

READY FOR THE BIG BATTLE

Creighton Shows Up Well for Game with South Dakota.

STRONG IN FINAL PRACTICE

Coach Miller Predicts a Close Game, Feeling that His Men Are in the Best Possible Condition.

CREIGHTON. SO. DAKOTA. Brennan, L. E. L. E. Brown Young, L. T. L. T. Horner Hall, L. C. L. C. Broderick Hanley, C. C. C. C. King Stapleton, R. G. R. G. Brown Shannon, L. T. L. T. Brown Black, R. E. R. E. Henley Miller (C.), Q. O. Q. O. Widaj McCarthy, L. H. L. H. Ferguson Walworth, R. H. R. H. Coffey Casey, P. F. P. F. Henzel

The foregoing lineups will tangle on Creighton field this afternoon at 3 o'clock for their third successive annual battle. The South Dakota Coyotes have been victorious in both of the former battles and are hopeful of repeating. Creighton is stronger than ever this year, and is bent on ample vengeance.

Betting on the game is rather light, although several bets at even money and others with slight odds on South Dakota have been placed. The defeats of the Coyotes at the hands of Minnesota, Notre Dame and the Michigan Angles, and the near rupture of the season in midseason has somewhat lowered their stock. Creighton, on the other hand, is acknowledged to have the best team in the history of the school, evidenced by its showing against Marquette and the Haskell Indians.

Creighton students and Omahans look to reverse the sentence of former years and return a victory for the blue and white. Upon the result will depend to a great extent whether Creighton will schedule heavier teams in the near future.

Creighton Men Confident. The Creighton players are confident, although not bragging on the outcome. Captain Morey Miller says: "We should beat them. We have the team."

Coach Harry Miller says: "It will be a close game, and we will give them the bottle of their lives."

Coach Miller, assisted by Ed. Creighton and Otis Morganthaler, sent the varsity through a snappy practice at Creighton field Wednesday afternoon, and the team appeared in fine shape. Miller continually shifted the different candidates for the various positions.

Walworth, the big right half is suffering from a sore on his leg, while Casey, the big fullback, whose back was hurt last week, will start the game at full. McCarthy will start at the other half. Parker will be held in readiness to supplant either of the ends.

W. H. Fineman of Sioux City, will referee the game, while "Jumbo" Steinh, old Wisconsin man and present coach of Nebraska State University, will umpire. The head lineups had not yet been selected at a late hour last night.

The management reports a mammoth crowd. Already all of the boxes are gone and a large number of the reserved seats have been disposed of.

Both the grandstand and the east bleachers will be used for the general admission tickets at \$1 each. The reserved seats will be on chairs on the grandstand level, in front of the east bleachers. The boxes are in front of the grandstand on the west side.

The field will be roped off to prevent the spectators swarming onto the playing territory. Automobiles will be allowed only at the north end.

Academy Wins. The same this afternoon will be the last gridiron battle for two, and possibly three, Creighton stars. They are Hanley, Hall, and possibly Miller.

Hanley and Hall are seniors in the medical college, and will graduate next April. Hanley has for several years played a star game at center. Although light, he has more than held his own with the big centers of the visiting teams.

Hall, the giant guard, is probably the heaviest man who ever wore a varsity suit at Creighton, weighing over 225 in fighting trim. He was forced to leave the game during the middle of the year, but came back to help his teammates beat the Coyotes.

Maurice Miller, the third member of the group, is captain of the squad this year, and is the most popular player who ever held that position. This is only his third year as a member of

Pimples Source of Great Danger

May be Means of Absorbing Disease Germs in Most Unexpected Manner.

Make Your Blood Pure and Immune With S. S. S.

In thousands of instances the most virulent types of blood trouble have been the result of coming in contact with disease germs in public places, and the apparently insignificant pimple has been the cause. It spreads with astonishing rapidity, often infecting the entire system in a few days.

