

Armed Desperado Who Killed Four is Surrounded by Posse

SALT LAKE CITY, Utah, Nov. 22.—Armed with a rifle and two automatic pistols, Ralph Lopez, the desperado who killed four men yesterday, was reported to be surrounded today a few miles west of Utah lake. Poses from Salt Lake City, Nephi and Bureka at noon began closing in on a cabin where he had taken refuge with the expectation that he would fight until killed.

EXHIBIT OF ANCIENT DEFIL

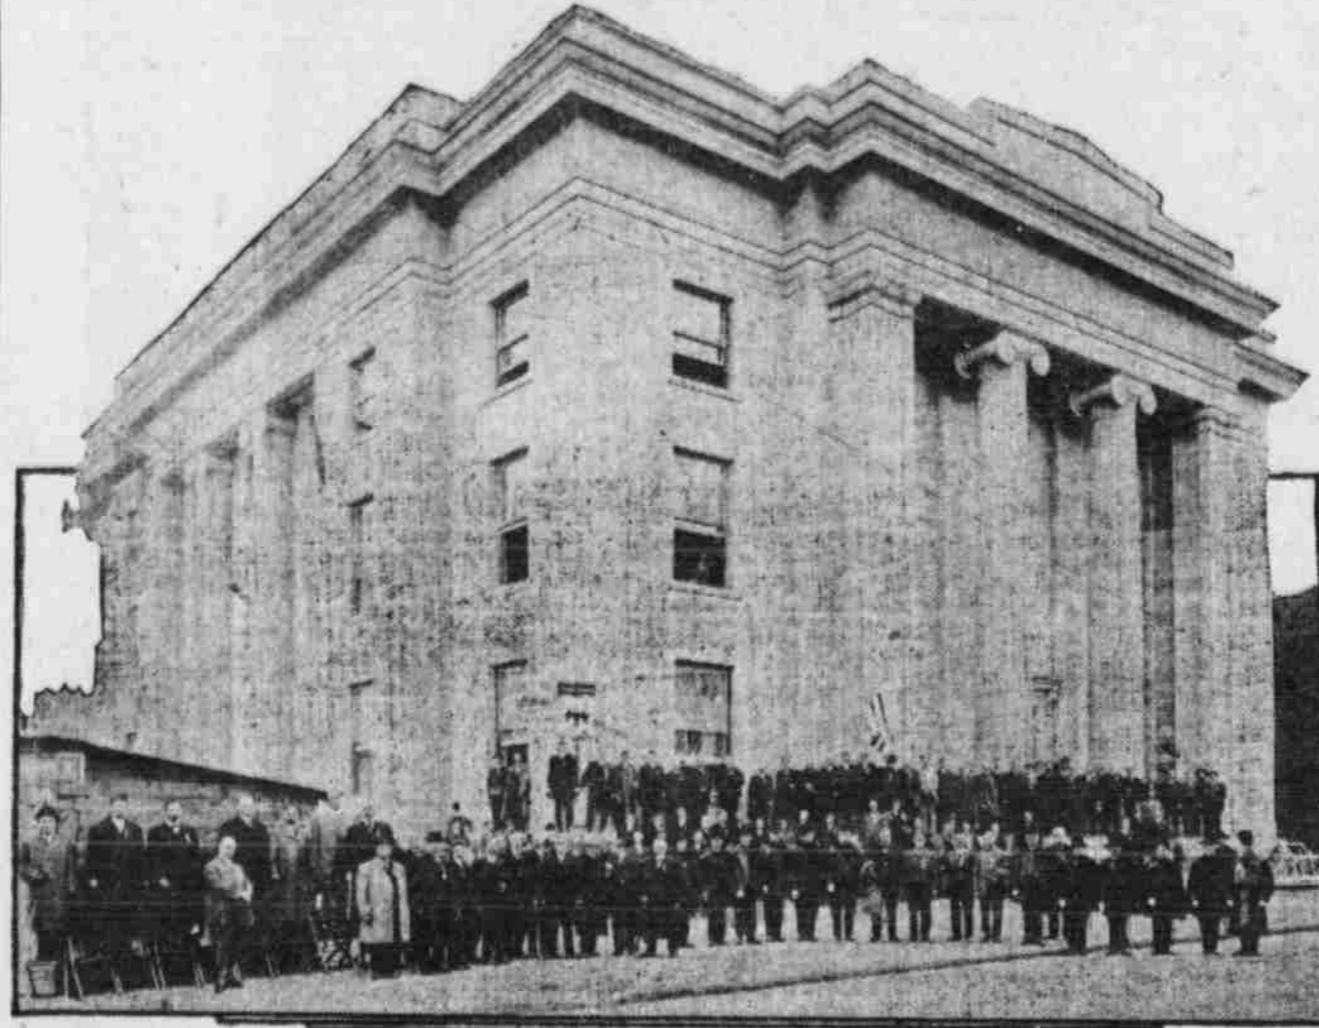

Solemn Protest Against British Taxes Back in Colonial Days. Among the historical rarities that have attracted the greatest attention in an exhibition which has been opened at Columbia university, New York, is the so-called "Declaration of Independence" of St. Paul's parish, Edenboro, N. C. This document reads as follows: "We, the subscribers, professing our allegiance to the king and acknowledging the constitutional executive power of government, do solemnly profess, testify and declare that we do absolutely believe that neither the Parliament of Great

