JAYHAWKERS BOOST HOPES

Kansas Stock Rises as Result of Yesterday's Practice.

NEW QUARTERBACK DISCOVERED

Russell, Who Has Been Playing at Half, Shows Speed and Accuracy in New Position—Much Expected of Greenlee.

LAWRENCE, Kan., Nov. 11.—(Special.)—Kansas hopes for a victory over Nebraska were materially boosted tonight when every regular varsity man except Dewler and James was ready for scrimmage work. Before Saturday's game, the big guard who is in the hospital with an attack of tonsillitis, is expected to be out for practice. Dewler probably will not be in shape for the game. The "charley horse" in his leg, which has been bothering him for the last three weeks, still makes it impossible for the plugging Jayhawker half back to run. The varsity showed much spirit in practice tonight. The freshmen team used some of the formations which Nebraska used against Minnesota, but could not make consistent gains through the varsity line. For the first time in two weeks the tyros were outplayed in scrimmage practice. Up to today the freshmen have been making merry sport of the regulars, but with the coming of the "Beat Nebraska" spirit, the tide of battle changed.

New Quarterback Discovered. Coaches Mize and Frank discovered a quarterback last Saturday who promises to be even better than "Bunny" Wilson, who made a reputation for himself in the Cornhusker game last year at Lincoln. Russell, who is the find, played half back up to the Washburn game last week, when he was shifted to quarter because of Wilson's slump. At this position Russell handled the ball like a veteran, did all the punting, made a forward pass over the goal line for a Kansas university touchdown, and came close with both drop kicks. The Jayhawkers will be well supplied with quarterbacks against Nebraska, but this is considered a necessity here for Towle, the Cornhusker field general, is considered to be the best in the valley.

In the line the Kansas team will be practically the same as it started the first of the season. Keeling, who has played every game throughout this year, will be the center. Tudor and James will be the tackles. If James is not able to play Mailey, a big 220-pounder, will be used in his place. Captain Weidline and Barton, who are considered to be two of the best linemen in the Missouri valley, will take care of these important places. On the ends of the line the Kansas team is weak. Reber and Strothers are both green men and their playing to far has shown their lack of knowledge of the game. It is possible that Bishop, who has played end and fullback part of the time this year, will be used in place of Strothers.

Weak Expected of Greenlee. Greenlee, Summers and Stuewe will make up the backfield trio. Coach Stehlin was much impressed with Greenlee's work in the Washburn game. The speedy back was indirectly responsible for both of Kansas university's scores. He repeatedly tore off fifteen-yard runs around the end. With these men trained up to the minute in the Minnesota shift style of play, the Jayhawker followers expect Kansas university to win. The memory of the 35 to 9 defeat at the hands of the Cornhuskers two years ago on McCook field still lingers here, and there is a fervent hope that it may be wiped out. A victory over Nebraska by Kansas will practically mean the championship. Coach Frank wants to see this and he is putting every ounce of foot ball into his team that is possible.

The scrimmage tonight was an hour long and the practice lasted until it was

so dark that the players could not see the ball.

Coyotes to Present Strong Lineup to Michigan Aggies

VERMILION, Nov. 10.—The South Dakota team, which will meet the Michigan Aggies Saturday will be stronger in every respect, except at center, than either the aggregation that held Minnesota and Notre Dame to low scores, and defeated Denver. Brown and Hanley will handle equally well the ends vacated by McCormack and Paulson. The switching of Tom Coffey from half to quarter, and Vidal from quarter to left half generally strengthens the back field. The three backs, Ferguson, Hangel and Vidal have worked together for a week, which practice has developed great smoothness of team play. Why is showing great promise at center. Brooks, King, guards, and Captain Brown and Horner, tackles, seem to have the call. Tonight the regular backs and ends were pitted against the regular five linemen, the remaining places being filled by substitutes. These two teams battled for sixty minutes without a score. Towards the end, Ferguson to Vidal and Ferguson to Coffey worked some good passes, which the scrubs had broken up in the earlier scrimmage. Conway, for the reserves, did great work breaking up passes, and Captain Brown sifted through the first backfield team line, frequently throwing the varsity back for losses.

Special Train to Carry Students to the Kansas Game

Indications are that a large number of Nebraska enthusiasts will go to Lawrence, Kan., to see the game of foot ball to be played there Saturday between the Kansas team and the Cornhuskers. For the accommodation of the fans, the Union Pacific will run a special from Lincoln, leaving there Friday evening and reaching Lawrence at 8 o'clock Saturday morning. Returning, the train will leave Lawrence Saturday evening and reach Lincoln at 8 o'clock Sunday morning.

