"GUNBOAT" GIVEN DECISION Favorites in Pool

Smith Announced Winner Over Sam Langford in Dozen Rounds.

TAKES LEAD EARLY IN FRAY

Langford Assumes Aggressive Toward Close and Many of Spectators Surprised by the Referee's Action.

BOSTON, Mass., Nov. 18.-"Gunboat" ith of New York was given the dethe end of a twelve-round bout here to-

Smith led cleverly during the early reunds, scoring repeatedly on left labs to Langford's head and body, while the case Americans shut out the New York Loston negro made no serious attempt at defense. But as the both went on Smith, the San Francisco hasrywels. White Sox... 9 0 0 0 2 0 6 0 0 2 10 0 weared and Langford assumed the agreement of the case of the control of t gressive, sending left and right to SmRh's body at short range while the latter swung unsuccessfully at Langford's heads

his left, supplying nearly all the action Langford did not seem to be bothered by long range blows, turning away many without great effort and standing up under others without defense. Occasionally he landed right or feft on Smith's body, but not until the seventh round did he hake any apparent attempt to end the battle. Then Langford started a short range fight, which in the sighth round, resulted in opening Smith's cheek under the left eye.

Smith, by reputation a strong right hand fighter, relied on his teft jabs throughout. Several attempts to land right swings met with varying success But his jabs were continuous.

Smith's cheek bled freely as the fight neared the gnd, the blood getting into his eye and blinding him. He also seemed fatigued, and hung on to his opponent, while Langford, although apparently carrying more weight than at any time in his career, appeared the stronger. Langford was unmarked.

KEARNEY LAYS CLAIM TO THE STATE CHAMPIONSHIP

KEARNEY, Neb., Nov. 18 - (Special.) The Kearney High school, by defeating Aurora High school on last Friday, placed finelf in line for state championship bon-From present indications Omaha High school is the only other contender, providing it defeats North Platte High school Thanksgiving day. Aurora High school has defeated all eastern contenders, including Lincoln and Beatrice, but have not met Omaha on the gridiron this year. This gives the Kearney High school an edge over all eastern Nebraska high schools, outside of Omaha.

In case Omaha High school should meet with defeat at the hands of North Platte, Kearney would have undisputed claim to the title. While the Kearney and North Platte game resulted in a tie, the weather conditions under which the same was played were such that the score does not indicate the comparative strength of the two teams. Moreover, North Platte was defeated by Cozad High school, which team was tied by Lexington High school and the Kearney High school decisively defeated Lexington High school, which shows the superiority of Kearney over all western high school teams.

eliminated from the race, they having been defeated either bp Kearney Itself,

or by teams defeated by Kearney. clear claim to the title in case North man Lung was born in San Francisco Platte should defeat Omaha, but should and educated in the public schools of Omaha defeat North Platte, they will be that city. in a position to dispute the honors with Kearney. In case Omaha is victorius, Rearney challenges them for a post-season game to decide the high school championship honors of the state.

JESS WILLARD AND SOUTH AFRICAN FIGHT TO DRAW

MILWAUKEE, Wis., Nov. 18.-Jess Wil lard of California and George Rodel of South Africa fought ten rounds to a draw here tonight.

Rodel was badly handicapped, both in height and weight, and Willard also had the advantage in reach. The first round was tame, but Willard had a slight advantage. Rodel had the better of the second and third on aggressiveness. The fourth session was Willard's a stiff uppercut to the jaw slowing Rodel up. Willard delivered several stiff punches to the body in the fifth, but the sixth was even. Willard had a slight advantage in the seventh when he had Rodel guessing after a fusiltade of rights and lefts to the body. Rodel's agressiveness in the remainder of the bout easily earned him a draw. Little science was displayed by either boxer. Both men quit strong and practically unmarked.

GIANTS DEFEAT WHITE SOX IN FIVE INNINGS

MEDFORD, Ore., Nov. 18.-The New York Giants defeated the Chicago White Sox 3 to 0 in a five-inning, game today. Don Bador of Medford, who is a member of the White Sox, but who was farmed out early in the season, played third base for the Chicagoans. Score:

New York 4 0 0 4 9 0 4 4 1 Hatteries Wiltse and Wingo: Bens and

SOUTH OMAHA WRESTLER LOSES IN STRAIGHT FALLS

FLINCOLN, Neb. Nov. 18.—Ross Robin-con of Lincoln tenight defeated Joe Miller of South Omaha in a wr-stling match in straight falls. The two men. both weiterweights, were well matched in spead, but the superior training of the Lincoln grappier gave him the advantage The first fall came in thirteen minutes and the second took a half hour.

