INDIANS CRUSH DARTMOUTH

Reds Win All Their Points by Straight Foot Ball.

SCORE IS THIRTY-FIVE TO TEN

Carlisle Men Make Five Touchdowns After They Batter Opposing Line Into Helplessness.

NEW YORK, Nov. 15.—The Dartmouth foot ball team, hitherto regarded by many as the best eleven in the east, was beaten this afternoon by the Carlisle Indians. The score, 35 to 10, was even more one-sided than the figures indicate for Carlisle's points all were due to straight foot ball. Dartmouth scored on a goal from the field and a forward pass that was caught and carried over the goal line. The Indians made five touchdowns after they had battered the opposing line into helplessness. Most of their gains came from plunges through guard and tackle.

The game was played on the Polo grounds, which a fresh layer of turf had transformed for this contest and the Army-Navy made to follow.

Dartmouth played the open game that had been expected of it, but the Indians, as soon as they found the weak spots in the Green line depended on battering-ran play that several times carried them half the length of the field without losing the ball. Dartmouth tried the forward pass seven times, and in the second period enabled Laidton to carry the ball over for his team's only touchdown. Captain Hogsett at end played a dashing game and kicked the only field goal.

Dartmouth's open game had the Indians guessing in the second period, but after that there was little chance to doubt Carlisle's superiority. The Indians' interference was one of the features of the game. All their backs played well and Welch ran his team like clockwork. For Dartmouth, Ghee at quarter played a sensational game.

Ashland Gives Good Beating to Neb. City

ASHLAND, Neb., Nov. 15.—(Special Telegram)—In the fastest game of the season Ashland High school defeated Nebraska City this afternoon, 13 to 0. Ashland made the first touchdown in the second quarter after two minutes of play. Few forward passes were attempted. Harberberger's twenty-five-yard return of a victory punt and Morris' thirty-yard return were features for Ashland. The lineup:

Illinois and Purdue Play Scrappy Game

URBANA, Ill., Nov. 15.—Illinois held Purdue to a scoreless tie today in a scrappy game. The 'Boilers' star halfback, Oliphant, was ruled out of the game for roughing and his loss proved a severe blow to the visitors. Heavy rains softened the ground so that fast play was impossible and both sides were guilty of many fumbles, the number being divided about evenly. For the Illini Left End Graves' work was the feature.

Morningside Defeats Dakota Wesleyan

MITCHELL, S. D., Nov. 15.—Morningside college of Sioux City won from Dakota Wesleyan here today, 8 to 0. The game was a grinding affair from start to finish, and only a fortunate turn in the second period gave the Maroons a victory. Intercepting a forward pass on Dakota's fifteen-yard line, Koch speared the ball and froited over the line due to the only touchdown of the game.

MAROONS WESTERN CONFERENCE CHAMPS

(Continued from Page One.)

The Gopher forty-yard line. On two plays Russell made twenty-three yards and Norgren made its first down on Minnesota's seventeen-yard line.

Ostrom was removed because of an injury. A Maroon forward pass went wrong and the ball was Minnesota's on its own twenty-yard line. Minnesota kicked the oval to the Chicago twenty-eight-yard line and Russell dodged back ten yards with H. Matters was hurt and A. Bierman took his place. The period ended with the ball on Chicago's thirty-seven-yard line. Score: Chicago, 6; Minnesota, 0.

Shaugnessy Gets Ball.

Third Quarter—Chicago kicked off. Shaugnessy got the ball and punted. Russell being downed on the Maroon thirty-five-yard line. Chicago got no gain and Norgren punted to Lawler on the Minnesota forty-four-yard line. Bierman gained five yards on a forward pass after McAlmon had plunged in three yards. Shaugnessy then punted and Russell was downed, with the ball on the Chicago twenty-seven-yard line.