Hawkeyes Practice for Game With Ames

IOWA CITY, Ia., Nov. 11.—(Special.)—With every seat sold on Iowa field for the Iowa-Ames game Saturday, Manager Kellough yesterday started work upon temporary bleachers, to seat 1,000. The indoor bleachers from the gymnasium will be brought out and placed along the north end, and these will accommodate nearly 1,000 more. Even with these, however, it is apparent that standing room will be the only accommodation for many, as hundreds of the students and townspeople have not yet bought tickets. The block sent to Ames has been snapped up, and the Aggies are clamoring for more. No scrimmage was ordered for the Hawkeyes today. Assistant Coach Eby lectured the men on the strength of the Ames team, telling them that they will have to play everything they know to win from the farmers. The visitors will have a greater advantage in weight even than Indiana, and will fight to the death to win from Iowa, as this is the big game of the season for them. Carberry and Parsons, who were injured in the Indiana game, were out in uniform. Bowen was in Carberry's place at right end in signal practice, while Hamilton was given a thorough drill at the position also. Hanson, captain last year, arrived today to coach the punters.

LOCAL CHESS TOURNAMENT IS TO START NEXT MONDAY

The Omaha Chess and Checker club will start its annual chess tournament at the club rooms at 308 South Fifteenth street next Monday and the interest has always run high. Advance enthusiasm this year is running higher than ever, which makes it almost certain that the tournament will be a success. Contrary to most chess clubs, the Omaha club urges that players, who are not skillful enough to expect to win, enter just for the enjoyment and benefit.

STUDENTS HOLD BIG RALLY

First Mass Meeting to Stir Up Foot Ball Enthusiasm.

TORCHLIGHT PARADE PLANNED

Squad in Poor Shape, and While All Regulars Will Be in Lineup at the Start, They May Not Last Full Half. LINCOLN, Neb., Nov. 11.—(Special.)—The first of the rallies to arouse interest in the Kansas game was held this morning at the university chapel and all of the undergraduate body that could crowd into the building voted noisy approval of the Cornhusker team. The rally was to drum up the big excursion to Jayhawk land and apparently succeeded in the leadership of George Green, showed their wares. That the carnival was a success is shown by the receipts, all of which will be turned over to Miss Nellie Magee to carry on the work in the city mission.

The wrestling itself was the best seen here since the last charity carnival. Every grappler went on the mat and worked his hardest and his only recompense was the appreciation of a large audience. Farmer Burns, the father of wrestling, was the third man in the ring for every match but two, when Pete Loch relieved him.

The big show was opened at 8:30 o'clock with a little talk by Mayor James C. Dahlman, who complimented the audience for their appreciation of the work of the City mission. Then the twenty-five wrestlers entered the stage in the center of the Auditorium and were introduced by Harry Sage, the local semi-professional umpire.

Loch and Meyers Open. Pete Loch and Jack Meyers, the Omaha giant, were the first two wrestlers to meet and the fans were dished up some deep wrestling. For ten minutes the big fellows went at it, with neither man having the better. Jack Meyers showed that he had improved considerably since his last appearance in Omaha. He was faster on his feet and quicker to take openings. Pete put up his usual fast game, but could not do his adversary. Jack Tolliver and Jack Light, the local barbers, went six minutes, when Tolliver pinned Light's shoulders to the mat. The best match of the evening came next. It lasted but five minutes, but during that time the fans were given a real treat. Ross Robinson, champion welterweight of Nebraska, went up against Charley Loch and met a tartar. Loch had his left eye cut open by a heavy fall, but gamely stuck to the finish. Robinson tried for Loch's wind, but the latter was in fine condition. A future match between these two men to a finish will be a big drawing card.

Holden and Solomon. Johnny Holden, the Omaha policeman, and Jack Solomon of South Omaha battled for four minutes and Holden won. Tom Mitchell, the South Omaha fireman, wrestled a ten-minute draw with Walter Thompson. Jerry Meyers of Omaha dumped Jim Hunt of Republican, Neb., in seven minutes.

The match between Pete Frooms of Harlan, Ia., and Jim Spence of Louisville, Neb., was a good match, and after ten minutes of hard work Farmer Burns called the match a draw. Neither had the better of the argument, but they put up a fine exhibition. Joe Miller of South Omaha and Joe Wharton of Omaha wrestled a draw. Alex Keto got the better of Tom Long of Texas in eleven minutes. Jack Tolliver came back for his second match, meeting Vernon Breedlove of Council Bluffs, and held the latter off for ten minutes, when the match was declared a draw.

