OMAHA WINS STATE FOOT BALL TITLE BY NORTH PLATTE DEFEAT

Local High Eleven Crosses Goal Line of Visitors for Seven Touchdowns.

SCORE FORTY-SEVEN TO SEVEN

Western Team Outclassed Except for First Few Minutes.

SCORE TIED IN THE FIRST

Ends Fall Before Advances of Platts, Hughes and Kelly.

VISITORS FIGHT HARD ALL WAY

By Overwhelming Thanksgiving Opponents Team from This City is Supreme in State of Nebraska.

Omaha High, 47.
North Platte High, 7.

Before a solid mass of 4,000 cheering, yelling rooters, who crowded into the grandstand and swarmed out onto the field, Omaha High school, fighting for blood every minute of the time, decisively crushed every lunge of western Nebraska high schools by defeating North Platte High school, which is acknowledged as representative of the average strength of western high schools this year. Around the ends, through the thick of the line and by means of long forward passes, the Omaha boys ripped the North Platte squad asunder and triumphantly scrambled over the goal line for seven touchdowns, which, with the five goals after touchdowns by Gardner, gave Omaha a grand total of forty-seven points, while North Platte was forced to be content with one lone touchdown, which netted a meager seven.

With the exception of the first five minutes of play the western team was outclassed from tip to tip. Shortly after the initial whistle Ryan plunged his way across the goal line for a touchdown and McWilliams added one more point by kicking the goal. But North Platte was doomed to defeat and scored no more.

Score Tied by Omaha.
Omaha tied the score in the first quarter, when two forward passes, one twenty-five yards, by Platts, and one twenty yards, by Platts to Hughes, and two short plunges through the line netted Omaha its first score.

Two more touchdowns were scored in the second period. After Berry intercepted a forward pass which gave Omaha the ball in the middle of the field, Platts hurried a forward pass to Hughes, who evading every North Platte tackle, sprinted over the goal line. A minute later a twenty-yard run by Berry, a fifteen-yard pass to Kelly and a fifteen-yard smash by Platts made the score at the end of the first half 14 to 7, with the margin going to Omaha.

In the third quarter a forward pass which Platts hurried to Hughes within two minutes after play was started allowed the fleet end to carry the ball forty yards to North Platte's twenty-yard line. A second forward pass, Platts to Hughes, gave Hughes an opportunity to make the fourth touchdown. A few minutes later Platts picked up the ball and ran around left end for forty-five yards for a touchdown.

Hughes Makes Touchdown.
After seeing back and forth for a few minutes another of the deadly passes from Platts to Hughes was attempted successfully and Hughes ran thirty yards for a touchdown. Omaha worked the ball to the ten-yard line in the last quarter and both North Platte and Omaha fiddled around for some little time, during which much discussion was raised between the two teams and Referee Chauner. After much "rag chewing" play was allowed to resume without interruption and Hughes ran around left end for the last touchdown.

After the first quarter it was clearly Omaha's game. Fighting every single minute, Platts ripped through the North Platte line, a line which had been heretofore impregnable, just as a roaring torrent brushes aside the puny bulwarks of a spanning bridge. Battered and frayed, the line which had withstood the attacks of the mightiest, crumbled before the vicious attacks of that one battle-scarred hero, Platts, who brooked no opposition when he lowered his head and started his terrible rushes.

Not Equal to Platts.
The ends, both excellent players who had felled the star halfbacks of other squads, fell before the advances of Platts.

Four Million-Dollar Fund for Y. M. C. A. is Raised on Time

NEW YORK, Nov. 27.—This was a true Thanksgiving day for the Young Men's and Young Women's Christian associations of this city, jubilant as they were of having established a world's record in fund raising by obtaining more than \$4,000,000 within fifteen days. The announcement as reported last night that the total of \$4,002,500 had been raised was followed today from some interesting details of the unique campaign. The gift of the odd dollar of the over-subscribed amount came at the last moment from the janitor of a downtown building who sent it with the following simple and earnest, if ungrammatical, note:

I see by the papers this morning that you have not got your \$4,000,000 and so there is nothing else for me to do than help it. This morning a lady gave me one dollar for a turkey; then I thought that I have to be without turkey and I sent that one dollar for your fund. I am a janitor that loves the lord. God bless you.

