ALL BOWLERS NOW LINED UP

Practically Every Team that Will Roll This Year is in Harness.

HARD TO GET THEM TOGETHER

Several Important Meetings of the Greater Omaha Bowlers Have Been Poorly Attended—Assemblies Mean Much.

The coming week places in the field Omaha's vast bowling army. With the Omaha league now under full swing and the Automobile league ready for their start next Thursday night all the old organizations are lined up. In addition to these the Gleaners, the newest league, opens its first season next Thursday night on the Metropolitan alleys, making in all thirteen leagues playing on regular schedules. This in all probability will be the entire lineup this season.

The only log in bowling thus far is the inability of the Greater Omaha Bowling association to get together. Several meetings have been called, but the prospects of holding one seem to fall through at the eleventh hour and nothing has been done by this body. The delay has been quite a disappointment to the bowlers as this body takes charge of bowling in general. With the Midwest tournament starting the latter part of this month, nothing has been done towards sending a strong delegation to St. Louis to represent this city. Omaha should have this big tournament in St. Louis and stands a chance of getting it if a concerted effort is made.

The city association is the body to take care of this and with the pledged support of the St. Louis bowlers the bringing of this big event to this city next year could be accomplished.

Immediately following the Midwest tournament the city tournament must be organized and disposed of. In order to bring these tournaments to a successful ending it is necessary for the promoters to get an early start. This has not been done, but it is not too late. A vigorous campaign and continual hard and well planned labor will accomplish what is necessary. The city association is headed this season by some very capable officers and with the undivided support of all the leagues the present bowling season can be made to surpass all others.

Rolling last week was the best yet this season. Keen competition was displayed and some close and exciting matches were rolled. Scores were of high quality. The Luxus team's 2,000 total led in the team events. The 699 score rolled by Neale in the Booster league Thursday night and the 575 rolled by Conrad in the Omaha league Thursday featured among the individual totals. Melum of the Leisy team rolled high single game for this week with 397.

Probably the best display last week was the rolling of Jimmy Joseph who rolls in three leagues. In his nine games he maintained an average over 300. His rolling attracts more attention, as he is practically new at the game, but is one of the coming sharks.

If the local rollers keep up their present pace they stand a good show of grabbing a big slice of the bacon at the St. Louis tournament, which would only be duplicating the feat they pulled off at the same tournament in Kansas City last year.

GRAPPLERS ON FOR CHARITY

Thirty Will Take Part in the Events at the Auditorium.

FARMER BURNS AT THE HELM

Leading Wrestlers Will Donate Their Services for the Benefit of the City Mission—Tickets on Sale.

Tickets for the big charity wrestling match which will be held one week from tonight will be placed on sale in every prominent business house in the city of Omaha either today or tomorrow. The tickets will be off the press today as will the large placards advertising the carnival. The match will be billed on all the large billboards in the city, rent of which has been tendered by the owners.

The match itself will be one of the biggest athletic carnivals ever held in the west. Twenty-two well trained and prominent wrestlers from Omaha and neighboring cities have offered their services free. The chief attractions will be Farmer Burns, Yusuf Hussane and the Teddy brothers. In all nearly thirty men will take part in the big show.

The proceeds from this carnival will be used by her for the city mission work. It is probable that the money will be used in filling baskets with hats and coats with gladness on Thanksgiving day. Last year over \$500 was realized by a similar carnival but it is figured that this year's show, which will be much larger and on a larger scale, will bring to the coffers of the city mission over \$1,000.

The show will be held at the Auditorium. This year instead of one man digging down in his pocket and paying for the big Auditorium the directors of this institution have offered the house to the carnival promoters for just the expense of heating and lighting the building. The printers who are putting out the tickets and the advertising cards expect to make no money from the job. Several prominent South Omaha girls have volunteered to sell tickets in the exchange building while several Omaha society girls will get out and try and influence the prominent business and office men in Omaha to invest a dollar or more in a little gladness for the poor of Omaha.

The backing of nearly every minister in Omaha to the project has been received by the committee. No one will make a penny out of the big carnival but the city mission. Sara Millard, assistant cashier of the Omaha National bank and also of the city mission, will have charge of the auditing and will personally see that Miss Higgins gets every cent which is not used to help defray expenses.

The wrestlers who have agreed to help out with their services are: Yusuf Hussane, Farmer Burns and his two sons, Jack Light, Pete Loch, Charlie Loch, Jack Lewis, Owen Daley, Bill Hokuf, Joe Zigmund, Frank Coleman, Jack Meyers, Jack Tolliver, George Stash, Joe Miller, Charlie Peters, Sam Anderson, Jim Tamm, Johnny Holden, Charlie Jensen, Ross Robinson, Vernon Breedlove and Harry Palmer.

Army Eleven Loses to Notre Dame Team

WEST POINT, N. Y., Nov. 2.—The Army was beaten by Notre Dame today, 15 to 12. The cadets were outclassed and except in the second quarter, when they scored both their touchdowns, they looked like novices beside the westerners.

Notre Dame's long forward pass and pretty open field play was spectacular, and a revelation to eastern football enthusiasts. Out of fourteen attempts with the forward pass play, the westerners succeeded in making twelve good for long distance gains. Roche, Finnegan and Miska, on the receiving end, with Dozals throwing the ball, gained many yards for their team. In fact, all of Notre Dame's touchdowns were directly due to splendid work with the forward pass. Eichenlaub was a demon on the defense, plowing through the Army line for good gains and bowling over the interference in slashing style. Dorais' quarterback play was glibbed. He kicked five of the goals from touchdowns and ran his team with splendid judgment.