Britain nor any member or constituent branch thereof, have a right to impose taxes upon the colonies or to regulate the internal policy thereof; and that all attempts by fraud or force to establish and exercise such claims and powers are violation of the peace and security of the people and ought to be resisted to the utmost, and that the people of this province singly and collectively are bound by the acts and resolutions of the continental and of the provincial congresses, because in both they are freely represented by persons chosen by themselves, and we do solemnly and sincerely promise and engage under the sanction of virtue, honor and the sacred love of liberty and our country to maintain and support all and every acts, resolutions and regulation of the said continental and provincial congresses to the utmost of our power and ability. In testimony whereof we have hereto set our hands this 19th day of June, 1778."

Advice to a Son. "The late Michael Maybrick, the composer of 'The Blue Albatross' and many other famous songs," said a New York music publisher, "was a sentimental soul. He had old-fashioned, sentimental ideas about honor and love and rectitude. I once introduced Maybrick in London to a successful financier, Maybrick told me afterward that the financier, whose career had been checked, reminded him of old Milton. Then, in scornful accents, he told me this story: 'Remember one thing, said old Milton on his deathbed to his son, 'Remember this one thing, it is a rule I've followed all my life. It's the secret, in fact, of my success.' 'Yes, father, yes,' said the young man eagerly. 'Never do a lillable act,' whispered the old man in impressive tones. 'Hire somebody to do it for you.'—Washington Star.

TIMELY REAL ESTATE GOSSIP

Big Tract of Creighton Estate to Be Platted.

LAST LARGE INSIDE PLOT Movement is on Foot by Property Owners to Have Douglas Street Opened Where Now Obstructed.

The largest inside piece of vacant property in Omaha is soon to be thrown open to home builders, when Benson & Carmichael offer for sale their new Montclair addition, between Hamilton and Cuming streets and extending several blocks east from Thirty-third street. This is one of the numerous tracts of the count John A. Creighton estate. For years real estate dealers have tried to buy this in order to plat it out into city lots, but it was only recently that a deal could be made.

This tract lies just east of Bemis park, with the boulevard running through a part of it. Also, it adjoins the section of the old Oregon trail that has been marked out here in the last few years.

Benson & Carmichael have been grading the tract and close to 200,000 cubic yards of dirt have been moved in order to get the addition in the best kind of shape as far as drainage and general contour are concerned. Most of the tract is high, overlooking a large part of the city of Omaha.

The grading is almost completed. The platting will probably begin within a week. Then the company hopes to get the ground seeded to grass before offering it for sale. Cement sidewalks and gutters have been laid, and tiling for sewers and water mains is on the ground. Building restrictions will be strict enough to keep out unsightly houses, and yet not so high as to bar those of moderate price. It is planned now to make the restrictions something like \$2,000.

A movement is said to be on foot to create enough sentiment among the residents on West Douglas street to bring about the opening of that street at the two or three points where it is not opened at the present time. Those who live west of Twenty-fifth avenue on Douglas feel and have long felt that they are shut out from the rest of the city by the fact that their street is not open for long enough stretches to bring much traffic. For two blocks east of Twenty-fifth avenue Douglas street has never been opened and is now obstructed by a few houses and some old barns. Some of the ground that would be the street is vacant ground and this is all the more encouraging to those who want the street opened, as they expect to make the plea that opening of the street would not necessitate very much moving or tearing down of substantial buildings.

Many New Structures. The recent building up of some splendid new apartment houses at Twenty-fifth avenue and Douglas street has brought up the subject of opening the street afresh. It is said the owners of these flats are very much interested in getting the street opened, as it would give value to their apartment houses and at the same time would make them more sought after by tenants. Tom Donahue is the owner of the Athlete apartment house, a magnificent new structure just now being occupied by tenants at Twenty-sixth street and Douglas. The widow of the late Chief James Donahue is the owner of another, the Angelus, at Twenty-fifth avenue and Douglas. Other apartment

houses in the immediate neighborhood have given dignity to that section of the city and the residents are getting more and more anxious to have an opening down the street instead of being shut in as they are.

Foxy Silver Foxes. It is a pity that Colonel Mulberry Sellers lived before the silver fox farm. That there are millions in breeding these animals for their fur is well known and respectful to doubt, for it appears that some fortunate persons have already made thousands, and what are millions but thousands added together? But it is to be feared that there will be some figuring of prospective profits as if foxes increased like rabbits or like Mr. Butler's famous guinea pigs. And it would

What is Woman's Beauty but Health

And the Basis of Her Health and Vigor Lies in the Careful Regulation of the Bowels

If woman's beauty depended upon cosmetics, every woman would be a picture of loveliness. But beauty lies deeper than that. It lies in health. In the majority of cases the basis of health, and the cause of sickness, can be traced to the action of the bowels.