It is shown that 17,244 separate contributors gave so generously that their gifts alone totalled \$1,175,000. John D. Rockefeller was the chief contributor, having given \$500,000. Cleveland H. Dodge was a close second with gifts of \$275,000. A number of rich persons clothed their philanthropy with modesty and the total of anonymous gifts was more than \$400,000.

Miners and Owners Unable to Reach a Temporary Truce

DENVER, Colo., Nov. 27.—Whether the conference which adjourned at 1:30 o'clock this morning without reaching even a temporary truce, would be called together to make any further efforts to terminate the Colorado coal strike, was not decided definitely when Governor Ammons reached his office early today. The governor was reticent as to his grand plan, although it was believed that either he would outline a plan for further conference or offer recommendations to the committees based on the facts secured at yesterday's hearing.

While yesterday's conference brought no tangible agreement, it was felt today that the fact that reports of the operators and miners discussed their differences fully and frankly was an encouraging sign. The operators stated they would grant demands of their employees for check weighman, right to trade at any store, board at any place, secure the services of any physician, recognize enforcement of the state mining law.

Federation Will Establish New Builders Council

SEATTLE, Wash., Nov. 27.—The building trades department of the American Federation of Labor decided today that a building trades council representative of the American Federation of Labor and its policies shall be established in New York City as a rebuke to the various so-called central bodies which grant recognition to dual and competing unions. John T. Targart, of the International Union of Wood, Wire and Metal Lathers made a hot speech in opposition, virtually telling the department that his union would not be bound by the orders of the proposed council. He was answered by Frank M. Ryan, president of the Bridge and Structural Iron Workers, and James C. Duncan, president of the Granite Cutters.

Colonel Gaillard Is Reported Dying

BALTIMORE, Nov. 27.—Physicians at Johns Hopkins hospital announced this afternoon that practically all hope had been abandoned for the recovery of Lieutenant Colonel David Du Boise Gaillard, the army engineer who dug the Culebra cut in the Panama canal against almost insurmountable obstacles. He has been sinking steadily for the last few days.

Big Hominy Mill at Decatur Burned

DECATUR, Ill., Nov. 27.—The Decatur mill of the American Hominy company was burned to the ground early today. The loss amounted to over \$100,000. The fire started in the dryer room, at the top of the mill and burned downwards. This mill is said to be the largest more corn than any other mill of its size in the world. It will be rebuilt.

FOUR HUNDRED WOMEN ANSWER AD FOR WIFE

NEW YORK, Nov. 27.—Ernest W. Darrow, a contracting mason of Patchogue, Long Island, celebrated this Thanksgiving day by taking his pick of more than 400 women who had offered to be his life mate. Darrow had been advertising for a wife since last May and the several hundred applicants not only besieged him by letter, by telephone and by mail, but many visited him in person.

COYOTE TEAM WHIPS CREIGHTON WARRIORS

Visitors from University of South Dakota Triumph Over Local Eleven 17 to 0.

LOST ON SEVERAL BAD FUMBLE

Catholic Boys Severe Verge of Defeat

COSTS NUMBER OF TOUCHDOWNS

Opponents Have Boot Ready to Kick Out of Danger.

FORWARD PASS IS EFFECTIVE

Vidal Drop Kicks for Goal from Field in Final Quarter—Miller and McCarthy Star for Local University.

South Dakota, 17.
Creighton, 0.

South Dakota State university defeated Creighton on Creighton field Thanksgiving day by a score of 17 to 0. The South Dakota scores were made on two touchdowns, each followed by a goal and later a drop kick. A crowd of about 4,000 people gathered to witness the game, exclusive of those who crowded the surrounding house and hill tops. There was a grand display of college yell and color, while both teams were encouraged by bands.

The Coyotes were first to appear, running through light kicking and signal practice. Creighton was late, filing down the field after 3 o'clock. The teams appeared about equal in weight.

Brooks, left guard for the visitors, was taken from the battle in the last quarter with a dislocated shoulder. This is Brooks' second year on the team, and the first time he was ever forced to leave the game.

After the game, Coach James Henderson of the Coyotes said that they were well pleased with the outcome, and had won by the margin expected. He was much impressed with the work of Miller, Walworth and McCarthy. He said South Dakota should have beaten the Michigan Aggies by about the same score, and that the Aggies are over-rated.

The officials ran the game in nice fashion. South Dakota suffering six penalties for offside play and Creighton only losing five yards for the same reason.