The Maroons could not advance on Norgren's punt. Lawler was downed twenty yards from the Gophers' goal line. Good gains by Solon and McAlmon were offset by the failure of Matters, who had returned to the game, and Shaugnessy to gain. Inconsequential plays followed on both sides until the quarter ended. Score: Chicago, 6; Minnesota, 0.

Maroons Get Ball on Fumble.

Fourth Quarter—Chicago got the ball on a fumble on their twenty-one-yard line. Norgren punted to Minnesota's forty-six-yard line. Here Minnesota was penalized for holding and Shaugnessy punted. Russell caught the ball on the Maroon forty-yard line and dodged his way to the Minnesota forty-one-yard mark. A line plunge and forward passes put the ball on the Gopher three-yard line. Norgren jammed his way through for the second Chicago touchdown and then kicked goal. Score: Chicago, 13; Minnesota, 6.

A long run by Shaugnessy and plunges brought the ball to the Chicago seven-yard line. Then the big fullback, in two dives, crossed the goal line and Solon kicked goal. Score: Chicago, 13; Minnesota, 7.

Time was called a few minutes later and Chicago had won the game, 13 to 7. The lineup:

New Zealanders Win From All-Americans

BERKELEY, Cal., Nov. 15.—The All-Blacks, New Zealand's all-star rugby fifteen, crowned today its long series of successes against the best California teams by defeating a fifteen made up of the pick of American rugby players, 31 to 3.

As in all the former matches played by the All-Blacks, the Americans were unable to extend the invaders. In all departments of the game New Zealand showed its mastery.

Since their arrival in California six weeks ago, the New Zealanders have played twelve games against college and athletic club teams. They have scored a total of 95 points, while only six points have been scored against them. The three points made by Californians previous to today were chalked up by the State university fifteen.

"You Americans have not yet mastered the first principles of rugby," the captain of the New Zealanders announced after the first two or three matches had been played. Today he reiterated this view.

Difficult Drop Kick Saves Bluffs Shutout

BEATRICE, Neb., Nov. 15.—(Special Telegram)—A spectacular drop-kick from the thirty-yard line at a difficult angle by Captain McIntosh saved Council Bluffs from a shutout on the local gridiron today, the Beatrice High school team winning, 44 to 0.

McIntosh was clearly the star for Council Bluffs. Fully fifty forward passes were tried by the two teams, only about ten being successful. The visitors were strong at blocking and intercepting the Beatrice passes, but no one got away. Council Bluffs put up a speedy game, but were outclassed.

Captain Cook of Beatrice made several touchdowns after runs as long as fifty yards.

AMES DRUBBED FOR FAIR

Iowa Hands Aggies Worst Defeat in Their History.

RUN UP, FORTY-FIVE TO SEVEN

End Runs, Line Smashing and Splendid Work of Hawkeye Line Overcomes Ames, Which Puts Up Poor Showing.

IOWA CITY, Ia., Nov. 15.—(Special Telegram)—Before a crowd of 9,000 people who had assembled for the annual home coming here, Iowa today trampled its old rival, the Ames Aggies, by a score of 45 to 7.

Baffling end runs by Dick and Penningroth, terrific line smashing by Captain McGinnis and the all-around superior work of Gross and the Iowa line enabled the Hawkeyes to hand their adversaries the worst defeat in history.

The Aggies did not die without a struggle. Outweighing Iowa more than ten pounds per man, they roughed it from start to finish and fought to the limit. But the superior foot ball knowledge of the Hawkeyes would not be denied, and they went across the field in great rushes. Penalties again cost the Hawkeyes dearly and the score might have mounted much higher had the officials been less strict in their interpretation of the rules.

Captain McGinnis was probably the Iowa star, although Dick's work was spectacular in the extreme. McGinnis repeatedly shot through Wormhoudt for long gains, making two touchdowns on smashes through the Aggie heavyweights. Dick got away for one fifty-yard run for a touchdown and Penningroth negotiated the forty-yard gain.