OXFORD HIGH SCHOOL GIVES BEATING TO HOLBROOK

OXFORD, Neb., Nov. 2.—(Special.)—The Oxford High school defeated the Holbrook High school yesterday afternoon by a score of 3 to 0. The two teams were well matched, and both played well. Oxford scored in the second quarter on a field goal by Thullen from the thirty-yard line. It was one of the prettiest field goals ever made on the Oxford field. In the last few seconds of that quarter, Oxford was within two yards of the goal, but time was called before the ball could be put in motion. In the last quarter Oxford was within five yards of the goal, with four downs to make it in, but Holbrook held them for downs, and pointed out of danger. The game for Oxford was featured by the punting and line punting of Luck-

HARVARD DEFEATS CORNELL

Crimson Victorious by Score of Twenty-Three to Six.

WINS WITH APPARENT EASE

Cornell Held Back of Middle of Field and a Negligible Factor for Three Periods of Game.

CAMBRIDGE, Mass., Nov. 2.—The strength of the Crimson line play-ers and the weakness of the second string men were brought out in Harvard's game today against Cornell, which the Crimson won with apparent ease, 23 to 6.

While Brickley, Hardwick, Captain Storer and others of the regular Harvard players were in the lineup touchdowns were scored in each of the three periods and Brickley added his customary goal from the field. Cornell was held back of the middle of the field and was a negligible factor for three periods. In the last fifteen minutes Coach Houghton sent his subs into the game and they crumbled against the Ithacan onslaught. Although they made a game stand and held Cornell for three downs, they could not prevent a score on the fourth rush.

Cornell almost failed to make the touchdown, for Barrett, in plunging through a hole in the center, brought up against the canvas covered goal post. There was a mass of players about him as he stood grasping the upright unable to get to the other side. He was fortunate, however, in pushing the ball around, and Referee Langford ruled that a touchdown had been scored.

It was the first consistent march of an opposing team to the Harvard goal line this year, although Holy Cross scored on Harvard in the game two weeks ago. The three Harvard touchdowns, all by Brickley, came on steady rushing and varied plays. One of them was of a spectacular nature made on a fifteen-yard forward pass. Brickley tried two goals from the field from the forty-yard line, which failed by narrow margins. The successful goal was made from the sixteen-yard mark. Harvard came through the game in prime condition for next Saturday's contest at Princeton.

ATTORNEY GENERAL CHANGES OPINION ABOUT FUNDS

(From a Staff Correspondent.) LINCOLN, Nov. 2.—(Special.)—"On again, off again" gone again, "Finnigan," will about explain the situation in the insurance department muddle at the present time.

When the courts ordered State Auditor Howard to pay insurance Commissioner Brian's salary and the other expenses of the office, it ordered them paid and did not go any farther. However, Auditor Howard does not propose to get himself and his bondsmen in trouble and when the vouchers from the insurance department for salaries came to him drawn on the general fund of the office instead of the cash fund as has formerly been the case, he held them up. Mr. Howard claims that the salaries of the examiners must be drawn on the regular cash fund which is derived from fees collected for examining insurance companies and that salaries have nothing to do with expenses of the office. The first opinion of the attorney general given in the matter authorized the auditor to pay out of the general fund, given on October 20, yesterday he revised his opinion after talking with Mr. Howard and made it cover the cash fund.

Postoffice Primary. YORK, Neb., Nov. 2.—(Special.)—Three aspirants for the York postoffice held an election in York yesterday to see which of them would succeed George W. Shreck, whose term does not expire until February, 1915. W. W. Feaster, present recorder of deeds, won out over his competitor, J. B. McQuirey and Tom Clifford, the vote standing ninety-one for Feaster, seventy-two for McQuirey and seventy-four for Clifford.

NEBRASKA'S RAILROAD COMMISSIONERS IN EAST

(From a Staff Correspondent.) WASHINGTON, Nov. 2.—(Special Telegram.)—Thomas L. Hall and U. G. Powell, commissioner and rate clerk of the Nebraska State Railway commission, have gone from here to New York. Later they will visit Albany before returning to Nebraska. They have been attending the twenty-fifth annual convention of state railway commissioners.

Their trip to New York is made in connection with the proposed reduction in the rates of the Western Union Telegraph company. That corporation is now keeping a strict account of all Nebraska business, and the Nebraska officials wish to inspect their methods of accounting. They had expected to be in Washington next week for the hearing on the Kansas-Nebraska-California flour and wheat case. Owing to the illness of one of the railroad attorneys who was to appear,

the case will probably be ordered postponed for possibly two months. The issues of the case are said to be of vital interest to Nebraska millers. It has been proposed by lines operating from California and the Pacific to lower the differential rates on wheat and flour 10 cents a hundred and this reduction, it is claimed, would operate vastly to the injury of Nebraska millers, since it would curtail shipments of flour and increase shipments of wheat.

CROWDS AT BANQUET BY OGALLALA BOOSTERS. OGALLALA, Neb., Nov. 2.—(Special.)—More than 300 plates were laid at the good roads banquet held at the Ogallala opera house Halloween. It was a rousing success from start to finish. Music was furnished by the Ogallala Symphony orchestra and the Halloween program by Ogallala women boosters. Dr. Gladfelter of Central City gave the principal address of the evening.

Business Change at Wahoo. WAHOO, Neb., Nov. 2.—(Special.)—The Wahoo Auto and Repair company changed hands last Friday. Wosterschil & Klotz, who have been running the business for some time, sold their interest to Cernik Bros., who have under construction a brick garage.

A Ton of Gold. WAHOO, Neb., Nov. 2.—(Special.)—The Wahoo Auto and Repair company changed hands last Friday. Wosterschil & Klotz, who have been running the business for some time, sold their interest to Cernik Bros., who have under construction a brick garage.