Fumbling Lost the Game.
Fumbling was the cause of Creighton's defeat, and cost her several possible touchdowns. The Creighton men seemed to lack the ability to hold the pigskin and each time they bobbled a red and white man was found wrapped about the coveted oval.

The first quarter was South Dakota's, as they kept the ball in Creighton's territory. In the second quarter they scored both their touchdowns, although Creighton.

President and McCombs Discuss Political Outlook

WASHINGTON, Nov. 27.—As President Wilson intends to leave early tomorrow for New York to spend part of the day with friends and go to the army and navy football game Saturday, he had two engagements today at his office. He had a long talk with William F. McCombs, chairman of the democratic national committee, and in the afternoon with Sir William Tyrrell, private secretary to Sir Edward Grey, British foreign secretary.

Seven Persons Hurt in Des Moines Wreck

DES MOINES, Nov. 27.—Seven persons were injured when a Burlington freight train, west bound, plunged into south bound Rock Island train No. 57, on the Kansas City and St. Paul short line, at the crossing early today. Among those injured were:

Iva L. Shull, St. Paul, foot broken.
Mrs. J. I. Dingley, Long Beach, Cal., back strained.
E. J. Hurst, Pullman conductor, Minneapolis, head cut, wrist and ankle sprained.

MATHEMATICAL GENIUS DIES IN POOR FARM

KANSAS CITY, Nov. 27.—Reuben Field, whose phenomenal powers as a rapid calculator have puzzled expert mathematicians from all parts of the country, died today of apoplexy at the Jackson county farm, where he had been cared for since 1905. He was 39 years old. Apparently without ambition and always dependent on others, he regarded his arithmetical powers as a gift of God that would be taken from him if he turned them to worldly gain. He was unable to read or write.

PRESIDENT ATTENDS MASS

Fan-American Service is Held at St. Patrick's Church.

SERMON BY CUBAN BISHOP

Edifice is Decorated with Flags of All American Republics—Cabinet Members and Diplomats Attend.

WASHINGTON, Nov. 27.—The fourth annual Pan-American Thanksgiving celebration with its attendant mass, a service of thankful unity between the United States and the twenty-one Latin-American republics, was observed here today.

President Wilson, Secretary Bryan and a number of other cabinet officers, all the diplomats from Latin America, Chief Justice White and Justice McKenna of the supreme court and senators, representatives and other officials attended. St. Patrick's church was decorated with American and Latin American flags. A dove of peace holding together in its beak the flag of the United States and that of the Pan-American union, symbolizing the peace of the western hemisphere, for which prayers were offered, Cardinal Gibbons was present.

Right Rev. Charles W. Currier, bishop of Matanzas, Cuba, who preached the sermon, described war as the "natural enemy of order, and therefore of that which is good and true," said that it "subverts the moral order by opening wide the door to all manner of vices," and concluded by portraying to his audience the "wickedness of the battlefield, with its carnage, its blood, its grim death, its misery, on which only vultures."

(Continued on Page Two.)

Actress Who Killed Self Leaves Note

PHILADELPHIA, Nov. 27.—A note written by Elizabeth Peritz of New York, an actress who committed suicide by swallowing poison in a hotel here last Monday night, was made public here today. The note, which was addressed to her sister, was given to the authorities by Oscar Friedman, a brother-in-law of the actress. It read:

Dear Rose, I have been very sick. I had to have an operation performed, and when I get well I will have to leave our home. I have been in hard luck and have sold my diamonds. If you don't hear from me again before November 13, don't come to the home of Mrs. Fox at 60 West Fifty-seventh street, or get my trunk. Don't give her any information. Don't tell mother. Kiss babies for me. Don't call at 49 West Fifty-seventh street until the 15th or after. Lovingly, "LIZZIE."

FOUR PERSONS DROWN DURING STORM AT SEA

SAN FRANCISCO, Nov. 27.—Wireless messages today say that two officers, one passenger and a seaman on the Pacific coast steamship President lost their lives last night in the storm that raged off the California coast. The passenger, whose name has not been learned, was washed overboard 130 miles north of Cape Blanco and the members of the crew died in an effort to save him.