The Iowa spread play again baffled the Aggies, but the other Iowa ground-gainers worked about as well, and the Hawkeyes were able to keep a little in reserve for the Nebraska game next Saturday.

Iowa won the toss and chose the north goal. A penalty forced the Hawkeyes to punt and Uhl fumbled for Ames on the third down. Iowa recovering, the Iowa backs would not be denied and McGinnis went over for the first touchdown after three minutes of play.

The Hawkeyes continued to pile up the score in the first quarter and the early part of the second, but penalties there began to intervene, and just at the close of the half, after the ball had been backed to the Iowa goal line by the officials, Captain Cowan of Ames caught a long forward pass from Brennan behind the Iowa goal line, giving the Aggies their only count. The half ended 25 to 7.

Cowan Anglie Star.

Captain Cowan played the best game for his team. Uhl also hit the line well and Reeve played a strong game at tackle offensively, but was pierced for good gains by McGinnis and Penningroth. Gross of Iowa played a spectacular game.

The Iowa spread play again baffled the Aggies, but the other Iowa ground-gainers worked about as well, and the Hawkeyes were able to keep a little in reserve for the Nebraska game next Saturday.

TIGERS AND BLUE TEAM TIE

ward pass was intercepted. The punting duel between Law of Princeton and Knowles of Yale, who was afterward relieved by Guernsey, was about even. There were few muffs and nearly all of these were in the Yale backfield. Penalties were inflicted on both teams impartially. Throughout the contest Yale made four first downs to two for Princeton. The game ended with the ball in Princeton's possession on its own forty-yard line.

Before the game began it was announced that the Yale soccer team had defeated Princeton, 3 to 1, whereas there was a cheer from the Blue.

A burst of cheers came when the Princeton team, headed by Captain Baker, raced onto the field. The Yale team, with Captain Ketcham, was not far behind, and the Yale stands rocked under the shouts.

Coin Tossed for Choice.

Just before 2 o'clock Referee Langford called the captains to the center of the field and the coin was tossed for choice of sides, which Princeton won, choosing to defend the north goal.

Yale kicked off in the face of a brisk wind. On the first lineup Law punted high and far, the ball rolling out on Yale's twenty-nine yard line. Two more kicks followed and then there was a delay while Law received attention for a cut over the eye from which the blood poured over his face. Yale tried once to rush, but lost a yard and three more kicks gave Princeton the ball on Yale's forty-seven yard line. Streit hit center for three yards, then Law kicked again. Yale made six yards on a fake and then punted, Princeton having the ball on its forty-four yard line.

The pass for a kick was poor and Law lost five yards. Yale threw back a wing shift and Law managed to get the next kick to Yale's thirty-two yard line, from where Ainsworth ran eight yards around end. Knowles punted to Baker and an exchange of kicks left the ball on Yale's thirty-yard line, where the Blue was set back fifteen yards for holding. Another exchange ended with a fumble by Baker and Ketcham recovered for Yale on the Tigers' thirty-six yard line. A five yard penalty spoiled the chance. The period ended with the ball in Yale's possession in the center of the field.

Hoosiers and Purple Try Numbering Men

EVANSTON, Ill., Nov. 15.—Indiana defeated Northwestern yesterday, 21 to 23, in a rally in the last five minutes of play after the Purple seemingly had the game stored away. The failure of Whittle to kick goal after the third touchdown was responsible for the one point by which the Purple lost. Erehart kicked every goal for Indiana.

The innovation of numbering players was tried and pronounced a success by spectators. Large figures fastened to the back of the Northwestern men's jerseys enabled the onlookers to tell quickly and accurately just "who was who."

Yale Kicks to Princeton.

Yale kicked to Princeton's five-yard line and standing behind his goal, Law returned the ball to the Blue's twenty-five yard mark. The punt was nullified by holding by Yale. Princeton having the ball on its twenty-yard mark. Glick turned Yale's left end and went twenty-eight yards to the center of the field.