Hulke Wins Game. Last evening's game of three cushion carom billards at the Three "X" partor was won by Hulke against McWhiney by the score of B to E McWhiney played 5 points to Hulke's 20. Tuesday evening's game will be be-tween Eddle and Harlin. Game starts at a scalock.

Tourney Lose Session

With heavy betting odds favoring hem, Swanson and McFarland, team mates against Reynolds and Stevens in a 400-ball pool tearney played at the Model parlors, lost last night's session by a score of 103 to 69. A large crowd of men was present to watch the games. Tonight the same teams will meet at the Capitol parlor and play another 100ball frame. The sessions will alternate between the Model and Capitol until the 400 balls are played off. The winners den over Sam Langford of Boston at of the tourney will be declared amateur champions of the city.

Henderson Kerosene Car

We have scores of letters from satisfied owners of Hendersons, one which is reproduced herewith:

Columbus, Neb., Nov. 14, 1913.

T. H. POLLOCK AUTO CO., 2215 Farnam St. Omaha. Neb.

GENTLEMEN: Yours of recent date asking whether or not I am satisfied with the Henderson automobile, which I purchased from you about three months ago, has been received and will state that I am more than pleased with the Henderson. months ago, has been re with the Henderson car.

with the Henderson car.

Lown two other automobiles, one a high priced car, costing considerably more than the Henderson, but will say that I can take my Henderson car, burning pure kerosene, over the steepest hills and over country roads with better results than with my high priced car, and at less than one-half the expense for fpel.

I have driven my Henderson car over our country roads at the rate of 45 miles per hour and do not know how much faster I could drive it. I am thoroughly matisfied with the Henderson as now built, with the gasoline tank for starting and the kerosene fuel for running, and it is a perfect success and I do not hesitate to recommend it to any one thinking of purchasing an automobile.

I pay 10 cents a gallon for herease.

automobile.

T pay 10 cents a gallon for kerosene and get from 13 to 20 miles per lion on our country roads. I could not do this well on gasoline at 20 cents gallon, with any other car that I know of.

As far as power, speed and hill climbing is concerned, I would as soon we my Henderson De Luxe four-cylinder kerosene car as any six-cylinder.

have my Henderson De Luxe four-cylinder automobile I have ever seen.

My Henderson has attracted considerable attention in this vicinity and a number of my friends are talking of purchasing the Henderson car.

Wishing the Henderson Company the best of success, I remain.

Yours very truly, G. A. SCHROEDER.

Can You Beat That?

Our Henderson, "The Year Ahead Car" is attracting a lot of attention. With the 1914 features now on this car and for which you do not have to wait a year, the Henderson is the best Agent's selling proposition on the market. We want live agents and dealers to handle the Henderson cars. We do not ask for deposits in order to secure our Agency. We do not ask you to contract for a lot of cars to secure our Agency. We expect to do business on our Money, not yours. AGENTS AND DEALERS WANTED-WE ARE GOING TO PUT THE

HENDERSON ON THE MAP IN THIS TERRITORY. Dealers, Agents or Individuals who are interested in this wonderful Henderson Kerosene Car should write at once for our catalog and

The Giant Overhead Valve Buick Motor with the Multiplied Power the Smooth Balance, Flexibility and Science of 6 Cylinder Construction

The basic reason for a six is more power. And that is the basic reason for a BUICK of any model. The Buick Overhead Valve Motor delivers more power than others, cylinder for cylinder, of equal size. That extra power is not charged in the price of the car. It is a mechanical advantage maximum efficiency.

Economy—the feature much sought for in a Six

When a prospective purchaser has satisfied himself on the merits of a car, such as power, ease of control, etc., he should satisfy himself as to gasoline consumption, especially on a six-cylinder pleasure car.

The following is one of the many letters we have received bearing on the economy of the Buick Six: Nebraska Buick Auto Co., Lincoln, Nebr.

I think I did something with the 55 the other day when I came home. I stopped in Omaha and at two. "pay as you enter" bridges, and at Sioux City, the only times I touched the shifting levers, and when I got to Akron I had just a half tank of gas, 183 miles. The boys put in just 20 gals., which made 18.3 miles per gallon. The speedometer shows 362 miles and no water, oil or gas has been put into the brute. We have tried all the big hills and have a good, clean, high gear record. Some boat.

Left Side Drive - Center Control

Every 1914 Buick will be driven from the left side. The gearshaft and emergency brake levers are in the center. Your right hand controls them. Your position at the left gives you a good view of the road and of passing
