## Did You Get Your New Nemo Corset?

Do not put it off too long! Now is the best time to select yours here. We urge you to have your corset fitted, so as to be sure you get the right model for your individual figure. Nemo corsets are designed on hygienic principles, and every style is given exhaustive tests on living models to insure healthful support so necessary for comfort. As the average woman lives in her corset two-thirds of the time, corset comfort is essential. With the variety of models in Nemo corsets there is no need for discomfort.

Model 512—Low bust with long, straight hip lines, with lastickop bands at bottom of skirt, at sides and back, which controls the figure below the hip line and gives the wearer grace and ease whether sitting or standing. **\$5**

Model 523—An ideal corset for stout figures, long over hip and back, with lastickop bandlet in front, which gives support where needed—low in bust and under arms, no crowding of the flesh above waist line. **\$5**