Wilson returned Princeton's punt ten yards to the Blue forty-yard mark and Knowles punted again. The game thus far had been a chase after punts, but in was spectacular.

The next five minutes of play saw no change in tactics. Finally a penalty gave Yale the ball on Princeton's thirty-two-yard line. Dunn hit center for two yards and Ainsworth made first down on a Minnesota shift formation. Knowles was thrown at right end for no gain and Wilson made only three yards on a forward pass.

Guernsey, Yale's drop kicker, went in for Knowles and scored a field goal from the thirty-yard mark. Score: Yale, 3; Princeton, 0.

Kicking was again the order after play was resumed, Law gaining ground steadily until Yale was penalized fifteen yards for illegal holding, and it was the Tigers' ball on the Bulldogs' thirty-four-yard line. Streit gained three yards through center and Glick made five more. Then Guernsey intercepted a forward pass and punted out of danger. That ended all chance to score further in the first half.

Baker Kicks Long Goal.

It was a glum looking lot of Princeton players that went after the Blue in the third period. Yale kicked off to Law, who came back to his thirty-yard mark and then punted, Wilson returning the kick twelve yards to Yale's thirty-yard mark. Another exchange of kicks gave Wilson further chance, and he dodged back thirty-seven yards to Princeton's thirty-eight-yard mark. Brown took Baker's place at Princeton's right end and Guernsey's next punt was a touchdown.

CORNHUSKERS LAY THE KANSAS TEAM UPON THE SHELF

(Continued from Page One.)

The remainder of the second period was spent in a punting duel between Howard and Wilson, in which the Nebraska had the better of the kicking. In this quarter Nebraska maintained her superiority over the Kansas even more than in the first period. The Kansas team did not have the interference that was displayed by the Cornhuskers and this was the chief cause for the failure of the backs to gain ground.

Cornhuskers Not Fatigued.

In the second half, Stiehm's players came on the field prancing. Apparently, they were not in the least fatigued by their previous strenuous work. The determined actions of the Kansas as they came back to resume play formed a noticeable contrast and told the story of the strain that the team had been under.

It was not long after the kick-off that Kansas showed the fight that was expected of her. Tudor, the big end, and Stuewe, the plugging fullback, began a determined attack through the right side of the Cornhusker line. Short bucks for five yards at a clip, interspersed by quarterback runs by Wilson, gave Kansas five successive first downs. It was at this time that the Kansas outplayed Nebraska. Exchange Punts.

Guernsey and Law exchanged punts as the last period started. Then, with fine interference, Ainsworth ran thirty yards, being downed on the Princeton six-yard line. The Tigers fought gamely, but Yale gained eight yards in three downs. Wilson tried a forward pass to Avery, but the play was blocked, and Princeton recovered for a touchdown.

Law punted from the twenty-yard mark and a penalty for holding set Yale back fifteen yards. After the next kick the Yale defense forced a return, and the punting duel was resumed. Law muffed once, but Princeton blocked Guernsey's drop kick. After six such exchanges, Princeton lost the ball and ten yards for rough play, giving the Blue the pliskin thirty-two yards from the last chalk mark.

Ainsworth made five yards, then Wheeler took his place. With the ball squarely in front of the posts Guernsey missed a goal from the thirty-three-yard line. Yale continued to gain intermittently on punting, but Law's kicking kept the Tigers out of further danger, and the game ended with Guernsey's punt to Baker on Princeton's forty-two-yard line. The lineup:

NEBRASKA WINS

In the last period Nebraska rushed the ball toward the Kansas goal and put the ball in position for Halligan's touchdown. Fighting to the last notch, the Crimson and Blue tried in vain to make a start.

Between halves of the game Coach ditche between the halves of the game Coach E. W. Stiehm predicted victory for his team and after the game he had the supreme pleasure of saying, "I told you so."