Belgar Wins. Yossiff Hussane, champion wrestler of Bulgaria, dumped Charlie Fetars in eleven minutes. Hussane showed up to good advantage, and it was plainly seen that he was an old hand at the game and a master at it. After Farmer Burns had beaten S. P. Morgenson of Verdigrée, Neb., in ten minutes with the famous Gotch toe hold, Hussane came back and threw Hans Romanoff of Germany in six minutes.

Then the Teddy brothers came on and took the house by storm and also concluded the bill.

KEARNEY MAY HAVE DOWN TOWN BALL PARK

KEARNEY, Neb., Nov. 11.—(Special.)—An effort will be made in this city to have the base ball park located near the business portion of the city before the opening of the 1914 season. The matter has been taken up by the Commercial club and a committee from that body has been appointed to take the matter up with the city council. The plan of the ground and lease to the association for a nominal sum. This would greatly increase the attendance and would cut out the personal solicitation to a great extent. Unless something of this nature is done Kearney will have to find some way of supporting its team or go without, this year's business going far behind the running expenses.

GRAPPLERS GO FOR CHARITY

Fine Exhibition of Wrestling Given at Auditorium.

NEARLY \$600 RAISED BY EVENT

Farmer Burns Presides in Every Match but One. All of the Goods Being Spiced and Good Natured Exhibitions.

Between \$500 and \$600 was raised last night by the big charity wrestling carnival for the benefit of the City mission. Twenty-six well-primed grapplers met on the mat and donated their services. The Teddy brothers put on their rube act, which won them fame two years ago at Samson's Den and fifty musicians, under the leadership of George Green, showed their wares.

MINOR MAGNATES IN SESSION

National Base Ball Association Meets at Columbus.

SECRETARY FARRELL REPORTS

Nearly Half Million Paid for Players Drafted and Sold—Forty-Three Leagues Are Members of Association.

COLUMBUS, O., Nov. 11.—When the arbitration board of the National Association of Base Ball Leagues met this morning, 187 cases were on the list for consideration, according to a statement this morning by Secretary-Treasurer John H. Farrell of Auburn, N. Y. These cases are scattered throughout the various minor leagues of the country, Mr. Farrell said.

In addition to filing his annual report, Secretary Farrell presented the new demands of the fraternity of ball players. Christy Mathewson's name heads the list of signers to the arguments presented by the fraternity players. Related arrivals today were George T. Bean and Joe Tinker of Kansas City, William Armour and Louis Nahlino of Milwaukee and Walter McCreeby from the Pacific coast.

Mr. Farrell submitted his annual report this afternoon. The report set forth the number of players drafted during the year from the minor leagues by the major leagues was eighty-eight, of

which the National league drafted forty-five and the American league forty-three. National association clubs drafted 187. The total amount received for drafted players, including money refunded on National association drafts disallowed, was \$217,300, distributed as follows: National league, \$50,100; American league, \$35,400; National association, \$106,700.

Fifty-eight thousand eight hundred dollars was paid on optional agreements and \$7,300 was paid on the drafted players returnable under the waiver rule.

The amount paid for releases by purchase of National association players was \$188,250 and the grand total received through Mr. Farrell's office for drafted players and released by purchase players was \$481,500.

The report added that the association, 1913, embraced forty-three league organizations, including 302 cities and towns of the United States, Canada and Mexico.

Creighton Practicing for Omaha Uni Game. The Creighton varsity foot ball squad took the field with fresh vigor Monday afternoon, after a two days' layoff following the cancellation of the St. Louis game. The entire squad is in excellent trim, which bodes ill for Omaha University when the two teams stage their annual battle on Creighton field next Saturday.

Coach Miller is highly respectful of the ability of Coach Morgenthaler of Omaha Uni and is taking every precaution that Morgenthaler does not "slip something over" on his former comrades.

Creighton High Foot Ball Eleven Has Disbanded

The Creighton High school foot ball team has disbanded for the remainder of the year, as no more games are scheduled. The team, under the tutelage of Sidney Foley of this city, a student at the medical college, has made the best record of any team ever representing the academic department at Creighton.

The record worked out by Foley's leaves is:

- Creighton 6; Omaha High, 3; Creighton 7; Nebraska City, 6; Creighton 3; Council Bluffs, 4; Creighton 7; Blair, 9; Creighton 6; Shenandoah, 7.

The Creighton team won three games out of five, beating the Nebraska City team, which eleven walloped the Creighton team of last year, 74 to 7. They also managed to beat the Council Bluffs squad, a feat never before accomplished by Creighton.

Blair was vanquished in the annual battle, although by not as large a score as that of last year. Only a fluke loss the game with Shenandoah High last Saturday, and that team is considered one of the best in southern Iowa, not having lost a game to date. The game with Omaha High was the only real defeat of the year, but the Creighton lads had only been in practice one week before that game.