Suit is Filed for Possession of the Hogarth Pictures

LOS ANGELES, Cal., Nov. 27.—In a suit on file today the United States district court is petitioned to require E. P. Clark of this city to show cause why he should not deliver twelve paintings, said to be the work of William Hogarth, to Frank McKay, trustee for the bankrupt art concern of Tomlinson-Humes, Inc., of Chicago.

The pictures were involved in litigation last summer, when it was brought out that the paintings, originally purchased in Buffalo for \$60,000, were transferred to E. P. Clark on notes aggregating \$25,000, with the understanding that Tomlinson-Humes would undertake to sell them to former United States Senator William A. Clark for \$40,000.

The art works reposed for some time in former Senator Clark's art gallery in New York, and then were brought here on the order of E. P. Clark and stored in a warehouse.

Two Men Injured in Peculiar Accident

SHERIDAN, Wyo., Nov. 27.—(Special Telegram)—At Arvada, a few miles east of here, last evening Alexander Sandusky, a roadmaster of the Sheridan division of the Burlington, and Walter B. Skipton, representing the McCord-Brady company of Omaha, sustained serious injuries in an accident, the former having both legs broken and the latter one. Both men were standing near a derailed box car being pulled on the track by an engine, when the spikes holding the rail to which a cable pulley was attached, gave way. The loosened rail swung around, striking both men on the legs below the knees. Both men live here and are in a local hospital.

ZELAYA HELD WITHOUT BAIL FOR EXAMINATION

NEW YORK, Nov. 27.—Jose Santos Zelaya, former president of Nicaragua, arrested in bed at midnight on charges of having committed murder in Nicaragua, was held today without bail for examination on December 1. Pending the arrival of a request for extradition to Nicaragua he was remanded to prison.

PROMINENT WOMAN IS CHARGED WITH PERJURY

IOWA CITY, Ia., Nov. 27.—(Special Telegram)—Miss Emma R. Ricord, daughter of a former postmaster of Iowa City and member of a family which has long been prominent here, is in the Johnson county jail, under indictment for perjury and held in \$5,000 bonds, which she has so far been unable to furnish. Miss Ricord was indicted as a result of her denial of any knowledge of the whereabouts of Anna B. Clark, a witness wanted in a disbarment suit started here. The suit was against Frank B. Kimball, a prominent local attorney and United States referee in bankruptcy for this district. The state charges that Miss Clark was spirited away to Chicago by the defense, and that Miss Ricord took her there.

CHURCH SERVICES LEAD ALL

Religious Observance of Thanksgiving is Keynote of the Day.

MANY UNION CEREMONIES HELD

Various Denominational Groups Join Each Other in Celebration of Date Established by the Puritan Fathers.

Proceeding all entertainments and forms of recreation that marked observance of Thanksgiving day in Omaha, were religious services held in the various churches throughout the city. In many instances congregations of the same denominations joined in a union service. Special Thanksgiving sermons and special music added much to the usual service.

At the Young Men's Christian association building there was a sunrise meeting at 7 o'clock. This was attended by scores of men and boys. There were union services at the First Presbyterian church, the Deer Park Methodist church and at the Kountze Memorial church. These were held in the morning at 11 o'clock.

At the Kountze Memorial church the Thanksgiving sermon was preached by Rev. H. L. Rhode. Rev. Dr. L. Groh, pastor of St. Mark's Lutheran church, read the scripture and offered prayer. Rev. C. O. D. Baltzy, pastor of the church, conducted the clerical ceremony. Special choral music was given. Mrs. E. A. Weathers sang a solo.

Anti-Snuff Law is Declared Valid

BISMARCK, N. D., Nov. 27.—The North Dakota law prohibiting the sale of snuff, passed at the last session of the legislature is constitutional. The state supreme court so decided in a decision handed down late last night.

The plea that the law singles out a certain alleged vice without abolishing others the court says, is unsound as "no criminal should be allowed to escape punishment because someone else is more of a criminal or more dangerous to society than he."

Tight Skirts Cause of Many Accidents

CHICAGO, Nov. 27.—Hobble skirts and high heels are the cause of many minor accidents on railroad trains, according to a bulletin issued today by one of the largest railroad companies in the country. The bulletin shows forty-four accidents were caused on the road in August by the prevailing styles. In September, forty-two women suffered injuries because of their inability to move quickly in the close-fitting dresses, and in October the injured numbered fifty-two.