MRS. C. S. VANCE. These should always be avoided, for at best their effect is only for that day, while a genuine remedy like Syrup Pepsin acts mildly but permanently. It can be conveniently obtained at any drug store at fifty cents or one dollar a bottle. Results are always guaranteed or money will be refunded. You will find it gentle in action, pleasant in taste, and free from griping, and its tonic properties have a distinct value to women. It is the most widely used laxative-tonic in America today and thousands of families are now never without it. Families wishing to try a free sample bottle can obtain it postpaid by addressing Dr. W. B. Caldwell, 49 Washington St., Monticello, Ill. A postal card with your name and address on it will do.

The headaches, the lassitude, the sallow skin and the lusterless eyes are usually due to constipation. So many things that women do habitually conduce to this trouble. They do not eat carefully, they eat indigestible foods because the foods are served deftly and they do not exercise enough. But whatever the particular cause may be it is important that the condition should be corrected. An ideal remedy for women, and one especially suited to their delicate requirements, is Dr. Caldwell's Syrup Pepsin, which thousands of women endorse highly, among them Mrs. C. S. Vance, of 511 S. Ray St., New Castle, Pa. At times she had spells of indigestion so severe that she thought she would die. Syrup Pepsin regulated her stomach and bowels, and she attributes her excellent health today to this remedy. All the family can use Dr. Caldwell's Syrup Pepsin, for thousands of mothers give it to babies and children. It is also admirably suited to the requirements of elderly people, in fact, to all who by reason of age or infirmity cannot stand harsh salts, cathartics, pills or purgatives.

The Doctor's Advice

By Dr. Lewis Baker

The questions answered below are general in character; the symptoms or diseases are given and the answers should apply to any case of similar nature. Those wishing further advice, free, may address Dr. Lewis Baker, College Building, College Hill, Dayton, O., enclosing self-addressed, stamped envelope for reply. Full name and address should be given, but only initials or fictitious names will be used in my answers. The prescriptions can be filled at any well-stocked drug store. Any druggist can order wholesale.

"A. L. H."—I advise you to get the following ingredients and mix at home to correct your child of bedwetting: Theriac cubebs, 1 dram; comp. fluid balsam, 1 oz.; and tincture of this aromatic, 3 drams. Mix in water and give 10 to 15 drops one hour before meals.

"Miss Anna" writes: "I suffer with very severe headaches which also affects my eyes. My throat and nostrils are affected by catarrh and my breath is very bad. Could you prescribe a cure?" Answer: I have helped hundreds who suffer as you do by prescribing the following: Buy a box of Dr. Lewis Baker's Catarrh Remedy, which indicates that it is a speedy curative. Purchase a 1 oz. original package of viaine powder; to a pint of warm water add one teaspoonful and sniff the water from the palm of the hand through the nostrils two or three times daily the following catarrh tincture: To one level teaspoonful of viaine powder add one ounce of lard or vaseline. If used according to the above prescription your catarrh should soon vanish. This should be used occasionally to prevent its return.

"Mildred K." says: "Please advise what I can use for a good hair tonic. My hair and scalp are in a very bad condition and nothing seems to help." Answer: The best hair tonic on the market sold in 4 bars and is called plain yellow minoyol. Any up-to-date druggist will have it. This is superior to anything known for the treatment of diseases of the hair and scalp. Two or three applications have been known to overcome it, while it makes the hair soft, fluffy and makes it keep its natural color.

"Jane" writes: "My nerves are in a dreadful condition. My appetite is very poor and I am extremely thin. My face is so thin that it makes me very unhappy. I should like you to tell me a true remedy." Answer: If you wish to become stouter, improve your appetite and your nervous system, I heartily recommend the use of three-grain hypodermic tablets, which you will find in any well-stocked drug store, in sealed cartons with full directions for taking. Hypodermic tablets improve the nutrition, add red corpuscles to the blood, strengthen the nervous system and improve the general health. Many people report that they have gained from 10 to 20 pounds in two months.

"Harry" writes: "Both my wife and myself suffer with rheumatism. We would appreciate a reply telling us what to take." Answer: Mix the following at home or have the druggist mix for you: 2 drams of iodide potassium; sodium salicylate, 4 drams; wine colchicum, one-half ounce; comp. essence cardiol, 1 oz.; comp. fluid balsam, 1 oz.; and syrup of sarsaparilla, comp., 2 ozs. Take a teaspoonful at meal time and before meals. Always shake well before using.—Advertisement.

"Overweight" asks: "I wish you would prescribe something to reduce my weight." Answer: I find many are like you, and advise that you obtain in sealed tubes three-grain hypodermic tablets. Any accommodating dealer can obtain from wholesale druggists. Full directions accompany each tube.

"Tom" writes: "I have very poor health in account of long standing constipation. I take medicine all the time, but would like to get something that would cure me." Answer: More illness is caused by constipation than by any other ailment. You can get plenty of medicines that will relieve, but if you want something that will more than help you, I would advise the use of three-grain hypodermic tablets (not sulphur tablets). They can be bought at any drug store in sealed tubes with full directions for using. I have found them the most reliable and gradually curative.