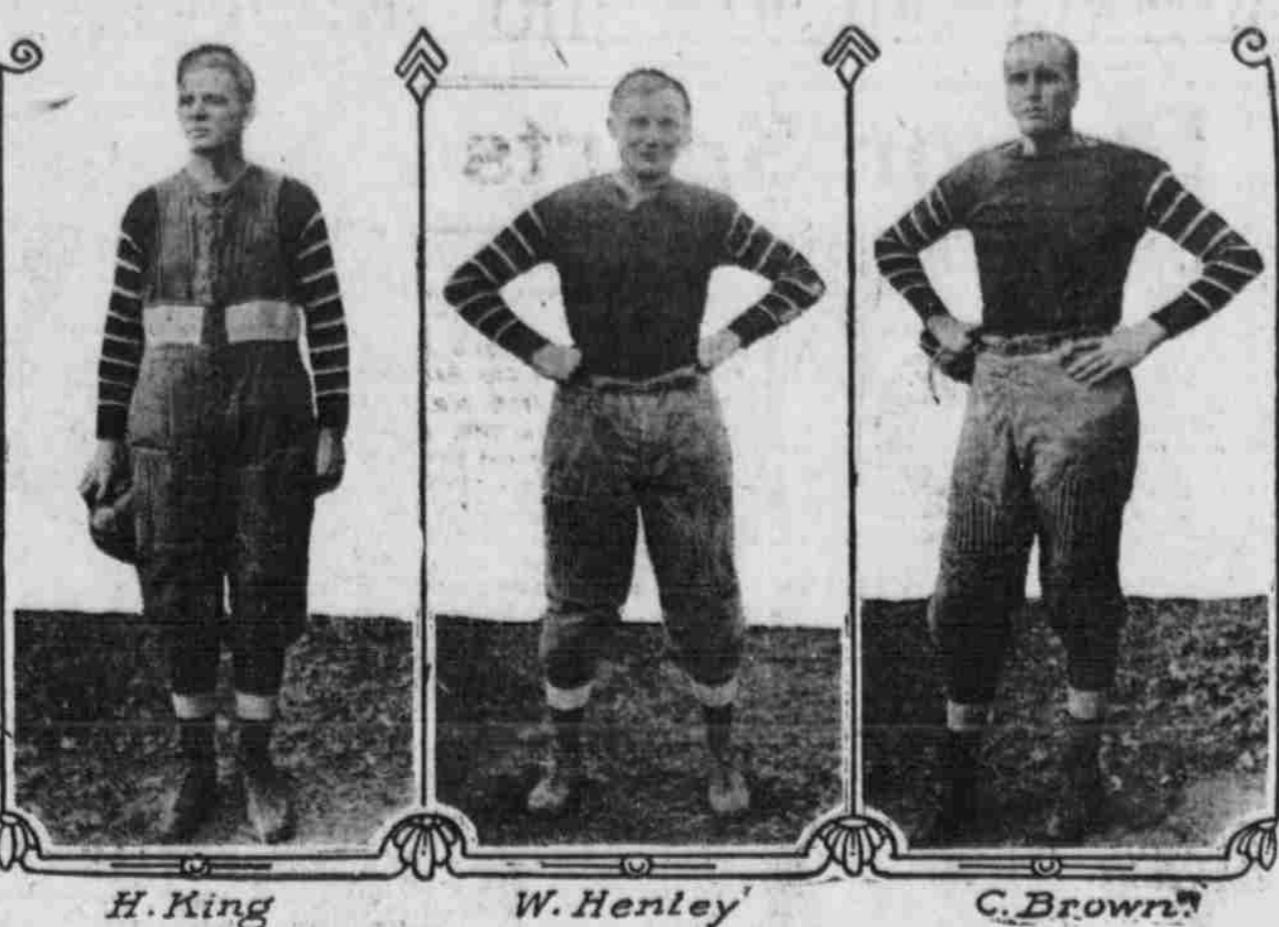

It is fortunate, however, that there is a remedy to cope quickly and thoroughly with such a condition, and thanks to the energy of its producers the famous S. S. S. may now be had at most any drug store in the civilized world.

This preparation stands alone as a blood purifier. It is somewhat revolutionary in its composition, since it accomplishes all that was ever claimed for mercury, iodine, arsenic, and other destructive mineral drugs, and yet it is absolutely a purely vegetable product. It contains one ingredient which serves the active purpose of stimulating each tiny cellular part of the tissue to the healthy and judicious selection of its own essential nutrient. There are more cases of articular rheumatism, locomotor ataxia, paresis, neuritis, and similar diseases resultant from the use of minerals than most people are aware of. These facts are brought out in a highly interesting book compiled by the medical department of The Swift Specific Co., 217 Swift Bldg., Atlanta, Ga. It is mailed free, together with special information, to all who write describing their symptoms.

Get a bottle of S. S. S. to-day, but be careful not to have something palmed off on you falsely claimed to be "just as good."

The only reason why anyone will try to sell you something in place of S. S. S. is the extra profit.

the team, but as he graduates from the pharmacy department next February, he will probably not be back next year. There is a possibility, however, that Miller will take a post-graduate in some course, as he will still be eligible. Several of the alumni in Omaha representing different eastern schools have been after Miller to go east to school, where he would undoubtedly make one of the big varsity teams in the east.

Lincoln Footpads Believed Taken by Wymore Police

(From a Staff Correspondent.)

LINCOLN, Neb., Nov. 26.—(Special Telegram.)—Sheriff Hyers received word from Chief of Police Chinnack of Wymore to night that he had arrested two men supposed to be those who held up a Lincoln street car last Wednesday night and killed Fred Weis, a passenger.