MR. AND MRS. SAYRE VISIT IN BALTIMORE

BALTIMORE, Nov. 27.—The White House bridal couple, Mr. and Mrs. Francis B. Sayre, spent this morning in Baltimore and had their Thanksgiving day luncheon with Mrs. T. Harrison Garrett at Evergreen, the Garrett country estate on Charles street.

VILLA PREPARES TO FOLLOW FEDERALS INTO STATE CAPITAL

Rebel Chief with Force Flashed with Victory Will Pursue the Vanquished Enemy.

ARMY WILL REST FOR ONE DAY

Provisions Being Gathered for Rush Down Railroad to Chihuahua.

OIL PROPERTY IS IN DANGER

Fear at Washington that Pipe Lines May Be Cut.

ADMIRAL FLETCHER AT TAMPIO

Lifting of Cap from Gusher Back in Fields and Touching Match Might Set Fire to Big Tanks at Terminal.

EL PASO, Tex., Nov. 27.—Pancho Villa announced today that he would leave tomorrow with his rebel army for Chihuahua to attack the federals, who retreated Tuesday night after attempting to take Juarez from him. He believes that other rebel forces have intercepted the retreating federals and that he would be able to capture the entire command or annihilate it.

Today was an off day in Juarez. Villa had most of the afternoon attended the opening of the Juarez Jockey club. All the dead had been buried and the wounded placed in temporary hospitals in Juarez. The rebel soldiers were given clothing and ammunition today preparatory to the advance tomorrow.

Soldiers today in Juarez tell harrowing stories of the two days' battle against the federals, and in the telling there is lost no opportunity to extol the bravery of both rebel and federal commanders.

Oil Field in Danger.
WASHINGTON, Nov. 27.—While Rear Admiral Fletcher has obtained informal pledges from the constitutionalist general, Aguilar, that there should be no interference with foreign oil properties about Tuxpan, there is some concern as to whether that is broad enough to cover the rather critical situation at Tampico. State department officials will feel easier when they hear of the arrival of the admiral, on his temporary flagship, Rhode Island, at Tampico.

The battleships Nebraska and Michigan and the gunboat Whaling already are at Tampico and their commanders have been instructed to look after American, British and other foreign interests. It is thought at the Navy department there is little danger of action by constitutionalists near Tampico that would threaten actual destruction of great oil tanks at that port. Though no specific instructions have been given to the American naval commanders they are expected to act on their own discretion in protecting the properties.

May Cut Pipe Lines.
The real danger, if any exists, would lie in interference with pipe lines running twenty-five miles into the interior from Tampico. Naval officers estimate that it would require a small army to protect the wells and pipe lines. The lifting of a cap from one of the gushers and the ignition of the rushing streams of oil might carry widespread disaster down to the coast.

Rear Admiral Fletcher it is expected will undertake first to get into communication with Insurgent leaders near Tampico and induce them to respect the pledges given by General Aguilar. Later today the Navy department received delayed dispatches reporting Rear Admiral Fletcher's arrival at Tampico and also the arrival of the British cruiser Suffolk with Rear Admiral Craddock. Nothing new was reported in the situation.

Prairie Leaves with Marines.
PHILADELPHIA, Nov. 27.—The 200 Marines and a few crew members aboard the transport Prairie left the Philadelphia navy yard at 1 o'clock today for southern waters. The transport carries stores and ammunition for a three months' cruise.

The Marines are commanded by Colonel J. A. LeJeune. The colonel and officials of the Philadelphia navy yard said before the Prairie sailed that the orders received from Pensacola, Fla., as the objective point of the trip. It has been rumored at the navy yard, however, that these orders may be changed by wire.

(Continued on Page Two.)

Putting Backbone Into Business

Advertising in newspapers is the great business Doctor. It turns old business into new. It causes merchants to "perk up" and take notice, dust off their counters, "sweeten up" their services, and improve their merchandise. It transforms dull and uninteresting stores into bright and pleasant shopping places.

Newspaper advertising develops business muscle, and strengthens the sinews, and puts vibrant health into organizations that haven't been behaving properly.

It stiffens up weak and limp backbones and puts new life and inspiration in the place of ennui and out-of-date-ness. The readers of The Bee know all about good Doctor Advertising and his inspiring cures. They patronize his patients. They shop where strength and health and vigor are. Businesses that are weak and spineless don't appeal to the imagination of the pocket-book. Go to the five places that a newspaper advertising has placed in front of the firing line.
