICE, Neb., Oct. 25.—(Special Telegram.)—The Beatrice High School reserves were unable to muster a victory against the heavier Lincoln High school reserves here today, and Lincoln won, 25 to 0. The wind interfered with Beatrice's open work, on which they depended. Lincoln made three touchdowns, two of which were very fortunate from a fumble and an intercepted pass near the goal. Captain Herman's dropkick and a touchdown resulted in Beatrice's scores.

GOPIERS DEFEAT FLICKERTAILS

Minnesota's Scoring Results from Straight Line Plunging.

MINNEAPOLIS, Minn., Oct. 25.—Minnesota defeated North Dakota, 30 to 0, today, practically all of the scoring resulting from straight line plunging. North Dakota sprung a surprise in the third period by introducing a series of fresh formations that kept the Gophers searching for the ball and netted North Dakota consistent gains. Once in the third period and again in the fourth Minnesota's goal was in danger, but each time North Dakota lost the ball on downs. Minnesota attempted several forward passes, but most of them failed.

Hastings Defeats Nebraska Central

CENTRAL CITY, Neb., Oct. 25.—(Special.)—A double bill of foot ball was played here Friday, when the Hastings college and the Nebraska Central college were their annual game and played a decidedly close game, the former winning by a score of 6 to 0. A tendency on the part of the Nebraska Central to fumble at critical stages of the game really decided the game. Both teams failed to gain by use of the forward pass.

The second game was played by the high school and the second team of the Grand Island college and was won by the former by a score of 14 to 0. Despite the difference in weight, the high school team had little trouble in making distance and circled the ends for long gains. At only one time was the college team in position to score and a fine tackle by Grieve headed off this chance. Splendid team work and good handling of the team secured a touchdown after three minutes of play. This game should have been played with the Wood River team, but was called off by the latter team and the college team substituted. Prof. Swan of Aurora refereed both games and gave splendid satisfaction.

Visitors Make Three Touchdowns in Second, Third and Final Quarters—All Made by Lake.

AMES, Ia., Oct. 25.—Playing straight foot ball in the three first quarters in the face of the tricky attack by Missouri, Ames went down to defeat the first time in the history of the two institutions, on the state college field this afternoon. The final score was 21 to 13. Ames scored on a drop kick by Quarterback Kinneck in the first quarter. Missouri scored three touchdowns in the three last quarters, all by Lake.

Tiernan, the cyclone right half, plunged the Tiger line and pulled himself throughout thirty yards of fighting Missouri territory in the third period for Ames' only touchdown.

In the last period Ames realized the hopelessness of a line-smashing game and tried to get out into Missouri ground with the forward pass, but the Tiger defense reduced nearly every attempt to failure.

Coyotes Outplay the Denver Aggregation, Winning Game 42 to 0

SIOUX FALLS, S. D., Oct. 25.—Outplayed from the first nine minutes of the opening quarter until the end of the third, when they finally held the Coyotes, small gains the University of South Dakota this afternoon defeated the University of Denver by a score of 42 to 0 before the biggest crowd that has ever witnessed a game in the state.

Denver was overwhelmed all along the line, in both offensive and defensive play. Never breaking away for big gains at any stage of the battle, Charley Rowe, left half for South Dakota, featured the game with a startling eighty-yard run across the field for a touchdown from a kick off by Denver.

VIRUWINK PUT OUT IN FIRST

Four Generalship Partly Reason for Visitors' Defeat.

FORWARD PASS USED TOO LATE

Last Part of Final Quarter Practically Procession Toward Home Team's Goal, but No Time for Touchdowns.

CHICAGO, Oct. 25.—Pete Russell, Maroon quarterback, wrecked Purdue's hopes for the conference championship and earned a place among the University of Chicago's immortals. His two drop kicks scored the only points in a hard fought game and the Maroons won, 6 to 0.

Four generalship was partly responsible for the defeat of the Bullermakers. The last part of the last quarter was practically a procession toward Chicago's goal, forward pass after forward pass moving the ball from one end of the field to the other, but there was not time for a touchdown. Had Coach Smith's men tried the pass earlier in the game, they might have made a better showing, but they depended on straight foot ball and Baggs' players stopped that game. Oliphant and Applegate dashing themselves in vain against the Maroon line.

The result of the game and the tie to which Purdue held Wisconsin last week makes Chicago favorite for premier honors in the "Big Nine."

Russell Boots Ball Over.

Forward passes were more successful as ground gainers for Chicago. The first quarter was less than five minutes old when a long pass put the Maroons within twenty yards of Purdue's goal, whence Russell booted the ball over. Norgren's long punts were big factors in driving the ball into the visitors' territory and keeping it there. He outkicked O'Brien and Oliphant.

Over the protest of every Chicago player, Viruwink, the Maroon end, was put out of the game in the first quarter for "roughing" an opponent. Aside from that, the battle, though hard fought, was free from roughness and there were no serious injuries.

Chicago defended the north goal, haying the wind with them. After an exchange of kicks, Chicago worked the ball down the field to Purdue's twenty-yard line when Russell sent a drop kick through for Chicago's first score. Chicago's line showed strength, forcing Purdue to kick. Oliphant for Purdue by two end runs advanced the ball to Chicago's forty-yard line in the second period. Purdue lost the ball falling back. Purdue lost the ball falling back. Purdue lost the ball falling back. Purdue lost the ball falling back.

Purdue Kicks Off.

At the beginning of the second half Purdue kicked off to Chicago. Norgren returned the ball thirty-five yards to the center of the field. Gray for Chicago went around right end for twenty-five yards more, placing the ball on Purdue's five-yard line. Purdue's line held and Chicago attempted a drop kick but failed. After several punts Chicago worked the ball down the field to Purdue's ten-yard line. Russell made another for Chicago's second score.

Fourth quarter began with the ball in Purdue's possession on their own twenty-yard line. Purdue punted out of danger, Chicago being downed on their own thirty-five-yard line. Chicago punted to Purdue, but Purdue was unable to gain, then Chicago was forced to punt again. Purdue advanced the ball to Chicago's thirty-five-yard line on a forward pass. Chicago punted out of danger. Purdue attempted another forward pass, which Chicago intercepted on their own thirty-five-yard line just as the game closed.

NAVY'S FOOT BALL TEAM DEFEATS MARYLAND AGGIES

ANNAPOLIS, Md., Oct. 25.—Navy's foot ball team overwhelmed the Maryland Agricultural college eleven today by 20 to 0. Relying almost entirely upon their greater weight, the advantage of which was increased by the muddy field and slippery ball, the midshipmen stuck for the most part to crushing line plunges. After boring through the light forwards of their opponents the big Navy backs ran off many long runs. After their opponents were worn out the sailors resorted to a few forward passes, three of their touchdowns being scored on this play. The Aggies were enabled to make only a single first down during the contest. This was the result of a forward pass in the final period.