Both men fought desperately, but were overpowered and are now in the Wymore jail from whence they will be brought to Lincoln by Deputy Sheriff Antles tomorrow. One of the men, Bishop Polak, was arrested in Wymore four years ago for holding up the Burlington auditor and served a short sentence. He appeared in Wymore on November 11, two days before the Lincoln car holdup and was seen by a man now in the Lincoln jail, who says that Polak told him he was going away that night and he did not see him after that.

Polak and the man with him at the time he was seen in Wymore answer the description given of the street car bandits.

A later message to Sheriff Hyers states that the men are wanted by the Burlington people for other robberies.

News Notes of Hastings

HASTINGS, Neb., Nov. 26.—(Special.)—Preliminary announcement has been made of arrangements for the second Tribune Products show, to be held under the direction of the Hastings Tribune, during one of the early months of the coming year. The plan will be the same as that of the first show held in the spring of 1912. So far as possible manufacturing processes as well as products of local plants will be displayed. Commissioner Frank I. Ringer of the Nebraska Association of Manufacturers was here today and announced that he will be in Hastings during the show to give what assistance he can to advancing the interests of the manufacturers.

Hints of attempted bribery in connection with a prospective purchase of an auto fire truck for the fire department were made by Councilman Livingston in the city council last night. The committee of which Mr. Livingston is chairman recommended the purchase of the Nott truck. La France truck was considered during the debate.

F. O. Miller has been found not guilty in the district court of stealing a team of horses from Fred Poore of Kenesaw some months ago.

Arrangements have been made to continue the Hastings chautauqua next year under the auspices of the Midland Chautauqua circuit of Des Moines.

JOY RIDERS COME TO GRIEF

Two Large Cars Meet Head-On in New York Street.

FOUR KILLED, THREE INJURED

Both Cars Are Completely Wrecked and Third Caught in Debris Is Badly Damaged—Victims Are Prominent.

NEW YORK, Nov. 26.—Thomas F. Denny, democrat member of the assembly from the nineteenth district; Leonard Cohen, dress goods manufacturer prominent in Tammany circles, and two well-dressed young women lay dead in the morgue today, victims of an automobile crash in the Bronx. All met instant death early this morning in a head-on collision between Cohen's car and the car of Bert T. Rich, a garage owner, operated by Jeremiah Mahony, chauffeur. The latter was held on a technical charge of homicide.

Richard Rogers, negro chauffeur of the Cohen car was battered and bruised and of the four occupants of the Rich machine, three were injured. Rich suffered concussion of the brain, a young woman companion, Estelle Norton, was so badly bruised that she was taken to a hospital and Mahoney's knee was crushed. William Morris, a lawyer, was unhurt. The two women in the Cohen car had not been identified this morning.

Testimony taken by a coroner showed that the members of Rich's party left Larchmont about midnight and their car swung into Pelham Parkway at a high clip. The Cohen machine was east bound, running, according to the chauffeur, about twenty-two miles an hour. The chauffeur of the Rich car, blinded by the headlights, rammed squarely into the other. The impact was terrific. The Rich car described a semicircle and landed in two heaps, chassis and tonneau separated. The Cohen car, rebounding nearly 100 feet, was reduced to wreckage. A car between the two, operated by Joseph Flum, chauffeur, was struck and the passengers, two young women and two young men, were slightly hurt.

Conrad Loose identified one of the women's bodies as that of his wife, Nannie. She went riding with Mr. Cohen last night, he said. He was a friend of ours. A daughter of Loose said she thought the other woman was Helen Schaeffer, a friend of her mother.

Ben Ness Appointed Federal Marshal

DES MOINES, Nov. 26.—Ben Ness, former sheriff of Polk county, was appointed by Judge Smith McPherson as United States marshal for the southern district of Iowa, succeeding Frank B. Clark of Ottumwa, who died at Excelsior Springs, Mo., yesterday. The appointment is temporary and Mr. Ness will serve until President Wilson makes a permanent appointment.

Notes from Yankton

YANKTON, S. D., Nov. 26.—(Special.)—A banquet, attended by the businessmen of Yankton, members of the Commercial club and others, was given at the Portland hotel Monday night, complimentary to the victorious athletes of Yankton college, who this year carried off all the state honors, basketball, track, tennis, base ball, and finally football. Five events, in all of which Yankton won state championships.

Delbert Lester, a stranger, was beaten up and robbed here Sunday night, and is in the hospital recovering from his injuries. The footpad got a 50-cent piece, as Lester threw into some weeds a roll of \$25 when he was attacked.

The marriage took place here Tuesday of Earl T. Moon and Miss Antoinette Chihak, Rev. Lawrence Link officiated. Mr. and Mrs. Moon left for a trip west and on their return will establish a home in Sioux City. Mr. Moon is a railway mail clerk.
